Blond Ambition Lincoln Crosby,2021-02-24 BEN I always got what I wanted - until HE came along!I was a confident, ambitious gay guy who didn't have a care in the world....except for one thing....My Love Life. I wasn't getting any younger, and I needed to find someone special in my life. But there was one thing that was certain in my mind - it wasn't going to be Dwight! He was a TV newsreader like me, my biggest rival in fact, and I was obsessed with him. Was he gay? Straight? Bi? Who was he dating? But recently, my obsession had turned from lust and attraction to hate. Dwight had only gone and pipped me to the post for the job of my dreams. I could have strangled him....and yet, I couldn't help but be intrigued by him. He was my rival, my enemy. Falling for him would be a big mistake. Or would it? DWIGHT Shy, retiring, unassuming were words that summed me up pretty well. I'd never had a proper relationship with a girl before, and I was still coming to terms with my sexuality - when our paths crossed. Ben was an arrogant, self centered go-getter, a blond muscle-bound guy that everyone seemed to fancy. I hated everything he stood for - and yet I couldn't deny the attraction I felt for him. This guy was the exact opposite to me in so many ways. They say opposites attract. I was about to find out.Blond Ambition is a fiery, passionate, steamy, low angst, first time gay, enemies to lovers, opposites attract, MM standalone romance with a HEA ending - from debut author Lincoln Crosby.

Blonde Ambition Zoey Dean,2007-09-03 The third novel in this witty and risqué series takes readers behind the scenes of the intoxicating world of Hollywood glitterati. Upper East Side blueblood Anna Percy came to L.A. to learn how to have a good time. Then Princeton prince Ben Birnbaum and his amazing disappearing act turned out to be anything but. Anna finally begins to understand that telling true love from true lust us is far more easily said than done.

Blonde Ambition Samantha Phillips,2011-12-31 Charlotte Christie is under no illusion about her job: at Fitzgerald Denton greed is good and you watch your back. But as she learns to handle the jokes and the backstabbing and prove her worth as a broker. Charlie unearths a scam. Almost untraceable, it could strike a deathblow to Lloyd's of London and bring the government to its knees. By avoiding Charlie, her opponents have made their single mistake. She has one chance to strike back.

Madonna Daryl Easlea,Eddi Fiegel,2012 Chronicles the life of the pop music star, investigating the controversies in which she has been embroiled over the years, from her run-ins with the Catholic Church to the taboo-busting sexualization of music and image in the 1990s.

Blond Ambition Nigel Cawthorne,2015-03-11 A short biography of Boris Johnson – his background, schooling, chaotic personal life and his irresistible rise.

Just Boris Sonia Purnell,2011-09-22 A major and controversial new biography of one of the most compelling and contradictory figures in modern British life. Born Alexander Boris de Pfeffel Johnson, to most of us he is just ‘Boris’ – the only politician of the age to be regarded in such familiar, even affectionate terms. Uniquely, he combines comedy with erudition, gimlet-eyed focus with jokey self-deprecation, and is a loving family man with a roving eye. He is also a hugely ambitious figure with seemingly no huge ambitions to pursue – other than, perhaps, power itself. In this revealing biography, written from the vantage point of a once close colleague, Sonia Purnell examines how a shy, young boy from a broken home became our only box-office politician – and most unlikely sex god; how the Etonian product fond of Latin tags became a Man of the People – and why he wanted to be; how the gaffe-prone buffoon charmed Londonders to win the largest personal mandate Britain has ever seen; and how the Johnson family built our biggest – and blondest – media and political dynasty. The first forensic account of a remarkable rise to fame and power, Just Boris unravels this most compelling of political enigmas and asks whether the Mayor who dreams of crossing the Thames to Downing Street has what it takes to be Prime Minister.

Blonde Ambition Zoey Dean,2004-08-01 While Anna's new job as intern on the hottest television show brings her into contact with an interesting new man and helps her see how possessive Ben has become, Cammie sets her sights on Adam.

Madonna Mary Gabriel,2023-10-10 New York Times Editors’ Choice, One of NPR’s Best Books of the Year In this “infinitely readable” biography, award-winning author Mary Gabriel chronicles the meteoric rise and enduring influence of the greatest female pop icon of the modern era: Madonna (People Magazine) With her arrival on the music scene in the early 1980s, Madonna generated nothing short of an explosion—as great as that of Elvis or the Beatles—taking the nation by storm with her liberated politics and breathtaking talent. Within two years of her 1983 debut album, a flagship Macy’s store in Manhattan held a Madonna lookalike contest featuring Andy Warhol as a judge, and opened a department called “Madonna-land.” But Madonna was more than just a pop star. Everywhere, fans gravitated to her as an emblem of a new age, one in which feminism

could shed the buttoned-down demeanor of the 1970s and feel relevant to a new generation. Amid the scourge of AIDS, she brought queer identities into the mainstream, fiercely defending a person's right to love whomever—and be whoever—they wanted. Despite fierce criticism, she never separated her music from her political activism. And, as an artist, she never stopped experimenting. Madonna existed to push past boundaries by creating provocative, visionary music, videos, films, and live performances that changed culture globally. Deftly tracing Madonna's story from her Michigan roots to her rise to super-stardom, master biographer Mary Gabriel captures the dramatic life and achievements of one of the greatest artists of our time.

