**Misrecognitions** Ben Parker, 2024-03-15 *Misrecognitions* mounts a vigorous defense of the labyrinthine plotting of Victorian novels, notorious for their implausible concluding revelations and coincidences. Critics have long decried Victorian recognition scenes—the reunions and retroactive discoveries of identity that too conveniently bring the story to a close—as regrettable contrivances. Ben Parker counters this view by showing how these recognition scenes offer a critique of the social and economic misrecognitions at work in nineteenth-century capitalism. Through a meticulous analysis of novels by Charles Dickens, Anthony Trollope, and Henry James, as well as Arthur Conan Doyle's Sherlock Holmes stories, *Misrecognitions* tracks how the Victorian novel translates the financialized abstractions of capital into dramas of buried secrets and disguised relations. Drawing on Karl Marx's account of commodity fetishism and reification, Parker contends that, by configuring capital as an enigma to be unveiled, Victorian recognition scenes dramatize the inversions of agency and temporality that are repressed in capitalist production. In plotting capital as an agent of opacity and misdirection, Victorian novels and their characteristic dialectic of illusion and illumination reveal the plot hole in capitalism itself.

*Ben's Tale* Arnold Patrick Parker, 2008-08-14 With a different take on the life of Benedict Arnold, *Ben's Tale* reveals an epic story of greed and glory, family and friendship, treason and truthfulness. Told by a history buff who is also a London physician, the drama unfolds as the doctor gets an opportunity to treat—and befriend—the infamous general, and find out for himself whether Arnold's story is one of slanderous legend or an extraordinary man wrongly accused. The so-called traitor unmask his tale of woe—of jealous, ambitious founding fathers, doubts about the viability of the new nation and of his relationship with his beautiful wife, Peggy, and her role in facilitating his change of coat.

**Black Brother, Black Brother** Jewell Parker Rhodes, 2020-03-03 From award-winning and bestselling author, Jewell Parker Rhodes comes a powerful coming-of-age story about two brothers, one who presents as white, the other as black, and the complex ways in which they are forced to navigate the world, all while training for a fencing competition. Framed. Bullied. Disliked. But I know I can still be the best. Sometimes, 12-year-old Donte wishes he were invisible. As one of the few black boys at Middlefield Prep, most of the students don't look like him. They don't like him either. Dubbing him Black Brother, Donte's teachers and classmates make it clear they wish he were more like his lighter-skinned brother, Trey. When he's bullied and framed by the captain of the fencing team, King Alan, he's suspended from school and arrested. Terrified, searching for a place where he belongs, Donte joins a local youth center and meets former Olympic fencer Arden Jones. With Arden's help, he begins training as a competitive fencer, setting his sights on taking down the fencing team captain, no matter what. As Donte hones his

fencing skills and grows closer to achieving his goal, he learns the fight for justice is far from over. Now Donte must confront his bullies, racism, and the corrupt systems of power that led to his arrest. Powerful and emotionally gripping, *Black Brother, Black Brother* is a careful examination of the school-to-prison pipeline and follows one boy's fight against racism and his empowering path to finding his voice.
