Birdman Mo Hayder,2012-05-08 A serial killer stalks the streets of London in this “top-notch debut thriller”—the first Jack Caffery novel from the acclaimed author of *Gone* (Kirkus Reviews). In his first case as lead investigator with London’s murder squad, Det. Inspector Jack Caffery is called on to investigate the murder of a young woman whose body has been discovered near the Millennium Dome in Greenwich, southeast London. Mutilated beyond recognition, the victim is soon joined by four others discovered in the same area—all female and all ritualistically murdered. And when the postmortem examination reveals a gruesome signature connecting the victims, Caffery realizes exactly what he’s dealing with—a dangerous serial killer. A finalist for the Edgar Award, *Birdman* explores the darkest reaches of the human mind and introduces a fascinating detective to the world of British crime fiction. “Treading the grisly path blazed by Thomas Harris in 1981 with *Red Dragon*, promising newcomer Hayder crafts a blood-curdlingly creepy debut thriller.” —Publishers Weekly, starred review “A deftly plotted assault on the nerves . . . *Birdman* preys on the reader’s expectations expertly, and Hayder handles her story’s complicated time scheme with enviable assurance. Graphic, disturbing, splendidly readable.” —Kirkus Reviews

Birdman Jolene Babyak,1994 A genius? A scientist? A sociopath? Known to millions as the Birdman of Alcatraz, was he the earnest, warm-hearted bird doctor and writer of two books, as portrayed by Burt Lancaster in the 1962 film? Or was he a far more flamboyant and diabolical double-murderer, whose event-filled, tragicomic life converted a 12-year conviction into a 54-year death sentence? Meticulously researched, with never-before-published prison reports and Stroud's own writings, with quotes from prisoners, officers, psychologists and avian pathologists, *Birdman* explodes the myths surrounding Robert Stroud.--From publisher description.

You will experience the daily routine working at the mine including a near riot, rescuing a little Indian boy from a near tragic fall, the Treadwell Ghost, the fear of working with an incompetent hoist operator who dropped the cage on several occasions including once with volatile explosives. The Birdman's Daughter Cindi Myers,2012-05-15 As a wife and mother, Karen McBride wonders if she'll ever discover what her own spirit requires to feel whole. When her father, the formidable champion bird-watcher, Martin Engel, suffers a stroke, Karen rushes home to Texas to take care of the man who always seemed to have more love for winged creatures than his own family. And now here she is—her children nearly grown, and her rock-of-a-husband, Tom, angry with her for not giving more of herself. She has the feeling that if she could only connect with Martin, somehow her relationships would all make sense. Is this her last chance to soar free?

The Birdman's Wife Melissa Ashley,2016-10-01 A woman overshadowed by history steps back into the light . . . Artist Elizabeth Gould spent her life capturing the sublime beauty of birds the world had never seen before. But her legacy was eclipsed by the fame of her husband, John Gould. *The Birdman's Wife* at last gives voice to a passionate and adventurous spirit who was so much more than the woman behind the man. Elizabeth was a woman ahead of her time, juggling the demands of her artistic life with her roles as wife, lover, helpmate, and mother to an ever-growing brood of children. In a golden age of discovery, her artistry breathed wondrous life into hundreds of exotic new species, including Charles Darwin's famous Galapagos finches. In *The Birdman's Wife*, the naïve young girl who falls in love with a demanding and ambitious genius comes into her own as a woman, an artist and a bold adventurer who defies convention by embarking on a trailblazing expedition to collect and illustrate Australia's `curious' birdlife. In this indelible portrait, an extraordinary woman overshadowed by history steps back into the light where she belongs.

The Birdman Veronika Martenova Charles,2006-09-12 Noor Nobi is a broken man, wandering the streets of Calcutta with no reason to live. His three children, snatched from him in a cruel accident, were everything he worked for and loved. But one day, he enters a crowded market and sees a bird, caged and frightened and sick. With very little money in his pocket, he waits until the vendor is closing up. Quickly, Noor Nobi bargains and, happy to get anything for the sickly thing, the vendor accepts his offer. For some reason Noor Nobi cannot explain, it is important for him to nurse the bird back to health. When it is finally able to fly, Noor Nobi takes his bird to a big Banyan tree and releases it. Only then is he able to weep and fully grieve for his children. Before Noor Nobi knows it, he is back at work and taking his weekly earnings to the market where he continues to buy, heal, and free as many birds as he can. Crowds gather; some laugh and say he is crazy, some stand reverently, some don't know what to think. But Noor Nobi's kindness saves a growing number of birds, and the birds, in turn, give him new purpose. Author Veronika Martenova Charles read a short newspaper article about the “Birdman” of Calcutta and her imagination took flight. She traveled to India, found Noor Nobi, and witnessed the freeing of the birds for herself. *The Birdman* is a touching, true story, tenderly illustrated by Annouchka Gravel Galouchko and Stéphan Daigle. It is accompanied by an afterword, diary entries, and photographs of the author's experience.

Birdman Jack Teeter,2012-11-27 Sara was thinking she might make it to the barn without being seen. The birds kept screaming, but she saw no one... Nearly at the clearing, a hand reached out and grabbed her. It was Barry Sparks. What the hell're you doing here? he shouted. He let go of her arm just long enough to clap his hands together and yell Hey! toward the greenhouse. The screeching stopped.The clapping action distracted Barry momentarily; Sara made a break for the barn. Her camera flopped on the strap around her neck. Barry was five steps away from grabbing her again. This time she wasn't giving up her camera, she was going to get her picture.
