Biba's Taste of Italy Biba Caggiano,2001-03-20 There has not been one single day since I have left Bologna in 1960 that I have not yearned for and lusted after the food of Emilia-Romagna. That food is part of my heritage and culture. After twenty-five years of cooking professionally, I can truly say that the food of my region has been a constant source of inspiration in all I have done. Join author, cooking show host, and restaurateur Biba Caggiano on her journey back to her beloved region in Biba's Taste of Italy. Located in one of Italy's most prosperous northern regions, Emilia-Romagna has given the world a cuisine that is as luscious as it is refined: succulent seafood dishes from the Adriatic waters; hearty, long-simmered ragùs; and rich pasta shaped into tortellini, anolini, and lasagna. With Biba, discover the place that's home to so much of what we've come to love in Italian food: prosciutto di Parma, Modena's aged balsamic vinegar, mortadella, and perhaps the world's greatest cheese, Parmigiano-Reggiano. Featuring more than 250 recipes, from antipasti to desserts, Biba introduces the vibrant food of her childhood: homestyle dishes and authentic recipes from humble trattorie and family-run restaurants. You'll learn how to make Tagliatelle with Bolognese Ragù; Eggplant Parmigiano that combines the salty-sweet flavors of Parma ham and Bolognese sausage; earthy, bread-thickened soups; Potato and Ricotta Gnocchi; and irresistible seafood risotto. Of course, the symbol Emilia-Romagna cooking -- stuffed pasta -- is here in all its glory with recipes for Ricotta and Goat Cheese Tortellini, Butternut Squash Tortellini, and Anolini in Broth, and so many more. From the region's coastal towns and villages, Biba shares the simply prepared seafood dishes of the local trattorie -- Clams with Garlic and Cile Pepper and Baked Halibut with Potatoes, plus the simple tastes of grilling shellfish with olive oil, lemon juice, and herbs. In the same rustic spirit, you will also find Roasted Stuffed Breast of Veal, Braised Veal Shanks, and succulent Breaded Lamb Chops. Biba's frequent family visits to Bologna evoke childhood memories of growing up in this food-lover's paradise, and reaffirms that the kitchen remains the heart and soul of Italian homes. Bib's Taste of Italy is more than a collection of recipes. It is also a travel guide with all the names and addresses of her favorite trattorie and restaurants where her favorite dishes can be found. Join Biba as she returns to Emilia-Romagna in Biba's Taste of Italy. It's a trip you will take again and again in your own kitchen.

Biba Alwyn W. Turner,2007 ***SPECIAL PRICE down from \$64.99 while stocks last*** Biba remains one of the most evocative names in British design history; it pioneered a new style, mixing the contemporary with Art Nouveau, Art Deco and the golden age of Hollywood, dressing itself in the richly luxuriant colours of a bygone time. This book showcases Biba clothing and much of the Biba memorabilia, merchandising and interior design, presenting an entire history of the company. 'Biba: The Biba Experience' centres on commissioned photographs of one of the largest collections of Biba in the world, put together by Pari, who has accumulated around 500 pieces of Biba fashion items and ephemera covering the entire history of the company. Everything from dresses and trouser suits through original sketches and patterns to playing cards and soap powder is represented Biba brought the cutting edge of couture to the masses. Brigitte Bardot, Yoko Ono and Princess Anne shopped there, whilst Sonny and Cher, Mick and Marianne, and David and Angie were regular visitors, but the store was never the exclusive preserve of the rich and famous: prices were kept deliberately low, and anyone who could tolerate the disdainful inefficiency of the staff was encouraged to soak up the glamour of a unique shopping experience. This lavishly illustrated and beautifully produced book is intended for those interested in the fashion and graphic design of the '60s and '70s, from a creative and historical standpoint, plus the huge number of people who remember Biba from the period with such affection. SELLING POINTS * Luxury paperback edition of a widely-praised bestseller, providing a stunning pictorial biography of an iconic British fashion label and store of the 60s and 70s * Keenly priced at £20.00 to reach an expanded audience of fashion and design fans REVIEWS 'A must-buy for anyone seeking inspiration or a gentle reminder of a creative legend' - Vogue 'All that a girl should know about fashion and style is in this book' - Elle Girl 200 colour & 50 b/w illustrations

Operating System Security Trent Jaeger,2008 Operating systems provide the fundamental mechanisms for securing computer processing. Since the 1960s, operating systems designers have explored how to build secure operating systems - operating systems whose mechanisms protect the system against a motivated adversary. Recently, the importance of ensuring such security has become a mainstream issue for all operating systems. In this book, we examine past research that outlines the requirements for a secure operating system and research that implements example systems that aim for such requirements. For system designs that aimed to satisfy these requirements, we see that the complexity of software systems often results in implementation challenges that we are still exploring to this day. However, if a system design does not aim for achieving the secure operating system requirements, then its security features fail to protect the system in a myriad of ways. We also study systems that have been retro-fit with secure operating system features after an initial deployment. In all cases, the conflict between function on one hand and security on the other leads to difficult choices and the potential for unwise compromises. From this book, we hope that systems designers and implementers will learn the requirements for operating systems that effectively enforce security and will better understand how to manage the balance between function and security.--BOOK JACKET.

