Deeno's Dream Journeys in the Big Blue Bubble Julia Langensiepen,2009-10-01 Deeno's Dream Journeys in the Big Blue Bubble is a fun and easy-to-use guide to a special relaxation technique for children. Adapted from the system of Autogenics, the six-week programme uses positive affirmations and guided imagery to help children manage their emotions, let go of anxiety and feel calm and confident. Each week, the child is given a new set of 'magic words': a relaxation tool they can draw upon whenever they feel stressed or anxious. An illustrated story based around these words, where the child is asked to imagine they are going on an adventure in a big blue bubble with Deeno the Dinosaur, draws the child into a safe and magical world and guides their minds and bodies into a state of deep, calming relaxation. Suggestions for follow-up practice and creative activities based around that week's words accompany each session, and encourage children to tap into their own imaginations. Separate introductions for parents, teachers and other professionals provide advice on how best to use the technique, whether at home, at school, or elsewhere. There is also a children's introduction, which introduces Deeno and explains the technique in accessible terms. Accessible and engaging, Deeno's Dream Journeys in the Big Blue Bubble is an ideal tool for helping children develop effective relaxation skills in a fun and imaginative way.

Big Blue Bubble Buggy Thomas D. Brucker,2023-09-26 About the Book Big Blue Bubble Buggy is a story written by the whimsical and creative mind of Thomas D. Brucker. The story is based upon a surreal animated dream he had. He wrote the story on December 23,2001 for his Son Bryce and Daughter Brianna. Since then, the weight of time has altered their lives, relationships, and the world around them. Despite the weight of this change, the care and adoration that spawned the Big Blue Bubble Buggy has only blossomed and evolved further. With Bryce and Brianna well into adulthood, and their parents raising their next child, (a Golden Retriever named Sister), the portrait of their family looks undoubtedly different from the one displayed in Big Blue Bubble Buggy. Despite their changing lives, the same sunshine that permeates the pages of this story continues to surround their family today. The love which he is so fortunate to share with his family is never taken for granted. It is this same love that reminds Thomas to bask in the sun when it's there and be patient when it is not. He looks at Big Blue Bubble Buggy as a celebration of his family, written by a proud and eager father. Thomas feels truly honored to shape his clever and compassionate words from that colorful dream of adventure onto the pages which follow. Enjoy the ride! About the Author Thomas D. Brucker was born in Pittsburgh back in 1967. He spent his youth between Clearwater Beach Florida where he gained a love for sun rays, and Pittsburgh, Pennsylvania where he would stay to become an extraordinary family man, and a rockstar in his own right. Thomas attended Edinboro University, where he met his wife, Brenda, an aspiring teacher from St. Marys, Pennsylvania with a gorgeous smile and a boatload of charisma. The rest they say, was history. Thomas and Brenda moved to Virginia Beach. Young and in love, they lounged in the sun with their firstborn daughter, Brianna. A few years later, they would return to Pennsylvania where their son Bryce was born. Thomas owns a custom home contracting business and enjoys traveling, fishing, hiking, live music, riding motorcycles, an occasional skydive, and above all, spending quality time with family.
