**Behind the Wall** Mary Widdifield, Elin Widdifield, MA , 2015-04-07 Behind the Wall: The True Story of Mental Illness as Told by Parents provides a shared voice for millions of people who advocate for a child or loved one living with mental illness, fosters understanding for society at-large, and delivers an ultimately hopeful read. The seven true stories in this book, told by nine parents, were selected from interviews conducted by sisters Mary and Elin Widdifield, and interwoven with one sister's own experiences. Told with remarkable candor, these stories offer more insight than any single story or academic analysis. When mental illness enters the national discussion, it typically comes in the wake of a violent tragedy, attracting temporary attention and further misunderstanding. Behind the Wall posits that the true story of mental illness can be told most accurately by the people in the trenches: the parents who watched it all unfold.

**Behind the Walls** Miriam Cohen, 2006 An account of the Holocaust experiences of Chanah Kaufman (née Zucker), born in 1929 to an Orthodox Jewish family, related from the viewpoint of the young girl that she was at the time. In Brussels, her parents paid a non-Jew to hide Chanah in her basement. Subsequently she

was taken to the Misericorde convent in Leuven, where she and other Jewish girls were hidden throughout the war. The nuns pressured her to convert, convincing her that otherwise the Nazis might kill her along with those who gave her shelter. However, inwardly she always remained Jewish. When the war ended, the nuns did not inform their wards, hoping that the Jewish children they saved would remain Catholics. Chanah was eventually taken to a Jewish orphanage, the Tiefenbrunner Home. Her parents and brother did not survive. She immigrated to Israel after the war. An appendix on pp. 322-344 discusses the role of the general and Jewish undergrounds in Belgium in hiding Jewish children and returning them to their people after the war.

Banksy Will Ellsworth-Jones, 2013-02-12 While hiding from the limelight, Banksy has made himself into one of the world's best-known living artists. His pieces have fetched millions of dollars at prestigious auction houses. He was nominated for an Academy Award for his film *Exit Through the Gift Shop*. Once viewed as vandalism, his work is now venerated; fans have gone so far as to dismantle the walls that he has painted on for collection and sale. But as famous as Banksy is, he is also utterly unknown—he conceals his real name, hides his face, distorts his voice, and reveals his identity to only a select few. Who is this man that has captivated millions? How did a graffiti artist from Bristol, England, find himself at the center of an artistic movement? How has someone who goes to such great lengths to keep himself hidden achieved such great notoriety? And is his anonymity a necessity to

continue his vandalism—or a marketing tool to make him ever more famous? Now, in the first ever full-scale investigation of the artist, reporter Will Ellsworth-Jones pieces together the story of Banksy, building up a picture of the man and the world in which he operates. He talks to his friends and enemies, those who knew him in his early, unnoticed days, and those who have watched him try to come to terms with his newfound fame and success. And he explores the contradictions of a champion of renegade art going to greater and greater lengths to control his image and his work. Banksy offers a revealing glimpse at an enigmatic figure and a riveting account of how a self-professed vandal became an international icon—and turned the art world upside down in the process.
