Don't Kill the Birthday Girl Sandra Beasley,2011-07-12 A beautifully written and darkly funny journey through the world of the allergic. Like twelve million other

Americans, Sandra Beasley suffers from food allergies. Her allergies—severe and lifelong—include dairy, egg, soy, beef, shrimp, pine nuts, cucumbers, cantaloupe, honeydew, mango, macadamias, pistachios, cashews, swordfish, and mustard. Add to that mold, dust, grass and tree pollen, cigarette smoke, dogs, rabbits, horses, and wool, and it's no wonder Sandra felt she had to live her life as "Allergy Girl." When butter is deadly and eggs can make your throat swell shut, cupcakes and other treats of childhood are out of the question—and so Sandra's mother used to warn guests against a toxic, frosting-tinged kiss with "Don't kill the birthday girl!" It may seem that such a person is "not really designed to survive," as one blunt nutritionist declared while visiting Sandra's fourth-grade class. But Sandra has not only survived, she's thrived—now an essayist, editor, and award-winning poet, she has learned to navigate a world in which danger can lurk in an unassuming corn chip. *Don't Kill the Birthday Girl* is her story. With candor, wit, and a journalist's curiosity, Sandra draws on her own experiences while covering the scientific, cultural, and sociological terrain of allergies. She explains exactly what an allergy is, describes surviving a family reunion in heart-of-Texas beef country with her vegetarian sister, delves into how being allergic has affected her romantic relationships, exposes the dark side of Benadryl, explains how parents can work with schools to protect their allergic children, and details how people with allergies should advocate for themselves in a restaurant. A compelling mix of memoir, cultural history, and science, *Don't Kill the Birthday Girl* is mandatory reading for the millions of families navigating the world of allergies—and a not-to-be-missed literary treat for the rest of us.

My wedding with Robbie was only a week away, and our rocky relationship was already on edge. Even though it was a bad time to go back, I couldn't resist the chance to visit my best friend—both to sort out my own feelings and escape from Robbie's increasingly controlling behavior. Never could I have imagined how this quick trip and an innocent night of freedom could have spiraled out of control. Meeting Nathan wasn't supposed to happen, and I definitely wasn't supposed to kiss him. But he was so kind and sexy, and it was so nice to feel wanted for once. But, as soon as I came to my senses and ran from our kiss, I bumped into the one person I never expected. My trip away is now a harbor of secrets, created by those close to me, and my new found taste for freedom. Nathan When I saw Julia watching me at the bar, I felt something I hadn't felt in years. When I kissed her, I knew she was meant to be mine. But this Robbie guy she was with, he seemed to have some pull over her, something I couldn't understand. I hated how he treated her, and I knew she deserved better. So, when she offered me the time she had left, I decided to take

it, showing her the side of freedom she only dreamed of. Our connection, our chemistry—it was undeniable. I wanted her to leave Robbie; I wanted her to be with me. But, when it came down to it, what I really wanted was for her to be happy. But could I keep her close while keeping my demons at bay? The things I've done, the person I once was, and all my little secrets. I'll fight to keep her home, to make her mine, even if it takes a little naughty convincing.

Birthday Girl Sheila J. Sadr,2020-11 Sheila J. Sadr's poetry is only the most visible manifestation of her creative drive. As an educator and therapist-in-training, she is deeply grounded in her local community and the poetry world of Southern California. That same restorative energy animates her debut collection *Birthday Girl*, winner of the 2018 Stories Award for Poetry. In this healing probe into femininity, Sheila J. Sadr questions and reinvents gender expectations as skillfully as poetic forms. This book is for anyone engaged in the strange survival of themselves and others, and it's also a beautiful addition to a new tradition of Iranian-American poetry alongside writers like Kaveh Akbar, Anis Mojgani, and Solmaz Sharif. It's a joy to bring Sheila J. Sadr's poems to a larger audience, but given her determination, we know that this book would exist if she had to pulp the paper herself.
