**Music, Business and Peacebuilding** Constance Cook Glen,Timothy L. Fort,2021-12-21 Business schools are placing more emphasis on the role of business in society. Top business school accreditors are shifting to mandating that schools teach their students about the social impact of business, including AACSB standards to require the incorporation of business impact on society into all elements of accredited institutions. Researchers are also increasingly focused on issues related to sustainability, but in particular to business and peace as a field. A strong strain of scholarship argues that ethics is nurtured by emotions and through aesthetic quests for moral excellence. The arts (and music as shown specifically in this book) can be a resource to nudge positive emotions in the direction toward ethical behavior and, logically, then toward peace. Business provides a model for positive interactions that not only foster long-term successful business but also incrementally influences society. This book provides an opportunity for integration and recognition of how music (and other art forms) can further encourage business toward the direction of peace while business provides a platform for the dissemination and modeling of the positive capabilities of music toward the aims of peace in the world today. The primary market for this book is the academic audience. Unlike many other academic books, however, the interdisciplinary nature of the book allows for multiple academic audiences. Thus, this book reaches into schools of music, business, political science, film studies, sports and society studies, the humanities, ethics and, of course, peace studies.

**WILDE NOW** Pierpaolo Martino,2023-05-08 WILDE NOWreads Oscar Wilde through our now, through a contemporary sensibility (and approach), in which literature and popular culture interrogate and are interrogated by critical concepts and categories such as performance, celebrity, intermediality, and consumerism. This volume exceeds the shape and meaning of a critical study to turn into a drama of five different acts/moments in Wilde's life and work: his early performances in Dublin, London and Oxford; the 1882 American tour; his successful season of the first half of the 1890s, his prison years and finally his glorious resurrection in contemporary pop culture. Most importantly WILDE NOW approaches these moments through contemporary rewritings and performances of "Oscar Wilde" in the fields of cinema, music and literature by such artists as Al Pacino, Rupert Everett, Stephen Fry, Gyles Brandreth, David Hare, David Bowie, Morrissey, Nick Cave, Neil Tennant, Gavin Friday. These artists - through their awareness of the importance of being/playing Oscar in their specific worlds and cultural contexts - will also show us that Wilde can be conceived as a subversive, critical role one might successfully perform and appropriate, now more than ever.

Music and Translation Lucile Desblache,2019-06-04 This book explores how transformations and translations shape musical meanings, developments and the perception of music across cultures. Starting with the concept of music as multimodal text, the author understands translation as the process of transferring a text from one language - verbal or not - into another, interlingually, intralingually or intersemiotically, as well as the products that are derived from this process. She situates music and translation within their contemporary global context, examining the tensions between local and global, cosmopolitan and national, and universal and specific settings, to arrive at a celebration of the translational power of music and an in-depth study of how musical texts are translated. This book will be of interest to translation studies scholars who want to broaden their horizons, as well as to musicians and music scholars seeking to understand how cultural exchange and dissemination can be driven by translation.

*Bittersweet (Oprah's Book Club)* Susan Cain,2023-06-20 #1 NEW YORK TIMES BESTSELLER • OPRAH'S BOOK CLUB PICK • The author of the bestselling phenomenon *Quiet* explores the power of the bittersweet personality, revealing a misunderstood side of mental health and creativity while offering a roadmap to facing heartbreak in order to live life to the fullest. "Bittersweet has the power to transform the way you see your life and the world."—OPRAH "Grabs you by the heart and doesn't let go."—BRENÉ BROWN, author of *Atlas of the Heart* "Susan Cain has described and validated my existence once again!"—GLENNON DOYLE, author of *Untamed* "The perfect cure for toxic positivity."—ADAM GRANT, author of *Think Again* LONGLISTED FOR THE PORCHLIGHT BUSINESS BOOK AWARD • ONE OF THE BEST BOOKS OF THE YEAR: The Wall Street Journal, Mashable Bittersweetness is a tendency to states of longing, poignancy, and sorrow; an acute awareness of passing time; and a curiously piercing joy at the beauty of the world. It recognizes that light and dark, birth and death—bitter and sweet—are forever paired. If you've ever wondered why you like sad music . . . If you find comfort or inspiration in a rainy day . . . If you react intensely to music, art, nature, and beauty . . . Then you probably identify with the bittersweet state of mind. With *Quiet*, Susan Cain urged our society to cultivate space for the undervalued, indispensable introverts among us, thereby revealing an untapped power hidden in plain sight. Now she employs the same mix of research, storytelling, and memoir to explore why we experience sorrow and longing, and how embracing the bittersweetness at the heart of life is the true path to creativity, connection, and transcendence. Cain shows how a bittersweet state of mind is the quiet force that helps us transcend our personal and collective pain, whether from a death or breakup, addiction or illness. If we don't acknowledge our own heartache, she says, we can end up inflicting it on others via abuse,

