Woman of God Prophetess Betty Keyes,2023-12-13 *Woman of God*, The Inspired Story of Betty Keyes is a Christian-based inspirational story of how God moved in the main character Betty Keyes's life. Her life was ordained from the beginning by God to do his work and preach the gospel of Jesus Christ. Her story starts from her childhood growing up with her family as a little country girl to now being called a Prophet of God. The story includes multiple short stories of how God orchestrated her life and walked with her from shyness to holly boldness. It includes scriptures throughout the book showing God's promise and how they work in her life and how they can work in the lives of those who read this book and believe on the word of God. *Woman of God* also includes the inspired story of how Betty's walk with God impacted her niece Michelle who is going through challenges in her personal life. We all go through challenges in our lives, sometimes they make us want to give up. But having God in our lives can make a difference in how we go through these challenges. This book will help those who read to be inspired and know that God was there all the time.

Texas Ranger Leo Bishop Betty Oglesbee,2022-09-01 Leo Henderson Bishop (1903-1973) was among the first of the "new" Texas Rangers appointed by James V. Allred upon his inauguration as Governor of Texas in 1935. Two boxes of Bishop family memorabilia at the estate sale of Bishop Family Historian Bettye Bishop Robbins in 2016 provided the basis for this personal glimpse into her father's life, along with supportive articles from the San Augustine Tribune. Of special interest in Bettye's collection were the transcribed Dictabelt tapes from an interview by Dr. Ben Proctor in 1968 at the Carta Valley, Texas ranch home of retired Texas Ranger Leo Bishop. Primary-source stories from those who lived them are always significant, especially when spoken in the unvarnished vernacular of the person doing the telling. Published in 1991 by Eakin Press, Dr. Proctor's *Just One Riot, Episodes of Texas Rangers in the 20th Century*, included a Leo Bishop chapter. Ranger Bishop's life story embodies all the traits that make him an icon within the annals of law enforcement: perseverance, honesty, seeking the truth, attention to detail, and a watchful eye.

Grace for Us All Betty Vasquez,2020 *Grace for Us All* is a book that is written for the body of Christ and leaders to take a deeper look at how we address those in need of Christ's love; irrespective of who they choose to love or the gender they chose to identify with. The scripture says that Christ died for us all. The scenario from the Gospel of John Chapter 8 verse 7 is one that has given push to this manuscript; it shows that Christ operated from a place of love in all situations

Why Me, Lord? Betty Bone Schiess,2003-05-01 On the hottest day of July, 1974, eleven of us were ordained as the first women priests in the Episcopal Church. We were setting in motion a new feminist reformation which would change forever the way church and society viewed and treated women—or so we thought.—from the Preface Reverend Betty Bone Schiess' engagingly written memoir is a valuable contribution to the scholarship of religious study as well as to feminist study and to legal scholarship, particularly on equal rights issues. Schiess draws parallels throughout her work to earlier efforts of the suffragettes and abolitionists of Seneca Falls.

The Egg & I Betty MacDonald, 2016-11-01 "A work of real comic genius. . . . A wonderful, funny, warm, honest book, and, to use a much overused word, a classic." –Michael Korda, author of *Country Matters* When Betty MacDonald married a marine and moved to a small chicken farm on the Olympic Peninsula in Washington State, she was largely unprepared for the rigors of life in the wild. With no running water, no electricity, a house in need of constant repair, and days that ran from four in the morning to nine at night, the MacDonalds had barely a moment to put their feet up and relax. And then came the children. Yet through every trial and pitfall—through chaos and catastrophe—this indomitable family somehow, mercifully, never lost its sense of humor. A beloved literary treasure for more than half a century, Betty MacDonald's *The Egg and I* is a heartwarming and uproarious account of adventure and survival on an American frontier.

Looking for Betty MacDonald Paula Becker, 2017-05-01 Betty Bard MacDonald (1907–1958), the best-selling author of *The Egg and I* and the classic *Mrs. Piggle-Wiggle* children's books, burst onto the literary scene shortly after the end of World War II. Readers embraced her memoir of her years as a young bride operating a chicken ranch on Washington's Olympic Peninsula, and *The Egg and I* sold its first million copies in less than a year. The public was drawn to MacDonald's vivacity, her offbeat humor, and her irreverent take on life. In 1947, the book was made into a movie starring Fred MacMurray and Claudette Colbert, and spawned a series of films featuring MacDonald's Ma and Pa Kettle characters. MacDonald followed up the success of *The Egg and I* with the creation of *Mrs. Piggle-Wiggle*, a magical woman who cures children of their bad habits, and with three additional memoirs: *The Plague and I* (chronicling her time in a tuberculosis sanitarium just outside Seattle), *Anybody Can Do Anything* (recounting her madcap attempts to find work during the Great Depression), and *Onions in the Stew* (about her life raising two teenage daughters on Vashon Island). Author Paula Becker was granted full access to Betty MacDonald's archives, including materials never before seen by any researcher. *Looking for Betty MacDonald*, a biography of this endearing Northwest storyteller, reveals the story behind the memoirs and the difference between the real Betty MacDonald and her literary persona. The Bishop's Ring Bill DeBottis, Francis DeBottis, 2005-04-19 The saga of the Bishop's Ring begins when Bishop St. Stanislaw of Cracow, Poland was beheaded and quartered in 1079 A.D. Soldiers loyal to the Bishop soon found his scattered body and placed it in a box. Miraculously, except for his head, all body parts fused together. He was martyred for defending a married woman's freedom from captivity in a brutal king's castle. His sequestered ring became a symbol of Poland's national unity and freedom. Conrad and Magda Kaminski, a married couple, are called upon to escape from Poland to bring the ring to America for a temporary safe haven. Poland's Marxist Communists want the relic ring. Their top spy finds them living on Long Island. An unsuspecting priest is cleverly compromised in a conspiracy plot in the murder of Conrad. But the killer fails to steal the Bishop's Ring. He lusts for Magda. The atheist king is Poland's Communist regime. The married woman is Magda. The stakes are high. Murder, bribery, death, revenge, lust and rank promotion are the sinful forces that drive the spy to kill. This 20th century reappearance is no mere coincidence. The ring has its own defined divine destiny to fulfill. This is a spellbinder!

