Blue Joyce Moyer Hostetter,2014-10-07 With her father away at war to fight Hitler, a young girl gains strength by joining her community in battling polio in this Parents' Choice Silver Honor Book based on the 1944 epidemic and the Miracle of Hickory Hospital in Hickory, North Carolina. Ann Fay Honeycutt accepts the role of man of the house when her father leaves because she wants to do her part for the war. She's doing well with the extra responsibilities when a frightening polio epidemic strikes, crippling many local children. Her town of Hickory responds by creating an emergency hospital in three days. Ann Fay reads each issue of the newspaper for the latest news of the epidemic. But soon she discovers for herself just how devastating polio can be. As her challenges grow, so does her resourcefulness. In the face of tragedy, Ann Fay discovers her ability to move forward. She experiences the healing qualities of friendship and explores the depths of her own faithfulness to those she loves—even to one she never expected to love at all.

Blue Michel Pastoureau,2018-03 A beautifully illustrated visual and cultural history of the color blue throughout the ages Blue has had a long and topsy-turvy history in the Western world. The

ancient Greeks scorned it as ugly and barbaric, but most Americans and Europeans now cite it as their favorite color. In this fascinating history, the renowned medievalist Michel Pastoureau traces the changing meanings of blue from its rare appearance in prehistoric art to its international ubiquity today. Any history of color is, above all, a social history. Pastoureau investigates how the ever-changing role of blue in society has been reflected in manuscripts, stained glass, heraldry, clothing, paintings, and popular culture. Beginning with the almost total absence of blue from ancient Western art and language, the story moves to medieval Europe. As people began to associate blue with the Virgin Mary, the color became a powerful element in church decoration and symbolism. Blue gained new favor as a royal color in the twelfth century and became a formidable political and military force during the French Revolution. As blue triumphed in the modern era, new shades were created and blue became the color of romance and the blues. Finally, Pastoureau follows blue into contemporary times, when military clothing gave way to the everyday uniform of blue jeans and blue became the universal and unifying color of the Earth as seen from space. Beautifully illustrated, *Blue* tells the intriguing story of our favorite color and the cultures that have hated it, loved it, and made it essential to some of our greatest works of art.

North Dakota Blue Book, 1907

Blue Laura Vaccaro Seeger, 2018-09-25 How many shades of blue are there? There's the soft blue of a baby's cherished blanket, the ocean blue of a romp in the waves, the chilly blue of a cold winter's walk in the snow, and the true blue of the bond that exists between children and animals. In this simple, sumptuously illustrated companion to Caldecott Honor Book *Green*, award-winning artist Laura Vaccaro Seeger turns her attention to the ways in which color evokes emotion, and in doing so tells the story of one special and enduring friendship.

So Much Blue Percival Everett,2017-06-13 A new high point for a master novelist, an emotionally charged reckoning with art, marriage, and the past Kevin Pace is working on a painting that he won't allow anyone to see: not his children; not his best friend, Richard; not even his wife, Linda. The painting is a canvas of twelve feet by twenty-one feet (and three inches) that is covered

entirely in shades of blue. It may be his masterpiece or it may not; he doesn't know or, more accurately, doesn't care. What Kevin does care about are the events of the past. Ten years ago he had an affair with a young watercolorist in Paris. Kevin relates this event with a dispassionate air, even a bit of puzzlement. It's not clear to him why he had the affair, but he can't let it go. In the more distant past of the late seventies, Kevin and Richard traveled to El Salvador on the verge of war to retrieve Richard's drug-dealing brother, who had gone missing without explanation. As the events of the past intersect with the present, Kevin struggles to justify the sacrifices he's made for his art and the secrets he's kept from his wife. *So Much Blue* features Percival Everett at his best, and his deadpan humor and insightful commentary about the artistic life culminate in a brilliantly readable new novel.

[An] explosive, totally outstanding love story." —Romantic Times The guy next door is home to stay—but can he be trusted? Blue Texas Max Krochmal, 2016-10-07 This book is about the other Texas, not the state known for its cowboy conservatism, but a mid-twentieth-century hotbed of community organizing, liberal politics, and civil rights activism. Beginning in the 1930s, Max Krochmal tells the story of the decades-long struggle for democracy in Texas, when African American, Mexican American, and white labor and community activists gradually came together

to empower the state's marginalized minorities. At the ballot box and in the streets, these diverse activists demanded not only integration but economic justice, labor rights, and real political power for all. Their efforts gave rise to the Democratic Coalition of the 1960s, a militant, multiracial alliance that would take on and eventually overthrow both Jim Crow and Juan Crow. Using rare archival sources and original oral history interviews, Krochmal reveals the often-overlooked democratic foundations and liberal tradition of one of our nation's most conservative states. Blue Texas remembers the many forgotten activists who, by crossing racial lines and building coalitions, democratized their cities and state to a degree that would have been unimaginable just a decade earlier--and it shows why their story still matters today.

Raw Blue Kirsty Eagar, 2009-06-29 Award-winning novel by Kirsty Eagar, author of *Saltwater Vampires* and *Night Beach*. *Raw Blue* was awarded the 2010 Victorian Premier's Literary Awards Young Adult Fiction prize. Readers of Tim Winton's *Breathless* will be drawn to *Raw Blue*, an achingly beautiful young adult novel set in Sydney's northern beaches. Winner of the 2010 Victorian Premier's Literary Awards, it is a haunting story about finding your passion in life. Carly has dropped out of uni to spend her days surfing and her nights working as a cook in a Manly cafe. Surfing is the one thing she loves doing ... and the only thing that helps her stop thinking about what happened two years ago. Then she meets Ryan and Carly has to decide. Will she let the past bury her? Or can she let go of her anger and shame, and find the courage to be happy? Check out Kirsty Eagar's website at www.kirstyeagar.com, and read her blog to find out about her thoughts on books, writing, music, surfing, and finding inspiration, or visit betweenthelines.com.au - the destination for Young Adult books. Praise for *Raw Blue*: 'Kirsty Eagar's fearless *Raw Blue*, a story of regeneration set on Sydney's northern beaches, is much more than just a promising debut: this one delivers.' Australian Book Review Best Books of 2009: Critics' Choices 'Kirsty Eagar's first novel explores dark territory with skill

and sensitivity.' The Age 'An emotionally rich and powerful first novel.' Canberra Times 'If you only read one book this year ... it should be Kirsty Eagar's Raw Blue one of those kept-me-up-all-night novels that stays in your bones and sings in your ears long after you've finished it. It wouldn't be out of place next to Tim Winton's Breath, except this is the ocean as healer, not as an object to be conquered, or the site of self-destruction, of risk. The images crackle, the lines are full of the poetry of observation, the story is searing, gutting, beautiful. This should be compulsory reading for all teenagers especially boys.'

julialawrinson.livejournal.com 'This is a psychologically intense novel that involves even non-surfing readers in the release Carly feels when conquering the waves we empathise with her in the long battle between desire and fear on the path to self-acceptance.' Magpies 'I read this book feverishly, desperate for a happy ending, and afterwards found it difficult to get Carly and the men who ride into her life out of my mind.' Newcastle Herald '[a] very moving book It's dark subject matter, but Eagar makes it uplifting.' Sunday Territorian 'A memorable first book by a writer who gives an honest approach to what young adults face growing up and growing wiser.' Woman's Day Read of the Week
