The Apparition Dominic A. Bianco,Jhanelle Miller,2013-11 Eighteen year old Angelo Drake has always yearned for a different life, a better life. Being surrounded by greatness in the form of his family and friends leads Angelo to feel that he is merely and utterly average. But one fateful night, everything changes. Angelo must come to terms with the fact that he is now the one people look to, the one who is in charge of the safety of an entire city, a masked vigilante stalking the rooftops of Pittsburgh, Pennsylvania. The Apparition is a thrill ride for all ages. There's only one thing Angelo must ask himself...Does he have what it takes to 'be a hero.'

Nuns Behaving Badly Craig A. Monson,2010-11-15 Witchcraft. Arson. Going AWOL. Some nuns in sixteenth- and seventeenth-century Italy strayed far from the paradigms of monastic life. Cloistered in convents, subjected to stifling hierarchy, repressed, and occasionally persecuted by their male superiors, these women circumvented authority in sometimes extraordinary ways. But tales of their transgressions have long been buried in the Vatican Secret Archive. That is, until now. In *Nuns Behaving Badly*, Craig A. Monson resurrects forgotten tales and restores to life the long-silent voices of these cloistered heroines. Here we meet nuns who dared speak out about physical assault and sexual impropriety (some real, some imagined). Others were only guilty of misjudgment or defacing valuable artwork that offended their sensibilities. But what unites the women and their stories is the challenges they faced: these were women trying to find their way within the Catholicism of their day and through the strict limits it imposed on them. Monson introduces us to women who were occasionally desperate to flee cloistered life, as when an entire community conspired to torch their convent and be set free. But more often, he shows us nuns just trying to live their lives. When they were crossed—by powerful priests who claimed to know what was best for them—bad behavior could escalate from mere troublemaking to open confrontation. In resurrecting these long-forgotten tales and trials, Monson also draws attention to the predicament of modern religious women, whose “misbehavior”—seeking ordination as priests or refusing to give up their endowments to pay for priestly wrongdoing in their own archdioceses—continues even today. The nuns of early modern Italy, Monson shows, set the standard for religious transgression in their own age—and beyond.