Mother Eternal Ann Everlastin's Dead Pat G'Orge-Walker, 2012-03-01 Spiritually uplifting and knee-slapping funny, Pat G'Orge-Walker's Sister Betty and her fellow parishioners discover what matters most on bumpy road trip to Baltimore. . . Sister Betty barely has a minute to sit and

fan herself before she's off on another Mission from God. Her friend Mother Eternal Ann Everlastin' has dropped dead on her seventy-first birthday from an overdose of York Peppermint Pattie, and it's up to Sister Betty to see to her final wishes, namely, traveling to a Baltimore religious conference to deliver three one-million dollar checks to three different mega-church pastors. When the Reverend Knott Enuff Money hears that Sister Betty is about to give away a substantial amount of Mother's riches, he wants in. But finagling the money out of Sister Betty right under the noses of three genuine men of God is going to be the biggest challenge the Reverend has ever faced. . .one that just might set him on the path to reclaiming the true spirit of faith. . . Christian comedy fiction at its best. —Library Journal This novel is the best of its kind, and it's easy to see how G'Orge-Walker has carved out a comfortable niche for herself as the queen of gospel comedy literature. —QBR

Quiet Reformers Ian Macdonald, Betty O'Keefe, 2010 This lively biography of Bishop Edward Cridge and his wife Mary paints a vivid picture of early Victoria as it developed from an isolated Hudson's Bay Company post into the bustling capital of British Columbia. Recruited from England by Governor James Douglas in 1854 to be the Church of England chaplain of Fort Victoria, Edward Cridge became an important figure in the spiritual life of the city as the rector of Christ Church. The Cridges also became two of Victoria's foremost social reformers, leaving an indelible mark on British Columbia's social institutions. Living through the terrible smallpox and black measles epidemics, the latter taking four of their own children, the inseparable pair worked to create the first hospital, beginning with a few beds in a rented cottage and living to see it transformed into the Royal Jubilee. As the first superintendent of education, Cridge played an essential role in B.C.'s early school system. When abandoned children were left at the parsonage door, Mary created Victoria's first orphanage. The biography also tells of Cridge's very public argument with Bishop Hills, a dispute that caused him to break with the Church of England to found and build the Church of Our Lord, a Reformed Episcopal church, which is today an historic Victoria landmark. Included also are cameos by many of the notable people of the day, such as Emily Carr, who as a young girl lived opposite the Cridge family.

Pursuing graduate school in theology at Georgetown and a trip to India help form her resolve: She will stop at nothing to take the Church out of the Middle Ages and deliver women from their abject status. Macrina McGrath joins and soon after heads the excommunicated Womanpriest movement and, with the help of the Archbishop of Boston, begins an ascent she never imagined. But her love for Ezra, a Jewish physicist and colleague at Amherst where they teach, is getting in the way.

Betty's Travel Journals Elisabeth Hewes, 2011-04 The travels and observations of Elisabeth Hewes in her retirement years, during the last decade of the 20th century. With contributions by Stephen Butt and John Florance of BBC Radio Leicester During her retirement years, apart from her diaries, Elisabeth Hewes of Ravenstone in Leicestershire, wrote of her many travels, which were often accomplished in just one day. Betty's Travel Journals begin in April 1992 and finish at the end of 2000. They give a vivid insight into her love of life and people; we see familiar things through different eyes and visit unknown places which leave us with a feeling that we must go there ourselves. Travelling by road, rail, or merely on foot, Betty uses only the most salient points to describe her world in rich colours, but always with humour, intelligence and that steadfast sense of belonging and purpose found in her diaries. As Betty counts down to the New Millennium, she meticulously records her high days and holidays. We

travel with her the length and breadth of Britain: from Bardon Hill Quarry to Buckingham Palace; from mighty Canterbury Cathedral to Snibston's little St. Mary's; from the most serene and tranquil Lakeland view to the busiest bustling day in the heart of our nation's great capital. Her journals feature hundreds of indexed and detailed entries in which she quotes from sources as diverse as the essays of Dr. Johnson and her local newspaper, each equally as relevant and informative as the next. Betty's Travel Journals are laced together with a strong historical and religious narrative but with an ever watchful eye on history in the making. Her travels were not confined to distance however; the 1990s saw incredible strides made by humankind and Betty documents our world's biggest events in the final years of the twentieth century as they play out alongside her journey through what turned out to be the last decade of her life.
