Blackheart Knights Laure Eve, 2021-05-27 Power always wins. Imagine Camelot but in Gotham: a city where Arthurian knights are the celebrities of the day, riding on motorbikes instead of horses and competing in televised fights for fame and money. 'Arthurian legend meets urban fantasy in a brilliant, bloody wild ride' Jay Kristoff, Sunday Times bestselling author of *Aurora Burning* Imagine a city where a young, magic-touched bastard astonishes everyone by becoming king - albeit with extreme reluctance - and a girl with a secret past trains to become a knight for the sole purpose of vengeance. The boldest, smartest, most adventurous fantasy I've read in ages' Krystal Sutherland, author of *Our Chemical Hearts* Imagine a city where magic is illegal but everywhere, in its underground bars, its back-alley soothsayers - and in the people who have to hide what they are for fear of being tattooed and persecuted. Imagine a city where electricity is money, power the only game worth playing, and violence the most fervently worshipped religion. 'King Arthur as you've never seen him before. The coolest thing you'll read this year' Samantha Shannon, author of *The Bone Season* and *The Priory of the Orange Tree* In this dark, chaotic, alluring place, any dream can come true if you want it hard enough - and if you are prepared to do some very, very bad things to get it . . .

Blackheart Ghosts Laure Eve, 2023-03-30 A half-drowned stranger turns up at the door of Garad Gaheris, retired King's Champion, with a hell of a story to tell. The ex-knight may have uncovered a conspiracy involving the very highest echelons of London's elite. 'A riveting tragedy of blood and desire. A masterwork of urban fantasy - and the coolest thing you'll read

this year' - SAMANTHA SHANNON on Blackheart Knights
Current King's Champion Si Wyll, a master illusionist, still reeling from the betrayal of his lover and the death of his mentor, is poised to become the most dangerous man in London. Then a figure from his past surfaces, determined to blackmail him into a plot to change the balance of power for good. 'A brilliant, bloody wild ride' - JAY KRISTOFF on Blackheart Knights
And the city's godchildren, those born with illegal magical abilities, have had enough of being put down - but who must die to ensure their ascension?

Blackheart Raelle Logan, 2016-06-09 No memory of his past, sentenced to death for a duel gone horrid, Lochlanaire Blackheart is commanded by King William to hunt Siren Rain. She's the illegitimate daughter of ousted King James II. In capturing his prey, Lochlanaire must retrieve the ruby signet Siren dons. That jewel is the talisman of King James II, which proves Siren's ancestry. Lochanaire, however, is unaware that at the moment he casts sail aboard his ship, Siren's been kidnapped by his pirate brother, Zore. Lochlanaire must battle this cutthroat for the princess, spinning Siren into his web of treachery. Afterward, they're shipwrecked, entwined in a union of inconvenience when Lochlanaire weds Siren under the witchery of gypsies.

Lochlanaire soon enlightens Siren of her true father's identity. She seduces her captor, desperate to conceive Lochlanaire's child. She believes he cannot surrender her to die at King William's hangman's noose if their blood unites. When Lochlanaire's stalked by a ghoul slaughtering the pirates aboard his ship, he never realizes that this fiend possesses a wicked secret. Siren must unravel all the Blackheart brothers' secluded evils and save Lochlanaire, for he threads together a travesty by which to sacrifice himself to King William, all while opposing the two seething brothers who seek his demise for the tragedies reaped in Lochlanaire's shattered past. If Lochlanaire fails to evade the death shroud shadowing his footfalls, Siren will lose the breath-wrenching privateer who is her assassin hunter, the possessor of her lusty soul, and her only love.

Black Hearts Jim Frederick, 2010-02-09 "Riveting. . . a testament to a misconceived war, and to the ease with which ordinary men, under certain conditions, can transform into monsters."—New York Times Book Review This is the story of a small group of soldiers from the 101st Airborne Division's fabled 502nd Infantry Regiment—a unit known as "the Black Heart Brigade." Deployed in late 2005 to Iraq's so-called Triangle of Death, a veritable meat grinder just south of Baghdad, the Black Hearts found themselves in arguably the country's most dangerous location at its most dangerous time. Hit by near-daily mortars, gunfire, and roadside bomb attacks, suffering from a particularly heavy death toll, and enduring a chronic breakdown in leadership, members of one Black Heart platoon—1st Platoon, Bravo Company, 1st Battalion—descended, over their year-long tour of duty, into a tailspin of poor discipline, substance abuse, and brutality. Four 1st Platoon soldiers would perpetrate one of the most heinous war crimes U.S. forces have committed during the Iraq War—the rape of a fourteen-year-old Iraqi girl and the cold-blooded execution of her and her family. Three other 1st Platoon soldiers would be overrun at a remote outpost—one killed

immediately and two taken from the scene, their mutilated corpses found days later booby-trapped with explosives. *Black Hearts* is an unflinching account of the epic, tragic deployment of 1st Platoon. Drawing on hundreds of hours of in-depth interviews with Black Heart soldiers and first-hand reporting from the Triangle of Death, *Black Hearts* is a timeless story about men in combat and the fragility of character in the savage crucible of warfare. But it is also a timely warning of new dangers emerging in the way American soldiers are led on the battlefields of the twenty-first century.

Black Heart Anna-Lou Weatherley, 2018 When the body of a man is found with his wrists slashed in a London hotel room, it appears at first to be a tragic suicide. But Detective Dan Riley suspects there is more to this case than meets the eye and the pathology report confirms his worst fears – the victim was poisoned and suddenly Dan is dealing with a murder inquiry. Then he makes a disturbing discovery, uncovering links between the victim and a woman calling herself Goldilocks on an online dating site. Is she seeking revenge or something more? Still grieving the devastating loss of his girlfriend and unborn child in a car accident two years ago, Dan throws everything he has into the investigation. Yet just as Dan begins to piece together the clues of this complex case, the body of a woman is found in her bed with identical wounds. Dan is on the trail of a twisted individual who is much closer than he realises. Can he overcome his own demons and stop the killer before it's too late?--back cover.
