*Macho Man* Randy Jones, Mark Bego, 2008-12-30 The Vietnam War was over and America seemed in the midst of a nationwide party. The self-proclaimed Me generation was flocking to discotheques, recreational drug use was high, and sexual taboos were being shattered nationwide. Then The Village People appeared on the music scene. Never before had gay sexuality been as up-front and in the face of America. The Village People struck a cultural nerve and fueled a craze that had them playing to sold-out crowds at Madison Square Garden. Even today, few adults could not at least hum the tunes to Y.M.C.A. and Macho Man. Because of the unique role they played in the United States of the late 1970s, The Village People are able to provide a powerful lens through which to view the emergence and development of gay culture in America. In *Macho Man*, readers can travel back with one of the first gay icons in popular music, and a top pop culture biographer, as they describe this complicated process of change. In these pages, Randy Jones, the original cowboy in the band, takes us inside the time period, the discos, and the new musical style that was in many ways unprecedented in giving a voice to a previously closeted gay culture. Assisted by Mark Bego, one of the most popular and prolific pop culture authors working today, Jones shows how the fast-lane rise, fall, and rebirth of this novel band paralleled activities across the last 40 years within the gay culture and gay rights movement. The work concludes with a gayography – a listing of openly gay musicians and performers in the United States before and since The Village People – along with a discography and filmography. This work will interest pop culture and music enthusiasts, in addition to scholars in gay studies.

Eat Like a Rock Star Mark Bego, 2017-10-17 Who

knew that Bill Wyman (The Rolling Stones) makes an amazing Lamb Chops with Endive and Blue Cheese Salad, that Michael McDonald (The Doobie Brothers) loves Pasta with Ham and Parmesan Cheese, or that Boz Scaggs eats Tuscan Grilled Chicken? With more than a hundred recipes from seven decades of rock 'n' roll, pop, country, RnB, and disco, Mark Bego, along with Mary Wilson of The Supremes, gathers beloved recipes from legendary rocker friends and invites the ultimate music fan to put on an apron and join them at the table. Featuring each rock star's biography, their favorite recipe, and other fun facts, *Eat Like a Rock Star* is a must-have for every die-hard rocker-at-heart who loves to eat. There is nowhere else you will find Ray Parker Jr.'s Salmon and Eggs, Joey Fatone's (NSYNC) Rice Balls, Micky Dolenz's (The Monkees) Micky 'D' Cocktail, and Angela Bowie's (David Bowie's ex-wife's) Rosti Hash Brown Potatoes all in one book. As Martha Reeves says about her Smoked Turkey Necks & Lima Beans, "Honey, this is real soul food!"

**Cher** Mark Bego, 2001 Pop phenomenon Cher has had one of the most surprising and long-lasting careers in American entertainment. Her run of hits and comebacks have continued to defy expectations, right up to her Grammy Award-winning song Believe and subsequent tour and HBO special. Cher's string

of successes includes dozens of hit songs from the '60s onward, two top-10 rated television shows, a critically acclaimed appearance on Broadway, and a succession of award-winning films roles, the latest being in Tea with Mussolini. In this brand new book pop music authority Mark Bego tackles all the recent developments including her well-documented grief after ex-husband Sonny Bono's tragic death. Cher: If You Believe also includes the most complete discography ever of her career as well as a boyfriend-ography!

Joni Mitchell Mark Bego, 2005-05-26 In February of 1996, Joni Mitchell was honored by the Grammy Awards in two separate categories, which represent the two sides of her creativity. As an accomplished painter, her self portrait on the cover of her Turbulent Indigo album won her the trophy as Best Album Cover Artist, and the music contained on the LP won the Best Pop Performance, Female. Only months later it was her personal life that was in the headlines as news that the daughter she had given up for adoption as a teenager, had been seeking her birth mother. With all of this creative and personal activity in her life, Joni is officially back in the spotlight, and the time has come for a hard cover biography on this fascinating star. Including revealing information from exclusive new interviews, rare TV interviews, and several inside sources-Joni's friends, rivals and contemporaries-this book will fully examine this beloved performer from every angle, public and private. Mark Bego will also recount his own 1990s personal interview with the elusive Joni Mitchell herself. The book will include an examination of: ·Joni's sudden role as a mother, in her 50's, as her daughter Kileen successfully finds her after over 30 years ·The truth about her rumored love affairs with Crosby, Stills, Nash AND Young ·Her relationships with James Taylor, Bonnie Raitt, Linda Ronstadt, Bob