domination, or neglect. But if we realize that all humans know—or will know—loss and suffering, we can turn toward one another. At a time of profound discord and personal anxiety, Bittersweet brings us together in deep and unexpected ways.

**Meanings as Species** Mark Richard,2019 Mark Richard presents an original theory of meaning, as the collection of assumptions speakers make in using it and expect their hearers to recognize as being made. Meaning is spread across a population, inherited by each new generation of speakers from the last, and evolving through the interactions of speakers with their environment.

**Went to London, Took the Dog: A Diary** Nina Stibbe,2023-11-02 'Painfully funny, but also deeply moving' - Meg Mason 'Vulnerable, sharp, funny, wise' - Bonnie Garmus 'A unique comic voice, endlessly funny' - David Nicholls Twenty years after leaving London, Nina Stibbe is back in town with her dog, Peggy. Together they take up lodging in the house of writer Deborah (Debby) Moggach in Camden for 'a year-long sabbatical'. It's a break from married life back in Cornwall, or even perhaps a fresh start altogether. Debby does not have many demands - only to water the garden, watch for toads, and defrost the odd pie - so Nina is free to explore the city she once called home. Between scrutinising her son's online dating developments, navigating the politics of the local pool, and taking detergent advice at the laundrette, this diary of a sixty-year-old runaway reunites us with the inimitable voice of Love, Nina, as the writer becomes, as she puts it, 'a proper adult' at last. As heard on BBC Radio 4's Woman's Hour 'An utter, UTTER treat! It was like spending time with my most clever, insightful, funny, FUNNY friend' - Marian Keyes 'No one writes heartbreak more hilariously, or hilarity more heartbreakingly' - Katherine Heiny 'So sharp and funny, blissfully gossipy, enviably well-observed . . . I loved it' - India Knight

*The Life of Blur* Martin Power,2018-06-14 As with most great bands, it is difficult to remember a time when Blur weren't a part of Britain's rich musical landscape. From art-rock origins they went on to make four multi-platinum number one albums and produced some of the finest songs of the modern era: End of A Century, Girls And Boys, Parklife, Song 2, Beetlebum... And it might not be over yet! The Life Of Blur charts their story from shaky beginnings through to the full-blown superstardom of Parklife, The Great Escape and beyond. At the heart of this tale is the complex, sometimes explosive relationship between Blur's four founding members: Damon Albarn, Graham Coxon, Dave Rowntree and Alex James. A rich soup of relentless ambition, dogged persistence, fraying tempers and a million clanging champagne bottles, the emotional chemistry that makes up Blur has been just as interesting to watch as the songs the band have produced. Author Martin Power has talked with band's former managers, fellow musicians, old school teachers and close friends to shed new light on a group once called "the most intelligent, enduring and credible band to emerge from the Nineties". With a concise critical commentary on their music, rare photographs and a complete discography, as well as shedding new light on the group's various solo activities - including Damon Albarn's Gorillaz and Graham Coxon's one-man assault on the indie charts - this is the definitive account of Blur's epic journey.

With songs and searing honesty, Shuck 'n' Jive is the laugh-out-loud story of two friends trying to break out of racist typecasting and create a story for themselves.
