Otto Penzler

A Comprehensive Index to Black Mask, 1920-1951 Edward R. Hagemann, 1982 Professor Hagemann, for many years interested in the hard-boiled, tough-guy writers, has completed this comprehensive index to Black Mask magazine. A task that took many years as a labor of love, this study is a thorough and accurate index to a magazine that furnished a publishing place for many of the writers of hard-boiled detective fiction.

The Black Lizard Big Book of Black Mask Stories Otto Penzler, 2012-05-09 An unstoppable anthology of crime stories culled from Black Mask magazine the legendary publication that turned a pulp phenomenon into literary mainstream. Black Mask was the apotheosis of noir. It was the magazine where the first hardboiled detective story, which was written by Carroll John Daly appeared. It was the slum in which such American literary titans like Dashiell Hammett and Raymond Chandler got their start, and it was the home of stories with titles like "Murder Is Bad Luck," "Ten Carets of Lead," and "Drop Dead Twice." Collected here is best of the best, the hardest of the hardboiled, and the darkest of the dark of America's finest crime fiction. This masterpiece collection represents a high watermark of America's underbelly. Crime writing gets no better than this. Featuring • Deadly Diamonds • Dancing Rats • A Prize Fighter Fighting for His Life • A Parrot that Wouldn't Talk Including • Dashiell Hammett's The Maltese Falcon as it was originally published • Lester Dent's Luck in print for the first time

Knights of the Open Palm Carroll John Daly, 2017-11-12 The first hard-boiled detective Race Williams, runs up against the Klan in his premiere adventure, which leads him to fast and tragic action. Plus two other early Daly hard-boiled classics: The False Burton Combs and Dolly. Story #1 in the Race Williams series. Carroll John Daly (1889-1958) was the creator of the first hard-boiled private eye story, predating Dashiell Hammett's first Continental Op story by several months. Daly's classic character, Race Williams, was one of the most popular fiction characters of the pulps, and the direct inspiration for Mickey Spillane's Mike Hammer.

The Black Mask E. W. Hornbug, 2021-05-14 Having served an eighteen-month prison sentence, Bunny returns to society with a disgraced reputation. Eager to build his good name back, the young thief responds to an advertisement requesting a male nurse to aid a sick and elderly man. Meanwhile, Bunny gets a surprise visit from an old friend. Presumed to have been killed during his travels, A.J Raffles reunites with his old accomplice, his eyes already set on valuable relics to steal. Now hardened criminals, Raffles and Bunny are no longer just suave robbers. After surveying the area, Raffles becomes determined to steal a treasured gold chalice, along with other golden trinkets, from the British Museum, aiming for a more challenging target than their usual elite victims. Though Bunny is unconvinced at first, he soon agrees to the plan. Posing as museum guests, the two men sneak into the gold room, prepared to stop anyone in their way. As the two thieves settle into their new identities as notorious criminals, they face challenges new and previously experienced, including blackmail, old flames, new recruits, heists, and the ambitious efforts of Inspector Mackenzie. First published in 1901, *The Black Mask* by E. W. Hornung was written soon after its predecessor's release. Earning as much acclaim at the previous novel in the series, this collection of short crime fiction has inspired film and television adaptations, and continues to delight audiences with its tales of adventure, revenge, romance, and crime. This edition of author E.W. Hornung's *The Black Mask*, features a new, eye-catching cover design and is reprinted in a modern and readable font. With these accommodations, contemporary readers are encouraged to revisit the dramatic reunion and classic adventures of the beloved partners in crime, Raffles and Bunny.

Joseph T. Shaw Milton Shaw, 2019-12-25 Joseph T. "Cap" Shaw enjoyed several distinguished careers—military man and champion fencer, among them—before he assumed the editorial chair of the most significant fiction magazine since *The Strand* gave the world the immortal Sherlock Holmes. Between 1926 and 1936, Shaw edited Black Mask magazine. The pioneering first stories of Carroll John Daly and Dashiell Hammett had just begun to appear in its pages. Shaw recognized in their hard-boiled treatment of the American crime story the potential for a new literary school. Working closely

with his hand-picked writers, he pulled the magazine back from the brink of cancellation, and transformed the staid detective story into a vigorous and modern genre, discovering and championing important inheritors of this new tradition, among them, Raymond Chandler. But there is more to Joe Shaw than his editorial career. Here, in the first biography ever written of this editorial giant, his son relates the full fascinating story of the man behind the revolutionary editorial persona....