Dylan, Peter Gabriel, Judy Collins, and Georgia O'Keefe .Joni's rich catalog of music, and her place in rock & roll history

*Rocket Man* Mark Bego, 2020-01-07 The colorful and kaleidoscopic life of one of the world's most original and talented musical artists. Here's the book every pop music lover has been waiting for—full of the scandals, addictions, affairs and tantrums that underscored the life of arguably the world's greatest pop musician. Flamboyant, iconic Elton John is as much part of the American musical landscape as he is in his native England. In the 1970s, when popular music on both sides of the Atlantic fragmented into disco, soul, hard rock, pop and folk, Elton John embraced them all with his signature creative panache. Emerging in the late 1960s as a singer/songwriter, Elton was widely acknowledged as the most prolific pop and rock star of the decade by the mid-1970s. His peerless musical style and ability to jump from sensitive ballads to bawdy rock anthems to campy pop have made him a musical superstar for the ages. From his heartfelt ballads like “Tiny Dancer” and “Your Song,” to his rock & roll hits including “Benny and The Jets” and “Crocodile Rock,” Elton has lived one of the most outrageous and colorful lives in show business. Having met the “Rocket Man” the first time in the 1980s, Bego has drawn upon his personal observations, vast research, and has been able interview dozens of Elton's collaborators and lifelong friends to produce the the ultimate story on the amazing and larger-than-life Elton John.

*Bette Midler* Mark Bego, 2002-11-08 This biography of the Grammy-winning, Oscar-nominated redhead covers Bette's life and career from her childhood on Hawaii, her New York nightclub years, and her current career in Hollywood.

*Bonnie Raitt* Mark Bego, 2003 This book is the definitive biography of the Grammy Award-winning

singer/songwriter and political activist whose career rose rapidly in the 1970's, stalled in the 1980's, and resurged in the 1990's.

*Whitney Houston!* Mark Bego, 2012-03-02 Presents a biography of the late singer and actress, from her childhood with famous relatives and successful career as a solo artist to her long battle with substance abuse and death.

Aretha Franklin Mark Bego, 2018-09-18 A frank examination of Aretha Franklin, Mark Bego's definitive biography traces her career accomplishments from her beginnings as a twelve-year-old member of a church choir in the early 1950s, to recording her first album at the age of fourteen and signing a major recording contract at eighteen, right up through untimely passing in 2018. Originally positioned to become a gospel star in her father's Detroit church, Aretha had a privileged urban upbringing; stars such as Mahalia Jackson, Dinah Washington, and Sam Cooke regularly visited her father, Rev. C. L. Franklin. It wasn't long before she was creating a string of hits, from *Respect* to *Freeway of Love*; and becoming one of the most beloved singers of the twentieth century. This New York Times bestselling author's detailed research includes in-person interviews with record producers Jerry Wexler, Clyde Otis, and Clive Davis, Aretha's first husband, several of her singing star contemporaries, and a rare one-on-one session with Aretha herself. Every album, every accolade, and every heart-breaking personal drama is examined with clarity and neutrality, allowing Franklin's colorful story to unfold on its own. With two teenage pregnancies and an abusive first marriage, drinking problems, battles with her weight, the murder of her father, and tabloid wars, Aretha's life was a roller coaster. This freshly updated and expanded biography will give readers a clear understanding of what made Aretha Franklin the

Queen of Soul.

**Madonna** Mark Bego, 2000-07-18 Perhaps the most important female entertainer of the last two decades, Madonna Louise Ciccone has led a fascinating life. This is her story.

**Billy Joel** Mark Bego, 2007-05-23 Billy Joel ranks among rock'n'roll's most talented artists. He is also widely known for his professional struggles--his substance abuse problems, his marriage to Christie Brinkley, and a string of car accidents. This biography is the first in-depth portrait of this larger-than-life figure, the son of German Jews who fled the Nazi regime. It includes his childhood in the Bronx, his professional struggles, and his six Grammys, and features interviews with his bandmates and representatives from Columbia Records, an extensive examination of his diverse music tastes, and never-before-seen photographs.--From publisher description.

