Reflections on Conservative Politics in the United Kingdom and the United States Mark McNaught,2012-07-12 This collective work compares US and UK conservative thought in the areas of the meaning of rights, foreign policy mission, the role of religious activism within their respective party politics, and the impact of the current economic crisis on conservative economic orthodoxy. Intended both for political scientists and the general public, it is hoped this work will add to the understanding of what constitutes conservatism, and help reveal the common strands of thought which unite them.