Black Skin, White Masks Frantz Fanon, 2017 Black Skin, White Masks is a classic, devastating account of the dehumanising effects of colonisation experienced by black subjects living in a white world. First published in English in 1967, this book provides an unsurpassed study of the psychology of racism using scientific analysis and poetic grace. Franz Fanon identifies a devastating pathology at the heart of Western culture, a denial of difference, that persists to this day. A major influence on civil rights, anti-colonial, and black consciousness movements around the world, his writings speak to all who continue the struggle for political and cultural liberation. With an introduction by Paul Gilroy, author of *There Ain't No Black in the Union Jack*.

Black Mask: Year of the Villain (2019-) #1 Tom Taylor, 2019-08-21 Black Mask was one of Gotham City's most ruthless crime lords. He had money, power and respect. But after months in the Teen Titans' secret prison, Roman Sionis is finally free. Given a new purpose and new abilities thanks

to Lex Luthor's offer, he's found a new racket. Corporate crime not only pays better, but it's far less dangerous. Is Black Mask the same crime boss he's always been, or has time and a new approach made him something far more unstoppable than he's ever been?

Behind the Black Mask Gabriel Nadas,2020-10-07 As a young Mexican immigrant, Gabriel Nadas grew up feeling alienated and distant from the American Dream that brought his parents to this country seeking a better life for themselves and their family. In high school, he was attracted to a left-wing ideology and soon found himself caught up in the anarchist subculture—attending punk-rock concerts, dressing up in garish outfits, and making t-shirts, flags, and zines to fund his activism. He learned about anarchist history and got involved in “direct actions,” including destructive acts of mayhem. Above all, he was angry: angry at cops, angry at Wall Street, angry at corporations that despoiled the environment, angry at America itself. It was only after being exposed to works by classical liberal economists—such as Milton Friedman and Thomas Sowell—that Nadas began to reconsider his assumptions about capitalism and American society. Eventually he left Antifa and became a conservative activist, advising youth groups on campuses around the country on how to deal with left-wing students, radical faculty, and openly hostile administrators.

Up Against the Real Nadja Millner-Larsen,2023-03-10 Up Against the Real is an exciting book about anti-art in the Sixties. It is the first comprehensive study of the group Black Mask and their acrimonious relationship to the New York art world in that decade. Now cited as originators of the protest aesthetics common today, Black Mask employed incendiary modes of direct action against racism, colonialism, and the museum system. They forced their way into the Pentagon during a political protest, threw rotten eggs and blood at Secretary of State Dean Rusk, dumped garbage into the fountain at Lincoln Center during a gala at the Metropolitan Opera, published a broadside, made films, tormented Andy Warhol, and much more, all covered in Nadja Millner-Larsen's book. Black Mask is an important example of the kind of organized art activism in the middle of this century. The group was active until 1968, when it went underground and changed its name to Up Against the Wall Motherfuckers (after a poem by Amiri Baraki). Its activities and strategies influenced the Black Arts Movement and the Art Workers' Coalition, which took over and trashed the Museum of Modern Art. Abbie Hoffman described the group in its second manifestation, Up Against the WallMF, as the middle-class nightmare....an anti-media media phenomenon simply because their name could not be printed.--

The Man in the Shadows Carroll John Daly,2021-07-30 The first hard-boiled detective character, Three-Gun Terry Mack is collected for the first time. This groundbreaking series from the pages of Black Mask magazine set the template for all Black Mask authors to follow. Written by Carroll John Daly, Terry Mack debuted just two months prior to Daly's most famous creation, Race Williams. Williams' popularity with Black Mask readers doomed Terry Mack after just two stories, but Daly revisited the character a few years later for a full-length novel, The Man in the Shadows. This edition

contains both Terry Mack short stories, along with *The Man in the Shadows*, which has never before been reprinted. Includes an all-new introduction by Evan Lewis.