**George Strait** Mark Bego, 2001-07 Here is a comprehensive look at one of the biggest stars in the hard-driving, often heartbreaking world of country music. A chronicle of Strait's journey from playing Texas honkytonks to his big break in 1981, when he released Strait Country, to his stunning success just four albums later, when he debuted at number 1 on Billboard's country music chart. The white-stetsoned Strait is one of America's top concert attractions, and the Country Music Association named him Entertainer of the Year. Told with all the warmth, honesty, grit, and passion of the legendary artist himself, this is the story of the man behind the superstar myth -- of the family that shaped his youth, of his relationship with his wife, Norma, and of the tragic auto accident that killed his teenage daughter . . . and changed his life forever. Sure to be a revelation and an inspiration to his millions of fans.

*The Manual For Humanity Thriving In The New*

Earth Tat Jane Bego Vic, 2022-04-08 We are in a global transition in all areas and aspects of our lives. The necessary adjustments are required to allow the alignment in harmony with the current changes. Are you ready? The Manual For Humanity Thriving In The New Earth contains essential wisdom for the current new phase of our human evolution and transition we are living in. What and why is happening in our new reality is thoroughly explained, and how we can adjust to align and benefit from these monumental changes and times, designed for our acceleration. Mother Earth's frequency has changed, and it is accelerating rapidly. The higher frequencies of light are available to humanity and all beings. There is a need for adjustments to our belief system and physical, mental, emotional, and spiritual bodies to be aligned and in harmony with the current global alteration of consciousness. Together with all planets, stars, galaxies, and universes, we are on the acceleration path. It is a process of rebirth and reconstruction for all. Exactly the evolution happens through a shift from solely the mind to the heart-based consciousness and awareness moment to moment. This is when we are liberated and in alignment with the parameters of this new reality. It is evident, our evolution collectively and individually depends on how much love we have in our hearts towards others and our selves. Our lighter and brighter frequency is a product of the heart center awareness moment to moment in this new realm. The fact is everything we need to evolve is already within us. 'The Manual For Humanity Thriving In The New Earth' contains knowledge, wisdom, and practices to assist the process of our up leveling and unification within and with the outer world. Together, we are mastering the physical life through this manual, when the higher state of consciousness and awareness happen naturally. Let

us join hearts and souls together through wisdom, understanding, and cooperation in creating a better world and our new reality to be an opportunity for all.

**Tina Turner** Mark Bego, 2005 This revealing, detailed biography not only gives the full story of Turner's dazzling professional career, but also thoroughly explores her turbulent personal battles and ultimate discovery of inner peace through Buddhism. From her modest beginnings as a backup singer for Ike and their debut single A Fool in Love to her successful 1980s comeback and the conferring of her rock goddess status during the last decade of the twentieth century, Tina Turner is the authoritative portrait of the flamboyant superstar with unmistakable voice.

*Living the Luxe Life* Mark Bego, Efrem Harkham, 2019-05-07 For Efrem Harkham, hospitality isn't just a job—it's a way of life. And that attitude is evident when you walk into any of Harkham's one-hundred-plus luxury hotels. In a true, rags-to-riches American success story, Harkham built a renowned international hotel brand that is synonymous with comfort and refinement. Part memoir, part business-success book, *Living the Luxe Life* is the story of Harkham's success, detailing the secrets behind his accomplishments. Taking a philosophical approach to business, Harkham describes his commitment towards maintaining excellence in all aspects of his life, succeeding in a constantly evolving marketplace, and mentoring employees. He firmly believes that this method is the best way to provide his customers with a superior product. Additional chapters expand on Harkham's business model, touching on his belief in the importance of philanthropy, education, and patience in building a strong and successful business. Profound and insightful, *Living the Luxe Life* is a must have for any reader who aspires to one day succeed in

the business world.

The Devil at Our Doorstep David A.