On Blondes Joanna Pitman, 2008-12-18 'Fascinating ... Pitman skillfully navigates the complicated history of our addiction to fair hair, skipping through the centuries with an elegant touch' Independent 'Riveting ... provocative ... ON BLONDES is ultimately a study of power-and powerlessness-between the sexes ... travelling undercover, this brunette produced a book which, like its subject, is wonderfully enlightening' Telegraph In art and literature, in history and popular culture, blonde has never been a mere colour. For 2,500 years, it has been a blazing signal and around this obsession entire industries have developed, influential trends set. From Greek prostitutes mimicking the golden-haired Aphrodite, to the Californian beach babe; from pigeon-dung and saffron dyes to L'Oreal - because you're worth it - we see the lengths to which women will go to become blonde. The power and duality of the blonde as either erotic symbol or saintly virgin waxes and wanes but never disappears. Weaving a story rich in anecdote, history and high intrigue, Joanna Pitman effortlessly combines the wealth of her knowledge with a sharp and clear-sighted view of the power of the blonde throughout the ages.

Blonde Ambition Rita Cosby, 2007-09-04 YOU PROBABLY THINK YOU KNOW ALL THERE IS TO KNOW. ANNA NICOLE SMITH LOST HER SON. SHE ACCIDENTALLY OVERDOSED. SHE WAS A DRUG ADDICT. YOU DON'T KNOW A THING... She was famous for being famous-Americana at its Scarlet Letter-wearing best. A bodacious young girl from Texas, Anna remade herself into the centerfold of the world. She was a dumb blonde, a stripper, a Playboy Playmate, who boldly took her case against her billionaire husband's family all the way to the U.S. Supreme Court. Her tragic life and untimely death evoke an odd mix of fascination, shock, and dismay. And through it all, there still exists a voracious thirst to discover more about who she actually was...and how she really died. In a book that is sure to surprise even the most avid pop culture junkies, Rita Cosby blows the lid off this astounding story. After an in-depth investigation, this is the definitive journalistic account of the Anna Nicole Smith saga-with unearthed secrets and explosive, never-before-told information.

Madonna as Postmodern Myth Georges-Claude Guilbert, 2015-10-02 Madonna has long been accepted as a pop culture icon, but this text postulates a greater cultural importance by analyzing her as a postmodern myth. This work examines how Madonna methodically discovered and constructed herself (often rewriting her past), the nature and extent of her ambition and the means she used to reach her goals. It also details the way in which she organized her own cult (borrowing from the gay community), devised her artistic output, and cunningly targeted different audiences. It also studies the fundamental contradiction--virgin or vamp? saint or prostitute?--that fuels Madonna's career and describes how Madonna reflects today's society, its contradictions and its attitudes toward sexuality and religion.

MADONNA: Unstoppable! (Revised & Enlarged Edition) Pradeep Thakur,

Smacked Eilene Zimmerman, 2020-02-04 A journalist pieces together the mysteries surrounding her ex-husband's descent into drug addiction while trying to rebuild a life for her family, taking readers on an intimate journey into the world of white-collar drug abuse. "A rare combination of journalistic rigor, personal courage, and writerly grace."—Bill Clegg, author of *Portrait of an Addict as a Young Man* Something was wrong with Peter. Eilene Zimmerman noticed that her ex-husband looked thin, seemed distracted, and was frequently absent from activities with their children. She thought he looked sick and needed to see a doctor, and indeed, he told her he had been diagnosed with an autoimmune disorder. Yet in many ways, Peter seemed to have it all: a beautiful house by the beach, expensive cars, and other luxuries that came with an affluent life. Eilene assumed his odd behavior was due to stress and overwork—he was a senior partner at a prominent law firm and had been working more than sixty hours a week for the last twenty years. Although they were divorced, Eilene and Peter had been partners and friends for decades, so when she and her children were unable to reach Peter for several days, Eilene went to his house to see if he was OK. So begins *Smacked*, a brilliant and moving memoir of

Eilene’s shocking discovery, one that sets her on a journey to find out how a man she knew for nearly thirty years became a drug addict, hiding it so well that neither she nor anyone else in his life suspected what was happening. Eilene discovers that Peter led a secret life, one that started with pills and ended with opioids, cocaine, and methamphetamine. He was also addicted to work; the last call Peter ever made was to dial in to a conference call. Eilene is determined to learn all she can about Peter’s hidden life, and also about drug addiction among ambitious, high-achieving professionals like him. Through extensive research and interviews, she presents a picture of drug dependence today in that moneyed, upwardly mobile world. She also embarks on a journey to re-create her life in the wake of loss, both of the person—and the relationship—that profoundly defined the woman she had become.

The Ambition Decisions Hana Schank,Elizabeth Wallace,2018-06-19 These are the 'know your value' conversations that we need to have. These women--their challenges, choices, and successes--are all of us. --Mika Brzezinski Over the last sixty years, women's lives have transformed radically from generation to generation. Without a template to follow--a way to peek into the future to catch a glimpse of what leaving this job or marrying that person might mean to us decades from now--women make important decisions blindly, groping for a way forward, winging it, and hoping it all works out. As they faced unexpectedly fraught decisions about their own lives, journalists Hana Schank and Elizabeth Wallace found themselves wondering about the women they'd graduated alongside. What happened to these women who seemed set to reap the rewards of second-wave feminism, on the brink of taking over the world? Where did their ambition lead them? So they tracked down their classmates and, over several hundred hours of interviews, gathered and mapped data about real women's lives that has been missing from our conversations about women and the workplace. Whether you're deciding if you should pass up a promotion in favor of more flex time, planning when to get pregnant, or wondering what the ramifications are of being the only person in your house who ever unloads the dishwasher, *The Ambition Decisions* is a guide to the changes that may seem arbitrary but are life defining, by women who've been there. Organized by theme, each chapter draws on real women's stories of facing down crisis, transition, and decision-making to illustrate broader trends Schank and Wallace observed. Each chapter wraps up with a useful bulleted list of questions to consider and tips to integrate that will guide women of all ages along the way to finding purpose and passion in work and life.
