Berserker Saberhagen, Fred, 2020-01-10 Long ago, in a distant part of the galaxy, two alien races met—and fought a war of mutual extinction. The sole legacy of that war was the weapon that ended it: the death machines, the BERSERKERS. Guided by self-aware computers more intelligent than any human, these world-sized battle craft carved a swath of death through the galaxy—until they arrived at the outskirts of the fledgling Empire of Man. These are the stories of the frail creatures who must meet this monstrous and implacable enemy—and who, by fighting it to a standstill, become the saviors of all living things. This is Saberhagen's classic book length collection of the first eleven Berserker stories. Meet Berserker hunter extraordinaire Johann Karlsen, his evil brother Felipe Nogara, The Third Historian of the Carpan Race, gallant fighters of the killer machines and the deranged killer machine, Mr. Jester.

BRZRKR #1 Keanu Reeves, Matt Kindt, 2021-03-03 The man known only as Berzerker is half-mortal and half-God, cursed and compelled to violence...even at the sacrifice of his sanity. But after wandering the world for centuries, Berzerker may have finally found a refuge – working for the U.S. government to fight the battles too violent and too dangerous for anyone else. In exchange, Berzerker will be granted the one thing he desires – the truth about his endless blood-soaked existence...and how to end it.

The Myths and Realities of the Viking Berserkr Roderick Dale, 2021-12-24 The viking berserkr is an iconic warrior normally associated with violent fits of temper and the notorious berserksgangr or berserker frenzy. This book challenges the orthodox view that these men went 'berserk' in the modern English sense of the word. It examines all the evidence for medieval perceptions of berserkir and builds a model of how the medieval audience would have viewed them. Then, it extrapolates a Viking Age model of berserkir from this model, and supports the analysis with anthropological and archaeological evidence, to create a new and more accurate paradigm of the Viking Age berserkr and his place in society. This shows that berserkir were the champions of lords and kings, members of the social elite, and that much of what is believed about them is based on 17th-century and later scholarship and mythologizing: the medieval audience would have had a very different understanding of the Old Norse berserkr from that which people have now. The book sets out a challenge to rethink and reframe our perceptions of the past in a way that is less influenced by our own modern ideas. The Myths and Realities of the Viking berserkr will appeal to researchers and students alike studying the Viking Age, Medieval History and Old Norse Literature.

Berserk Style in American Culture K. Farrell, 2011-08-01 Focusing on post-Vietnam America, using perspectives from psychology, anthropology, and physiology, this book demonstrates the need for criticism to unpack the confusions in language and cultural fantasy that drive the nation's fascination with the berserk style.

Berzerker J. M. Dabney, 2017-09-15 Welcome to Twirled World Ink where the crazies run the asylum. The hum of a tattoo machine was Brian Berzerker Anderson's favorite sound in the world. He'd won a coveted spot at Twirled World Ink with a legend in the business, Gib Phelps. Creating beauty with his large, scarred hands was his happy place—the place where he fit in the world. Although, nothing could remain perfect forever, his boyfriend of over a year decided to move on and up without him in tow. He had two choices, return to living with his friends and co-workers or take an offer too tempting to pass up. Landon Phelps grew up in an unconventional home as the only child to Legendary Tattoo Artist Gib Phelps and mother, Peaches. He always felt a bit out of place when he became a boring accountant instead of following in his parents' footsteps. Boundaries were in place early on; he didn't date the employees of Twirled World Ink. Sometimes rules were meant to be broken. Berzerker was his idea of perfection, large, husky and tattooed; the thick, grab-worthy beard was a bonus. So when the boyfriend became the ex, Landon decided it was time to get his man. With the help of the matchmaking Twirled Crew, can Landon finally get Berzerker to see him as more than a friend and the employer's son?

Berserker Kitty Thomas, 2021-10-11 I have a special power: the ability to calm a berserker, but I've been warned never to use it. My mother said: "If you see a berserker in a rage... not your monkeys, not your circus. Get the hell away. They're too dangerous, and you'll lose your freedom." But the thing is... we're flying 30,000 feet in the air in a speeding aluminum cage, and there's a berserker raging out in the aisle beside me. Security won't be able to hold him. They won't be strong enough. They have no idea what they're dealing with. And if he gets a taste of blood, he's going to rampage through the entire plane leaving a path of death and destruction, including me. I've never used my power before. I'm afraid it won't work and he'll turn on me, but I know all too well what these beasts are capable of. There's nowhere to go, and he's just getting started. I have one option: Calm him, and hope I can escape when the plane lands. This is a standalone. No cliffhangers. HEA Guaranteed.
