**Belvedere** David Franklyn,2013-03 Set in the Caribbean during the tumultuous 1790s, Belvedere is the story of Pierre Alexis, a young romantic and idealist from Toulouse, who dreams of migrating to the French Antilles. Instead Pierre finds himself in Grenada, where the rivalry between the French and the British over who controls the island has reached a boiling point. Amidst this already tense atmosphere, an uprising led by French-speaking 'Free Coloureds' suddenly breaks out. Inspired by the French Revolution ideals of Liberty, Equality and Fraternity, the former slaves take up arms against the French and English ruling classes. But rather than helping to put the rebels down, Pierre finds himself sympathetic to their cause. Sharing in their revolutionary ethos, he takes a fateful step and joins them in their rebellion against the English. Although Pierre Alexis is a fictional character, Belvedere is loosely based on a real historical figure; a young Frenchman who took part in the Fedon Revolution in Grenada in 1795, joining the non-whites in their armed struggles against the British ruling class.

**Growing Up Belvedere-Tiburon** Paige Peterson,2020-12 You can leave Belvedere and Tiburon, but Belvedere-Tiburon never leaves you. Paige Peterson discovered that when she moved to New York City. For many years now, she has visited Belvedere, where she stays with her mother in the house her grandfather built on the Belvedere Lagoon.Paige and her sister packed sandwiches in paper bags and rode off on their bikes to explore the Tiburon Peninsula. Swimming, sailing, hiking, clamming, daredevil bike riding-their day was a long, unsupervised adventure. There was no interaction with parents until the Tiburon Fire Department blew the 4:30 whistle, signaling that it was time to head home. Her family's photographs confirm the story of fit, sun-kissed kids enjoying a charmed, idyllic childhood.Dave Gotz, the Archivist for the Belvedere-Tiburon Landmarks Society, deepens that personal story with archival photographs. His captions reveal his extensive knowledge of Tiburon Peninsula history: Mexican Ranchos, Portuguese dairymen, the many changes on Beach Road, Main Street, the Lagoon and the Cove, the importance of the railroad.Along the way, Paige and Dave showcase some of the area's remarkable characters. Tiburon's Goat Lady, who so loved nature that she donated her land for open space. Blackie the horse. The artists who lived on West Shore and created a bohemian colony. And the residents of Belvedere and Tiburon who, again and again, rallied to protect open land and the special charm of their towns.Taken together, Paige's cinematic stories and Paige and Dave's curated images and capsule histories deliver an authoritative portrait of a historically diverse community.

**Belvedere** Aubrey Mayes,2017-07-22 Simone Belvedere never expected to find himself capable of finding and sustaining love while living a life dedicated to organized crime. After working his way up from an orphaned teenage debt collector to a thirty-two year old Underboss, Don Libera's only Lieutenant is caught uncharacteristically off guard by Estelle Presswood- an accepting and unafraid librarian that shares his unrequited love for literature. They bond over their favorite Shakespeare, and as Estelle helps Simone find a way to move beyond his fears, she becomes his first lover- and his only love.

Tiburon and Belvedere Branwell Fanning,2010-12-06 Tiburon and Belvedere share the same spectacular peninsula jutting into San Francisco Bay from Marin County, California. With water on three sides, fabulous views everywhere, and San Francisco a 30-minute ferry ride away, these two communities have become highly desirable places to live. Historian Branwell Fanning, twice mayor of Tiburon, using his own collection and the archives of the Belvedere/Tiburon Landmarks Society, describes the areas transition from dairy ranches, railroad yards, military bases, and cod fisheries, to charming villages filled with homeowners.

**Belvedere** David Allen,2012-07 Dear readers, What can I tell you about Belvedere? He's an old soul and an honest man. He knows the hardships of the world better than most, and he's watched it deteriorate for years. Now he stands to defend it, and in this dark time he calls upon you for help. He asks that you read these pages with an open mind and heart. He's sacrificed everything to bring you this information, and there will be many more sacrifices to come. This book may have been labeled as fiction, but only to protect its true nature. What you are about to read is very real. There are many forces that will stop at nothing to keep him silent. A war is upon us now, and Belvedere's time is limited. Belvedere has begun a quest to expose a very dangerous and problematic truth; one that can potentially determine our fate. For his own safety, his identity remains a mystery, but in order to secure the preservation of our world, Belvedere must put himself in grave danger to uncover this truth. In a race against time, he'll protect the one thing that he wants to see destroyed more than anything else: a mystical medallion that has devastated his own life, and also the lives of everyone he's ever cherished. This medallion is the only thing that stands between our salvation and extinction. If it falls into the hands of our enemies, they will wield the power to eradicate our species. He's offering these pages to you as a means to prepare you for the battle ahead. As you read, you'll learn the secrets of the medallion, but also why those secrets must be kept safe. The time for retribution is at hand, and the time to lead is now. - A friend

*Belvedere* Aubrey Mayes,2018-07-22 Join Simone and Estelle on their new soul-defining journey through organized crime, heartache, and mystery. No one's life in the Libera Organization will be the same after this battle. Some have nothing to lose, and yet, everything and everyone is fair game.

