The Hobbit J. R. R. Tolkien,2009-04-20 This is the story of how a Baggins had an adventure, and found himself doing and saying things altogether unexpected... ‘A flawless masterpiece’ The Times

The Hobbit John Ronald Reuel Tolkien,2012-09-18 The adventures of the well-to-do hobbit, Bilbo Baggins, who lived happily in his comfortable home until a wandering wizard granted his wish.

The Hobbit John Ronald Reuel Tolkien,2012-09-18 Bilbo Baggins, a Hobbit, wanted to be left alone but a wizard and a band of homeless dwarves draw Bilbo into a quest where he confronts evil orcs, savage wolves, and the great dragon Smaug.

The Hobbit J.R.R. Tolkien,2012-02-15 This deluxe hardcover edition of J.R.R. Tolkien's classic prelude to his Lord of the Rings trilogy contains a short introduction by Christopher Tolkien, a reset text incorporating the most up-to-date corrections, and all of Tolkien's own drawings and full-color illustrations, including the rare “Mirkwood” piece. J.R.R. Tolkien's own description for the original edition: If you care for journeys there and back, out of the comfortable Western world, over the edge of the Wild, and home again, and can take an interest in a humble hero (blessed with a little wisdom and a little courage and considerable good luck), here is a record of such a journey and such a traveler. The period is the ancient time between the age of Faerie and the dominion of men, when the famous forest of Mirkwood was still standing, and the mountains were full of danger. In following the path of this humble adventurer, you will learn by the way (as he did) -- if you do not already know all about these things -- much about trolls, goblins, dwarves, and elves, and get some glimpses into the history and politics of a neglected but important period. For Mr. Bilbo Baggins visited various notable persons; conversed with the dragon, Smaug the Magnificent; and was present, rather unwillingly, at the Battle of the Five Armies. This is all the more remarkable, since he was a hobbit. Hobbits have hitherto been passed over in history and legend, perhaps because they as a rule preferred comfort to excitement. But this account, based on his personal memoirs, of the one exciting year in the otherwise quiet life of Mr. Baggins will give you a fair idea of the estimable people now (it is said) becoming rather rare. They do not like noise.

The Hobbit J.R.R. Tolkien,1986-07-12 The stirring adventure that begins The Lord of the Rings, the greatest fantasy epic of all time When Thorin Oakenshield and his band of dwarves embark upon a dangerous quest to reclaim the hoard of gold stolen from them by the evil dragon Smaug, Gandalf the wizard suggests an unlikely accomplice: Bilbo Baggins, an unassuming Hobbit dwelling in peaceful Hobbiton. Along the way, the company faces trolls, goblins, giant spiders, and worse. But as they journey from the wonders of Rivendell to the terrors of Mirkwood and beyond, Bilbo will find that there is more to him than anyone—himself included—ever dreamed. Unexpected qualities of courage and cunning, and a love of adventure, propel Bilbo toward his great destiny . . . a destiny that waits in the dark caverns beneath the Misty Mountains, where a twisted creature known as Gollum jealously guards a precious magic ring.

The Hobbit John Ronald Reuel Tolkien,1986-07-12 Bilbo Baggins, a respectable, well-to-do hobbit, lives comfortably in his hobbit-hole until the day the wandering wizard Gandalf chooses him to take part in an adventure from which he may never return.

Bilbo's Last Song J.R.R. Tolkien,2012-10-23 Bilbo's Last Song is considered by many to be Tolkien's epilogue to his classic work The Lord of the Rings. As Bilbo Baggins takes his final voyage to the Undying Lands, he must say goodbye to Middle-earth. Poignant and lyrical, the song is both a longing to set forth on his ultimate journey and a tender farewell to friends left behind. Pauline Baynes's jewel-like illustrations lushly depict both this final voyage and scenes from The Hobbit, as Bilbo remembers his first journey while he prepares for his last.

Tolkien--even if you're new to his classic stories--you'll love A Hobbit Devotional featuring 60 humorous, challenging, and encouraging devotionals. Soon to be a major motion picture, The Hobbit has fascinated readers for more than 70 years. Now, this tale of humble folk who overcome fear, discouragement, and despair through steadfastness, courage, and hope forms the basis of a brand-new devotional book. Each reading sketches a scene from The Hobbit, relates it to a contemporary life situation you might experience yourself, and brings in the teaching of a relevant Bible story or verse.

