Big Bertha's 22 Or Big Bertha's Debut William Brown Doherty,1941*

Tiny Tim and Big Bertha Lori Milbrath,2021-10-19 Tiny Tim and Big Bertha, a family of mice, know that they need to find food for their family especially with winter coming. Their search for food comes with risks and dangers, especially the farm cat Jaws

42cm 'Big Bertha' and German Siege Artillery of World War I Marc Romanych,Martin Rupp,2014-01-20 In the early days of World War I, Germany unveiled a new weapon – the mobile 42cm (16.5 inch) M-Gerät howitzer. At the time, it was the largest artillery piece of its kind in the world and a closely guarded secret. When war broke out, two of the howitzers were rushed directly from the factory to Liege where they quickly destroyed two forts and compelled the fortress to surrender. After repeat performances at Namur, Maubeuge and Antwerp, German soldiers christened the howitzers 'Grosse' or 'Dicke Berta' (Fat or Big Bertha) after Bertha von Krupp, owner of the Krupp armament works that built the howitzers. The nickname was soon picked up by German press which triumphed the 42cm howitzers as Wunderwaffe (wonder weapons), and the legend of Big Bertha was born. This book details the design and development of German siege guns before and during World War I. Accompanying the text are many rare, never-before-published photographs of 'Big Bertha' and the other German siege guns. Colour illustrations depict the most important aspects of the German siege artillery.

Big Bertha and Little Mac Jim T. Lindsey,2020-09-25 “But his fear fell away and his ultimate belief in her was justified when the sun broke through the clouds at the horizon and turned everything they saw to gold, gold, gold . . .” Little Mac used to be known as Mac the Knife and his brain works hard to forget why. One night he finds himself dancing and the big woman in his arms turns out to be the one who makes him whole again. The one who makes his world speed up and slow down when it needs to. The one who gives him a daughter, the one who helps him remember and forget. Big Bertha makes sense when nothing else does. A rocky coastline known for its shipwrecks, a frigid sea, and overshadowing oblivion are pitted against a little band of warm hearts that don't know what it means to give up on each other—and don't intend to learn. Warm hearts that know where there is love there is selflessness. That there is courage through adversity. That there is ordinary magic and gentleness in living and a gentle fearlessness in death. Big Bertha and Little Mac: Love Stories from the Granite Coast slows the world down to the infectiousness of love that spreads over generations. This heartfelt, slow-moving story matched with stunning photography from the seacoast of Nova Scotia asks the question: what do you do when you have nothing to rely on but love?

Thanks Ely! Rich Overturf,2006 First of all, Ely Callaway was a formidable leader, somewhat like a military general who provided a high profile, daring example for his lieutenants to emulate. He avoided micro managing his staff to afford them the opportunity to excel, but he was in charge, assuredly, he was in charge. The book illustrates his leadership skills from the days of his youth and onward through three totally different but successful careers in the textile industry, the art of wine making, and his greatest triumph in forging the largest golf equipment company in the world. It is inevitable that the story concentrates on the Callaway Golf Company, since the firm exemplified the vision of a man dedicated to marshalling human and material assets to bring superior products to the market that consumers would clamor for. The reader will learn how Callaway creatively used marketing tools to satisfy consumers and retain brand name loyalty. But the book is also the tale of a man with human flaws. Anecdotes sprinkled throughout the book illustrate Callaway’s laudable personal activities and occasions when human shortcomings led to missteps in his life. Finally, the book has an international flavor. The reach of Callaway Golf Company spans the oceans, and reportage from overseas media sources has been extensive. Information from those sources has been included to disclose how Callaway Golf leadership has been viewed outside the USA.

Tiny Tim and Big Bertha: Trouble with Jaws Lori Milbrath,2022-08-17 Four mice children, wandering around the farm, happen upon a trap with a raccoon in it. Helping the raccoon is risky and dangerous, but he offers to help them in exchange for freedom.

Big Bertha Francis Ivey,2016-11-03 I started writing the 'Alaska Animal Tails' series to teach children and children at heart, about my home Alaska. I try to tell my stories from the animal's perspective and the lay of the land from their view. If you read a story of a Beaver, Bison, or Owl I would like you to feel as though you are the same as they are. My hope is when you finish reading my story you have learned something new you can keep.
