The Black Eagle Cedric Cross, 2010-04-28 Kaveri Asben is an exceptional, but troubled martial artist. His life of pain began when he witnessed the assassination of his parents, followed by the struggle to understand why. Six years later, he encounters a man who very well could have been the assassin behind the attack. Tangled in questions, Kaveri has two options. Embark on a dangerous mission his master has assigned him, or begin a blind pursuit he believes may bring him face to face with the assassin he has long despised.

Black Eagle Gen Bailey, 2009 When Marisa Jameson, who is on the run from her corrupt uncle, and her guide, Mohawk warrior Black Eagle, get caught in the crossfire of war, they must learn to trust each other in order to survive. Original.

Black Eagle Child Ray Young Bear, 2015-10-27 Mixing prose and poetry, ancient traditions and modern sensibilities, this brilliant, profane, and poignant coming-of-age story is a masterpiece of Native American literature. At a Thanksgiving party held in a Bureau of Indian Affairs gymnasium, the elders of the Meskwaki Settlement in central Iowa sip coffee while the teenagers plot their escape. Edgar Bearchild and Ted Facepaint, too broke to join their friends for a night of drinking in a nearby farm town, decide to attend a ceremonial gathering of the Well-Off Man Church, a tribal sect with hallucinogenic practices. After partaking of the congregation's sacred star medicine, Edgar receives a prophetic vision and comes to a newfound understanding of his people's past and present that will ultimately reshape the course of his life. Set against the backdrop of the tumultuous 1960s, *Black Eagle Child* is the story of Edgar's passage from boyhood to manhood, from his youthful misadventures with Ted, to his year at prestigious liberal arts college in California, to his return to Iowa and success as a poet. Deftly crossing genre boundaries and weaving together a multitude of tones and images—from grief to humor, grape Jell-O to supernatural strobe lights—it is also an unforgettable portrait of what it means to be a Native American in the modern world.

The Black Eagle John Peer Nugent, 1971 Story of Colonel Hubert Julian, first black professional pilot, mercenary, arms dealer, who went to Ethiopia where he trained Haile Selassie's army in the 1940s.

Black Eagle, Oregon Caroline C. Spear, 2010-11 The town of Black Eagle, Oregon sits on the banks of the Columbia River at the foot of snow covered Mt. Hood. It is home to church going citizens, windsurfers and orchard workers. But when real estate prices start to boom, an influx of newcomers arrive and the cultural divide between Whites, Natives, and Hispanic workers create tensions that brew just below the surface in this pretty Pacific Northwest town. Based on real events in the early 1990s, this fast paced novel reveals how the lives of four very different Black Eagle characters intertwine when a fishing platform is deliberately destroyed at an ancient Native site. Richard Sherwood is the real estate developer from Back East who has arrived in Black Eagle to make his fortune, who will stop at nothing to reach his goal of becoming a millionaire before he's forty. Jim Hawks is the Native who lives a quiet life on the river with his grandfather, but ever since college harbors deep political unrest that he doesn't know what to do with. Tawny is the church going wife who thought her life would remain perfect when she married up to Charles Spotts, but taking care of her new house and two teen-age sons can't contain her restlessness. And Anna Kingston, the single woman who changed her life from Boston businesswoman to Black Eagle high school teacher, struggles with more than she bargained for in her new life. The protest against the Richard Sherwood's real estate development turns into a full-time encampment -including tipis and a sacred flame - and each character is forced to deal with the unfolding events in their own way.

The Black Eagle; or, Ticonderoga G. P. R. James,2021-05-19 The Black Eagle by G. P. R. James is a novel set in the Town of Ticonderoga, New York, during the period of the French and Indian War (1754-1763). Excerpt: Among the minor trials of faith, few, perhaps, are more difficult to contend against than that growing conviction, which, commencing very soon after the holiday happiness of youth has been first tasted, becomes stronger every year, as the experience unfolds to us the great, dark secrets of the world in which we are placed--the conviction of the general worthlessness of our fellow-men. A few splendid exceptions, a few bright and glorious spirits, a few noble and generous hearts, are not sufficient to cheer and brighten the bleak prospect of the world's unworthiness; and we can only reconcile to our minds the fact that this vast multitude of base, depraved, tricky, insincere, ungrateful beings, are the pride of God's works, the express images of his person, by a recurrence to the great fundamental doctrine of man's fallen state, and utter debasement from his original high condition, and by a painful submission to the gloomy and fearful announcement, that 'strait is the gate, and narrow is the way, and few there be that find it.