Biba ,1993

From Biba's Italian Kitchen Biba Caggiano,1995-07-10 From Biba Caggiano Come all the rich, flavorful recipes and The warm good fun of her sensationally popular cooking show, Biba's Italian Kitchen, which has been called the most delightful cooking show on the air. Following a childhood spent in Bologna, and an adulthood in the bosom of an Italian family in New York, Biba Caggiano found herself in Sacramento, California, in 1968, unable to find the food that was familiar to her palate--and essential to her heritage. Working from memory, Biba recalled her roots and recreated authentic Italian flavor in this most American of cities, and quickly

became a local legend for her cooking classes and, ultimately for her famously delicious restaurant, Biba. Biba's fantastic, simple dishes represent what the Italians call la buona cucina casalinga--more commonly known as good home cooking--and are now available to all in From Biba's Italian Kitchen. Biba's foolproof method relies on the senses, not on the repetition of rigid recipes. Do the tomatoes at the market look particularly fresh? Then it's time to whip up a quick puttanesca sauce to top practically any pasta or meat dish. Are the porcini mushrooms especially eye-catching today? A tangy and woodsy sauce of porcini and tomatoes for. delicate spinach-ricotta gnocchi is just minutes away. Did a batch of walnuts just arrive from your aunt out West? Walnut pesto is the only proper reply. Biba trusts her (and your) impulses, and encourages a casual but committed approach to food, two hallmarks of la dolce vita, the sweet life that From Biba's Italian Kitchen promotes on every page. Biba starts with a staple of Italian cooking: the elegant, integral antipasti. Simple or sophisticated antipasti show the instruments of the Italian symphony tuning up before the first act. Gorgeous red bell peppers nestle with hunks of Italian bread and are topped by verdant parsley to make luscious bruschetta, plump little artichokes nuzzle with sun-dried tomatoes for sun-drenched carciofini all'olio; and fresh eggs with earthy potatoes and onions blend to create rustic fritatta di patate e cipolle. The harmony continues into the main dishes, a cavalcade of pasta, meat, and fish dishes that catch attention without disrupting a schedule. Prepare in haste and enjoy in leisure such delicacies as seafood cannelloni, delectably bitter pasta with broccoli rabe, succulent osso buco, veal shank with tomatoes and peas, or classic tagliatelle with sweet prosciutto and fresh tomatoes. A chapter on vegetable side dishes (whether grilled, sautéed, baked, stuffed, roasted, braised, or steamed) shows how primizie--the first, freshest produce of the season--bring the vegetable garden to the urban table. Complete sections on pizza (of course!), risotti, the light yet hearty dishes, made from Italian arborio rice, and polenta, the scrumptious cornmeal preparation that is the perfect foil to vegetable and meat alike, round out Biba's memorable tavola calda. And dessert! Italian desserts! Juicy fig and jam tart, sinful mascarpone-zabaglione mousse, juicy strawberries in red wine, and apple and amaretti cake serve as an elegant, graceful cadenza to the mellifluous meals in From Biba's Italian Kitchen. Striking every grace note, Biba conducts her culinary symphony, Biba conducts her culinary symphony with verve, and makes a maestro of every cook.

Modern Italian Cooking Biba Caggiano, 1991-12 Biba Caggiano has perfected the art of modern Italian cooking without sacrificing any of the sensuous pleasures associated with Italian cuisine. These 200 recipes, presented in simple, step-by-step instructions, feature fresh ingredients and lighter sauces. Includes a section on pastas that can be prepared in 20 minutes or less. Line drawings throughout.

The Last Boss of Brighton Douglas Century, 2022-07-05 Bestselling author Douglas Century reveals the untold story of the epic rise and fall of Boris Nayfeld, also known as Biba, one of the most notorious Russian mob bosses of our era. Boris Nayfeld, a.k.a. “Biba,” is the last living boss of the old-school Russian mob in America, and he’s survived to tell it all. Filled with sex, drugs, and murder, Biba’s story is a mind-boggling journey that took him from petty street crime in the USSR to billion-dollar embezzlement in America. Born in Soviet-era Belarus, abandoned by his parents in infancy, Biba’s brutal upbringing left him hungry for more—more power, control, and money. Taking advantage of the rampant corruption in the Soviet Union, Biba’s teenage hooliganism quickly turned into bolder “black cash” rackets, making him, by Soviet standards, a very rich young man. When authorities took notice and threatened him with “the supreme measure”— execution by firing squad—he managed to get out of the USSR just in time. Within months of landing in America, his intimidating presence and street smarts quickly made him legendary in the Soviet émigré community of Brighton Beach, Brooklyn, and launched him to the top of New York’s Russian Jewish mob, one of the world’s most inventive, powerful and violent criminal organizations. After decades as a globe-trotting boss, and three stints in U.S. federal prisons he remains unbroken and unrepentant, even as his entire life has unraveled around him. Now seventy-four years old, Biba is a lion in winter. Douglas Century vividly brings the notorious gangster to life in these pages, telling not only his epic journey but also the history of the Russian mob in America.

From A to Biba Barbara Hulanicki, 2007-06 Hulanicki tells the story of the rise and fall of the tiny, chaotic boutique that grew into a vast emporium and epitomised Swinging London. This lively autobiography evokes the adventurous spirit of the 1960s and describes an extraordinary life with clarity and wit.
