*This Is Not a Book About Benedict Cumberbatch* Tabitha Carvan, 2022-05-31 Why We Can't Sleep meets Furiously Happy in this hilarious, heartfelt memoir about one woman's midlife obsession with Benedict Cumberbatch, and the liberating power of reclaiming our passions as we age, whatever they may be. Tabitha Carvan was a new mother, at home with two young children, when she fell for the actor Benedict Cumberbatch. You know the guy: strange name, alien face, made Sherlock so sexy that it became one of the most streamed shows in the world? The force of her fixation took everyone—especially Carvan herself—by surprise. But what she slowly realized was that her preoccupation was not about Benedict Cumberbatch at all, as dashing as he might be. It was about finally feeling passionate about something, anything, again at a point in her life when she had lost touch with her own identity and sense of self. In *This Is Not a Book About Benedict Cumberbatch*, Carvan explores what happens to women's desires after we leave adolescence...and why the space in our lives for pure, unadulterated joy is squeezed ever smaller as we age. She shines a light onto the hidden corners of fandom, from the passion of the online communities to the profound real-world connections forged between Cumberbatch devotees. But more importantly, she asks: what happens if we simply decide to follow our interests like we used to—unabashedly, audaciously, shamelessly? After all, Carvan realizes, there's true, untapped power in finding your "thing" (even if that thing happens to be a British-born Marvel superhero) and loving it like your life depends on it.

**Benedict Cumberbatch - The Biography** Justin Lewis, 2015-04-02 Benedict Cumberbatch has played detective and monster, barrister and scientist, politician and painter, comic and spy. Still only in his thirties, he has become one of Britain's foremost acting talents, excelling in theatre, television, radio and cinema. With a string of starring and supporting roles, he has portrayed contemporary

icons, historical figures and fictional favourites, from Stephen Hawking, to William Pitt the Younger, to Frankenstein. He has become a radio comedy staple too, as the bungling airline pilot Captain Martin Crieff, in Radio 4's Cabin Pressure. But inevitably, he is still best known for his idiosyncratic and boldly 21st century incarnation of Sherlock Holmes in the BBC TV series, Sherlock. In this book, Justin Lewis traces Benedict Cumberbatch's career to date, from his early promise in Harrow School plays, through his first supporting roles in film, theatre and TV, to national and international acclaim. He examines his considerable contributions not only to Sherlock, but also to Sir Tom Stoppard's adaptation of Parade's End on television, and to feature films such as Tinker, Tailor, Soldier, Spy, Star Trek Into Darkness and War Horse.

*Benedict Cumberbatch - The Biography* Justin Lewis, 2015-04-02 This is the story of Benedict Cumberbatch, still only in his thirties, and one of Britain's foremost acting talents, excelling in theatre, television, radio and cinema.

Benedict Cumberbatch, In Transition Lynnette Porter, 2013-03-06 Tinker Tailor Soldier Spy, War Horse, Star Trek: Into Darkness, The Hobbit trilogy, Twelve Years a Slave, August: Osage County, The Fifth Estate; Hedda Gabler, After the Dance, Frankenstein; Hawking, To the Ends of the Earth, The Last Enemy, Parade's End, and, of course, Sherlock. For most actors, these stellar cinematic, theatrical, and television events would be the highlights of a lifetime's work. On Benedict Cumberbatch's résumé they are only a few of many entries. Especially since 2010, his performances have garnered a plethora of best actor awards, both in the theatre (Evening Standard Theatre Award, Critics Circle Theatre Award, and Olivier Award), by playing the dual roles of Victor Frankenstein and the Creature in the National Theatre's Frankenstein, and on television (Broadcasting Press Guild Award, Critics Choice Television Award, Crime Thriller Award, and TV Choice Award), by starring as

the titular Holmes in the BBC's Sherlock. Add these and other recent accolades to nearly a decade's nominations and awards (such as the Golden Nymph as best actor in *Hawking*), and it's easy to see why Benedict Cumberbatch is often hailed as the actor of his generation. Cumberbatch's body of work further includes indie films, radio plays and series, television documentaries, live dramatic readings, multimedia advertisements, and even the occasional stint as a fashion model. He often shares an intriguing perspective on his profession, as evidenced in sometimes controversial interviews. He has become so much in demand that online box offices crash when tickets for his performances go on sale, and, before a Cheltenham Literature Festival Q&A session, fans overwhelmed Twitter when so many responded immediately to a call for questions. Cumberbatch consistently is a top name on lists ranging from sex appeal to global influence. In 2012 he beat David Beckham in the former and U.S. President Barack Obama in the latter. Increasingly, part of Cumberbatch's job involves the role of celebrity. Benedict Cumberbatch is at a pivotal point in his profession, and his career trajectory especially as documented in entertainment media permits a closer examination of just what it means to be a celebrity or star in Britain or the U.S. and how an actor may be perceived very differently in London or Hollywood. This performance biography is an analysis of a man in transition from working actor to multimedia star, as well as the balance between actor and celebrity. It looks at what makes this actor so well suited to play one of popular culture's iconic characters, Sherlock Holmes, and how Sherlock is so well suited to propel Cumberbatch toward greater global fame.