Black Eagle Returns Augustine Nash,2017-06-09 Black Eagle, joins Conquering Bear and his wife, Running Water, a blind white woman, leaving the reservation behind, in search of the old way of life before the white man controlled the land.In the Black Hill lands of the Sioux they search for an old woman, who they are told might have the power to restore Running Water's sight.Many adventures follow often with tragic results as Black Eagle moves across the land, finally joining a circus where he finds a kind of peace. A moving sequel to 'Shadow of the Eagle', a story telling the life of the Native American, which I hope will absorb the reader.

Black Eagle James R. McGovern,2002-11-27 The success story of a much-decorated fighter pilot who overcame poverty and racism to become America's first African-American four-star general. Born in Pensacola, Florida, the youngest of seventeen children in a relatively poor family, Chappie James (1920-1978) rose to attain the rank of four-star general-the highest rank of the peacetime American military. His parents had early on imbued him with personal and national pride and a singular drive that motivated him his whole life. At Tuskegee Institute, James enrolled in the Army Air Corps unit formed to train black pilots. After combat service in World

War II, James became the leader of a fighter group in the Korean War, during which he developed innovative tactics for providing close air support for advancing ground forces. He served with distinction in Vietnam and then became a public affairs officer in the Department of Defense. Between 1970 and 1974, James served as the Pentagon's chief spokesman to youth and civic organizations. General James's importance transcends his unprecedented achievements as an African American in the military and his role as a spokesman for the patriotic community. He was an early and important proponent of black self-improvement through education, training, and the tireless pursuit of excellence. He became the very embodiment of the American dream. First published in 1985 in hardcover, this reissue of *Black Eagle* in paperback makes the inspiring story of a notable Tuskegee airman available again.

Black Eagle Down Mike Kuzara, 2012-12-14 An old elk hunter has set up an isolated camp in the Big Horn Mountains of northeastern Wyoming a week ahead of the opening of rifle season for a little quiet time before the rest of his family shows up. Alois, Ace, Gronsky and his dog Dozer are sucked into events that swirl around their idyllic setting, as teams of suspicious strangers set up three camps in separate locations in the vicinity. Not only are the strangers unfriendly, they are downright hostile to anyone snooping around. Little wonder; they plan to shoot down Air Force One on its way back from Jackson Wyoming. Five Jihadists are broken out of the new prison in nearby Wesley Montana and given the equipment they believe will shoot down the presidents plane. The jihadists are purposely set up for failure. Air Force One goes down. The home grown Wyoming Militia, with collusion from corrupt law enforcement, wipe out the Jihadists, and the government manipulated media tells the world that the POTUS (the President of the United States) and his family are dead while those responsible have been destroyed. Ace has rescued his kidnapped Indian friend from the Jihadists and they witness the shoot-down of Air Force One and two escort fighter jets. They also witness the deployment of the presidents escape pod and the pilot ejected from one of the fighters. If things were not bad enough already, Ace, his friend, Billy Black Stone, and fighter pilot Melanie, Yaz, Yasulevicz, must protect the first family from the teams bent on finishing the job, and battle winter conditions in the mountains of northern Wyoming. Despite the snow, things really heat up during the climax of this tale.

Chasing the Black Eagle Bruce Geddes, 2023-04-11 Against a backdrop of the Harlem Renaissance and Haile Selassie's Ethiopia, a young man tails Hubert Julian — a pilot, inventor, adventurer, charlatan, and possible threat to America. Facing an attempted murder charge, seventeen-year-old Arthur Tormes is in no position to refuse when a federal agent named Riley Triggs offers him a deal: all charges get dropped and Arthur goes free if he agrees to help the Bureau with a problem. That problem is Hubert Julian, a.k.a. the Black Eagle of Harlem: inventor, pilot, parachutist, daredevil, charlatan, and one of the most extraordinary and popular figures of the Harlem Renaissance. For Triggs, it's the popularity that makes Julian a serious threat to the well-being of America. To win his freedom, Arthur begins a spying mission that will occupy the next thirteen years of his life, taking him from 1920s New York City to Ethiopia on the verge of war — often at great personal cost. In the end, while America remains safe, Arthur Tormes's fate is less certain.
