Burdens We Bear Selena Horton White,2017-02-22 Burdens We Bear is a collection of the authors heartfelt and thought-provoking poems allowing you to better understand the joys and pains of her experiences as a woman of color in America. The book opens with the sobering challenges of Waking Up Black, followed by We Are Not Inferior, a quiet but strong declaration that gives a voice to past, present, and future generations. Poems such as First Cousins, When We Were Young, and Jars with Lids are presented to remind the reader of childhood memories and to give us a pause and a place for our minds and hearts to rest and smile while Sidewalk Shopping and Homeless Query serve to give a voice to homelessness. The heart of the book is found in challenging poems such as Summer of 91, Original Sin, Stony Hearts, and 4th of July. The beauty and anguish of black experience is communicated in waves on these pages. The tone of the hard work needed for reconciliation is stitched throughout. The admiration of famed Harlem Renaissance poet, Langston Hughes, is both seen and felt in many of her writings.

Summary of Chris Perez's To Selena, with Love Everest Media,2022-04-29T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Selena and I had always been friendly around each other, but professional. I had joined her band a year before, and we had traveled to Mexico together. I had noticed that Selena was lively and outgoing, while I was quiet and observant. #2 I began to notice Selena's physical presence, her body tempting me even though she always wore cover-ups over her bikini. I tried not to stare at her, but I did anyway, watching her out of the corner of my eye when I thought she wasn't looking. #3 I was determined to ignore everything that had happened with Selena on the plane home from Acapulco. I was going to keep playing guitar in Tejano band fronted by another young singer, Shelly Lares. #4 I was new to the Tejano world, and I often felt like an imposter. I was a rock guitarist who had never played Tejano music before, but I knew right away that Selena y Los Dinos were rising to the top.