The Hobbit Illustrated by the Author J. R. R. Tolkien,2023-09-19 For the first time ever, a special enhanced edition of the enchanting prelude to The Lord of the Rings, illustrated throughout with over 50 sketches, drawings, paintings and maps by J.R.R. Tolkien himself. Bilbo Baggins is a hobbit who enjoys a comfortable, unambitious life, rarely travelling further than the pantry of his hobbit-hole in Bag End. But his contentment is disturbed when the wizard, Gandalf, and a company of thirteen dwarves arrive on his doorstep one day to whisk him away on an unexpected journey ‘there and back again.’ They have a plot to raid the treasure hoard of Smaug the Magnificent, a large and very dangerous dragon . . . Written for J.R.R. Tolkien's own children, The Hobbit was published on 21 September 1937. With a beautiful cover design, a handful of black & white drawings and two maps by the author himself, the book became an instant success and was reprinted shortly afterwards with five color plates. Tolkien's own selection of finished paintings and drawings have become inseparable from his text, adorning editions of The Hobbit for more than 85 years. But the published art has afforded only a glimpse of Tolkien's creative process, and many additional sketches, colored drawings and maps – although exhibited and published elsewhere – have never appeared within the pages of The Hobbit. In this unique enhanced edition of Tolkien's enchanting classic tale, the full panoply of his art is reproduced for the first time, presenting more than 50 illustrations to accompany Bilbo Baggins on his adventure ‘there and back again.’

The History of the Hobbit: Mr Baggins and Return to Bag-End John D. Rateliff,J. R. R. Tolkien,2011-11-24 This revised and updated examination of how J.R.R.Tolkien came to write his original masterpiece The Hobbit includes his complete unpublished draft version of the story, together with notes and illustrations by Tolkien himself.

Hobbit, The John Ronald Reuel Tolkien,Patricia Gray,1967

Bilbo's quest for identity and maturity in J.R.R. Tolkien's "The Hobbit" Katja Grasberger,2016-05-24 Bachelor Thesis from the year 2015 in the subject English Language and Literature Studies - Literature, grade: 1,7, University of Bonn (Anglistik), language: English, abstract: The following thesis aims at analysing Bilbo's quest for identity and maturation in J.R.R. Tolkiens “The Hobbit”. It has been said that “The Hobbit” not only offers a fantasy world but also deals with the human psyche. First of all, the theoretical and more general part will be explaining the hero's

journey, the Monomyth of Campbell, its quest-plot, establishing the basis for the later analysis of Bilbo’s character. In the third chapter Bilbo’s quest will be examined, investigating his character as it is intermingled between the Baggins and Tookish part of his family. It will be displayed how his two natures are at first rather opposing each other and how Bilbo develops so that they complement each other. Furthermore, the most important stages of his development are presented: the trolls, Gollum, the spiders in Mirkwood and finally Smaug. It will be shown how the first three stages are crucial turning points and prepare Bilbo for his final ordeal Smaug and how they shaped his character for the rest of the journey and the rest of his life. Furthermore, the causes of Bilbo’s development will be investigated focusing on what made him do the things he did and what makes him let go of his immature way of life. In addition, the thesis will focus on the back of the story, Bilbo’s homecoming, examining how Bilbo changed throughout his journey, what he learnt, what he achieved, and how he is coming to peace as a better and mature hobbit. In the end, all thoughts and ideas will be summed up and it will be critically looked back at what the thesis dealt with. The hero’s journey is not an unfamiliar theme of investigation in literature and always enjoyed a vast popularity. Campbell’s Monomyth is the major concept of this paper to explain how the hero’s character is shaped throughout his journey. Tolkien, as well as many before him, was influenced by Campbell’s idea. Campbell’s theory did not only influence literature but also film and comic, such as Star Wars and The Ultimate Spider-Man. Genuinely, the idea of myths is to convey moral values and provide moral instruction. The idea of the Monomyth cannot only be applied to a literary hero but also to any other human being. The quest of Bilbo Baggins will serve as an example of the hero’s journey in which many features of the Monomyth can be found. Moreover, the idea of the journey is made clear through Bilbo’s quest as he not only has to take physical hurdles but also psychological ones.