**Being Benedict Cumberbatch** Joanna Benecke, 2014-07-01 His fans regularly discuss whether he looks more like 'an otter' or 'a hammerhead shark', but that hasn't stopped Benedict Cumberbatch becoming an international sex symbol who's on the cusp of Hollywood superstardom. He's made 'geekelligence' hot in the insanely popular BBC series *Sherlock*, and explored his dark side in

blockbusters like *Star Trek: Into Darkness* and the *Hobbit* trilogy. Along the way he's won the hearts, minds and Twitter accounts of an alarmingly enthusiastic global fan base. Illustrated throughout with full colour photographs, *Cumberlicious* is an essential guide to the man at the centre of the Cumberverse

*Benedict Cumberbatch: Transition Completed* Lynnette Porter, 2014-11-21 *Star Trek: Into Darkness*, *The Fifth Estate*, *12 Years a Slave*, *August: Osage County*, *The Hobbit: The Desolation of Smaug*—these would be milestones in most actors' entire career. For Benedict Cumberbatch, roles in these films are merely a year's additions to his already-vast resume. 2013 proved to be the final step in Cumberbatch's transition from respected working actor to bona fide worldwide celebrity and recipient of BAFTA Los Angeles' Britannia Award for British Artist of the Year. Like its predecessor, *Benedict Cumberbatch, In Transition* (MX Publishing, 2013), *Benedict Cumberbatch, Transition Completed: Films, Fame, Fans* explores the nature of Cumberbatch's fame and fandom while analysing his most recent roles. This in-depth performance biography does more than critique the actor's radio, stage, film, and television performances—especially his star turn in the long-awaited yet controversial third series of *Sherlock*. It also analyses how and why the actor's work is so memorable in each role, a perspective unique to this performance biography. Cumberbatch's role in popular culture, as much as his acting in multiple media, is well worth such scrutiny to illustrate that Benedict Cumberbatch represents both the best of acting and of the power of celebrity.

*Benedict Cumberbatch* Nigel Goodall, 2015-07 Benedict Cumberbatch is an award-winning actor with a bright future. His portrayal of Sherlock Holmes and his role as the main antagonist in *Star Trek Into Darkness* have made him one of the biggest names in acting at the moment.

*Benedict Cumberbatch: London and Hollywood* Lynnette Porter, 2016-11-23 Benedict

Cumberbatch's career is built to last. From his early success as a working actor through his dynamic trajectory to international star, Cumberbatch continues to be one of the best thespians of his generation. Those who know Cumberbatch primarily because of his award-winning star turn as Sherlock Holmes in the BBC's Sherlock know only a fraction of the actor's noteworthy professional history, including such critically acclaimed roles as, on television, Hawking, Small Island, To the Ends of the Earth, Parade's End, and The Hollow Crown; on stage, Hedda Gabler, After the Dance, Frankenstein, and Hamlet; on radio, Cabin Pressure and Neverwhere; and on film, Atonement, War Horse, Star Trek: Into Darkness, and The Imitation Game. Whether starring on television, stage, or radio in home base London or filming a Hollywood production, Benedict Cumberbatch continues to choose interesting roles that cement his A-list status. His career is not without occasional controversy, but, like those he admires most in London or Hollywood, he has become savvy about the entertainment industry. How to Stop Time Matt Haig,2018-02-06 From the New York Times bestselling author of The Midnight Library. "A quirky romcom dusted with philosophical observations....A delightfully witty...poignant novel." —The Washington Post "She smiled a soft, troubled smile and I felt the whole world slipping away, and I wanted to slip with it, to go wherever she was going... I had existed whole years without her, but that was all it had been. An existence. A book with no words." Tom Hazard has just moved back to London, his old home, to settle down and become a high school history teacher. And on his first day at school, he meets a captivating French teacher at his school who seems fascinated by him. But Tom has a dangerous secret. He may look like an ordinary 41-year-old, but

owing to a rare condition, he's been alive for centuries. Tom has lived history--performing with Shakespeare, exploring the high seas with Captain Cook, and sharing cocktails with Fitzgerald. Now, he just wants an ordinary life. Unfortunately for Tom, the Albatross Society, the secretive group which protects people like Tom, has one rule: Never fall in love. As painful memories of his past and the erratic behavior of the Society's watchful leader threaten to derail his new life and romance, the one thing he can't have just happens to be the one thing that might save him. Tom will have to decide once and for all whether to remain stuck in the past, or finally begin living in the present. How to Stop Time tells a love story across the ages—and for the ages—about a man lost in time, the woman who could save him, and the lifetimes it can take to learn how to live. It is a bighearted, wildly original novel about losing and finding yourself, the inevitability of change, and how with enough time to learn, we just might find happiness. Soon to be a major motion picture starring Benedict Cumberbatch.

**The War Magician** David Fisher,2023-04-18 Based on an extraordinary true story and soon to be a major film produced by and starring Benedict Cumberbatch, The War Magician is the remarkable tale of the man who used the powers of illusion to fight the Nazis—and created the most remarkable feat of legerdemain since the Trojan Horse. How an Illusionist Changed the Course of World War II When England went to war against Hitler in 1939, it mobilized its entire military and industrial resources. But there was no place in that vast army for legendary stage magician Jasper Maskelyne, whose family was renowned for creating modern theatrical illusions. Maskelyne was determined to fight the Nazis using his only weapon: he intended to apply the techniques of popular magic to the battlefield. Initially ignored and ridiculed by the staid military leadership, he eventually cajoled his way into the Camouflage Section and was sent to the western desert, where he created a new type of warfare. With his small group of artists, the Magic Gang, Maskelyne designed and developed ingenious weapons, then tricked the Desert Fox, General Rommel, and his fabled Afrika Korps into believing there were tanks and battleships where there were none, concealed the Suez Canal, and even successfully “moved” Alexandria harbor. But it required all his skills to pull off perhaps the largest and most complex magic trick in history. As General Bernard Montgomery told Maskelyne on the eve of the Battle of El Alamein, “The entire war will turn on what happens here. What I am about

to ask you to do is impossible. It can't be done, but it must be done. I hope you've brought your magic wand with you." This is the fact-based story of the illusion that won the war in the desert.