Bego, 2012-04-01 The Devil at Our Doorstep

Description: David Bego's account of Big Labor's use of intimidation and corruption in an attempt to usurp American freedoms is chronicled in this riveting new release, *The Devil at Our Doorstep*. *The Devil at Our Doorstep*, a non-fiction account by businessman David Bego, reads like a fast paced novel and describes the impact of labor unions on the economic and political landscape of America. He warns of the dangers to America's future posed by allowing greater control to these firmly-entrenched organizations and their political supporters/dependents, like President Obama, who are dedicated to elimination of the republic and the rise of socialism. Bego, an entrepreneur and business owner, experienced first-hand the intimidation, the physical threats and the character assassination labor unions will utilize to achieve their goals during his battle to protect his employees from the Service Employees International Union (SEIU). In this true-life expansion to his successful book, *The Devil at My Doorstep*, Bego finds his efforts to be vindicated, receives an apology and recommendation from an SEIU ally and describes the final stages of his victory against one of the largest labor unions in the world. This story is seen throughout today's headlines, as Bego champions the need for National Right-to-Work legislation, explores President Obama's recess appointments to the National Labor Relations Board (NLRB) and the Board's drive to achieve card check or forced unionism through regulation. It exposes the political collusion between big labor, President Obama and the liberal left, and suggests programs to restore America's future. The book also exposes the media's support or acquiescence to Big Labor. It shows the bias, fueled by the mainstream media's philosophical

agreement with Big Labor, and points out their lack of coverage on labor related topics for fear of attacks against their advertisers. Mixing personal experience with business and political policy critique, Bego presents readers with the case against those who would limit the freedoms of other Americans for their own gain. Following the success of his first book, David was inundated with stories about big labor abuses, such as misuse of employee dues and intimidation from people all over the country who were tired of being bullied by Big Labor! Their riveting, and often shocking, true life stories are included, exposing the depths to which labor unions will sink to accomplish their goals. "This book is dedicated to preserving American freedoms and to the belief that all Americans must take personal responsibility and accountability for their own actions, as well as their personal growth and well-being," says Bego. Featured on radio and television shows across the country for his dramatic story, including the Lou Dobbs show on Fox Business, Bego wrote the book to engage, educate and inspire people from all political perspectives to act for the future of America, before it is too late. The book is intended for all readers interested in business, politics, history, social or economic issues and those who are concerned about the preservation of freedom in America. Bego's blog, [TheDevilatOurDoorstep.com](http://TheDevilatOurDoorstep.com), is regularly featured on Breitbart's [BigGovernment.com](http://BigGovernment.com), where he is a featured contributor, as well as the California Public Policy Center's [UnionWatch.org](http://UnionWatch.org) and the Competitive Enterprise Institute's (CEI) website. Dave has appeared on CNN and FOX Business, and he has been interviewed on Glenn Beck's Insider Extreme by S.E. Cupp. David is a weekly regular on radio talk shows across the country such as Barry Farber, Chuck Wilder, Jayne Carroll, Zeb Bell, Pat Snyder,

Lincoln Brown, Bob Harden, Joe Messina, Elise Richmond and many others.

**Paperback Writer** Mark Bego, 2010-05 As an entertainment journalist, Mark Bego has been interviewing celebrities for over four decades and he has published over 55 books about rock & roll and show business. But Bego isn't just a bystander to the lifestyles of the rich and famous; he has partied, traveled, and even lived with some of the world's biggest stars. He has been referred to the world's best selling rock & roll biographer and has spent time with stars such as Madonna, Cher, Michael Jackson, Aretha Franklin, Mary Wilson of The Supremes, Barry Manilow, The Temptations, The Village People, Micky Dolenz of The Monkees, Joni Mitchell, Martha Reeves, Billy Joel, Jimmy Greenspoon, Katherine Hepburn and many more. Paperback Writer finds Mark recalling opening night at Studio 54, and parties with European royalty. In this humorous, adventurous, and sometimes outrageous new memoir, Bego finally tells his side of the story, for better or for worse!

## Bego Introduction

In today's digital age, the availability of Bego books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Bego books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Bego books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Bego versions, you eliminate the need to spend money on physical copies. This not only saves you money

but also reduces the environmental impact associated with book production and transportation. Furthermore, Bego books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally,

PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Bego books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Bego books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both

public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Bego books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring

knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Bego books and manuals for download and embark on your journey of knowledge?