**The Belvedere Legacy** Marjorie Estes,2010-09 This is the story of a house that enchants those who enter its doors. Where love, passion and deceit are born. In South-Eastern England, this beautiful country Tudor mansion is haven to the Chandler family, whose lives are shattered by two wars - World War I & World War II. A Saga of two brothers: Gavin, inspired by love of his country enlists in the Great War. And Charles, whose enduring passion for his home is driven to deception. Pulled in different directions by inescapable forces - a fortune coveted, a brother betrayed. Who will possess the Belvedere Legacy?

**Belvedere** Aubrey Mayes,2019-09-02 All four pieces of the Belvedere: Pyrrhic Saga in one volume! Volume. 1Join Simone and Estelle on their new soul-defining journey through organized crime, heartache, and mystery. No one's life in the Libera Organization will be the same after this battle. Some have nothing to lose, and yet, everything and everyone is fair game.Volume 2As the burden of the Libera Organization is placed onto Simone's shoulders, every facet of his being is suddenly on display, blending into a single tumultuous cocktail. The Pyrrhic sage continues as Simone must decide not only what he's capable of handling, but who all is accompanying him along the ride, and whose loyalty is there to stay. This is an equal time for birth, growth, and destruction, and the line between family and business is irrevocably blurred.Volume 3Rebounding from the attack on their leader, Simone continues to lead the organization through the months of chaos left in the bullet's wake. A new Soldier has been Made, and a new Capo is taking her rightful place. No one is sure if this is a time of new beginnings or a time of stalemates, be it in love or organized crime. As new betrayals come to light, the difference between friend and foe becomes nearly indistinguishable.Volume 4Previously in the Pyrrhic Saga, Jim Duvall had left his mark splattered in blood across the Libera Organization. As Libera returns to his steady routine and brings a veil of stability back to their lives, the impending question of Duvall's next victim infects everyone's minds. The answer, however, is far more heartbreaking than Simone could ever prepare himself for. Multiple lives will be left hanging in the balance, and very little is as it seems. All must learn to fight their inner demons and to pay the consequences of losing that battle

**An Unexplained Death** Mikita Brottman,2018-11-06 An Unexplained Death is an obsessive investigation into a mysterious death at the

Belvedere—a once-grand hotel—and a poignant, gripping meditation on suicide and voyeurism “The poster is new. I notice it right away, taped to a utility pole. Beneath the word ‘Missing,’ printed in a bold, high-impact font, are two sepia-toned photographs of a man dressed in a bow tie and tux.” Most people would keep walking. Maybe they’d pay a bit closer attention to the local news that evening. Mikita Brottman spent ten years sifting through the details of the missing man’s life and disappearance, and his purported suicide by jumping from the roof of her own apartment building, the Belvedere. As Brottman delves into the murky circumstances surrounding Rey Rivera’s death—which begins to look more and more like a murder—she contemplates the nature of and motives behind suicide, and uncovers a haunting pattern of guests at the Belvedere, when it was still a historic hotel, taking their own lives on the premises. Finally, she fearlessly takes us to the edge of her own morbid curiosity and asks us to consider our own darker impulses and obsessions.

Belvedere-C Grant Lukenbill,Adrian Milton,2000-04 When Fire Island, New York is covered with fog, Belvedere appears to be rising out of the waters of the Great South Bay. This baroque guest house is the creation of John Eberhardt, scenic artist, master of trompe l'oeil, and self-taught architect and carpenter. Begun in 1957, Belvedere has grown from a few rooms into a labyrinth of artistic exuberance and high camp. His vision is of an endless creation. Now, Damron celebrates Eberhardt's life's work in lush, photographic detail with its release of Belvedere. This handsome book is filled with full-color images that take the reader on a private tour of Fire Island's legendary home.

**Lovis Corinth** Lovis Corinth,2009 The creator of an impressive and vibrant body of work, Lovis Corinth was one of the most renowned German artists of his time. He was prolific, creating more than 1,000 paintings in many genres including allegorical scenes, mythological and religious themes, still lifes, interiors, landscapes, self-portraits and portraits, dozens of which featured his beloved wife. A sensualist in his life and work, Corinth's paintings seem to embody an unbridled attack on the canvas. Corinth suffered a debilitating stroke in middle-age believed to have been brought on in part by his libertine lifestyle, but the ensuing paralysis did nothing to curtail his impressive output and instead only served to strengthen the vitality of his work. This book discusses the most significant events and works in Corinth's career and reproduces a representative sample of his art. An essay by neurologist Hansjorg Bazner explores the effects of Corinth's stroke on the artist's visual perception and the resulting consequences for his art. Including a chapter on the key works in the collection of the Belvedere Museum in Vienna, an essay discussing Corinth's technique and a brief biographical overview, this volume is an exciting contribution to the study of this important artist.
