Blue Man World Blue Man Group,2016-10-04 The first-ever Blue Man Group book, published on the occasion of their 25th anniversary. As entertaining and hilarious as the show itself, Blue Man World reveals everything you ever wanted to know about the Blue Men, but couldn't get them to tell you. A glorious combination of music, comedy, and state-of-the-art technology, Blue Man Group has evolved from its underground roots in New York City to one of the world's most beloved events. The show has been seen by 35 million people worldwide and its fans includes kids and adults, ages 8 to 80.Blue Man World is a graphically rich, textually dynamic, cheekily clever deep dive into the world of the Blue Men, as well as a hilarious cultural satire. Including archival photographs, specially commissioned artwork, infographics, and interviews with Blue Man experts (both real and potentially not real), it asks and sometimes answers all the burning questions: Who are these Blue Men? Where do they come from? Why are there only three of them? What drives their curiosity? What do they want to accomplish? Blue Man Group is a global entertainment company best known for the award-winning Blue Man Group show. A dynamic combination of music, comedy, and technology, the show appeals to a broad ranges of age groups and cultural backgrounds. It is continually refreshed with new music, stories, custom instruments and state-of-the-art technology.

Man in the Blue Moon Michael Morris,2012-08-17 “He’s a gambler at best. A con artist at worst,” her aunt had said of the handlebar-mustached man who snatched Ella Wallace away from her dreams of studying art in France. Eighteen years later, that man has disappeared, leaving Ella alone and struggling to support her three sons. While the world is embroiled in World War I, Ella fights her own personal battle to keep the mystical Florida land that has been in her family for generations from the hands of an unscrupulous banker. When a mysterious man arrives at Ella’s door in an unconventional way, he convinces her he can help her avoid foreclosure, and a tenuous trust begins. But as the fight for Ella’s land intensifies, it becomes evident that things are not as they appear. Hypocrisy and murder soon shake the coastal town of Apalachicola and jeopardize Ella’s family.

The True Blue Scouts of Sugar Man Swamp Kathi Appelt,2013-07-23 “Librarians often say that every book is not for every child, but *The True Blue Scouts of Sugar Man Swamp* is” (The New York Times). Meet Bingo and J’miah, raccoon brothers on a mission to save Sugar Man Swamp in this rollicking tale and National Book Award Finalist from Newbery Honoree Kathi Appelt. Raccoon brothers Bingo and J’miah are the newest recruits of the Official Sugar Man Swamp Scouts. The opportunity to serve the Sugar Man—the massive creature who delights in delicious sugar cane and magnanimously rules over the swamp—is an honor, and also a big responsibility, since the rest of the swamp critters rely heavily on the intel of these hardworking Scouts. Twelve-year-old Chap Brayburn is not a member of any such organization. But he loves the swamp something fierce, and he’ll do anything to help protect it. And help is surely needed, because world-class alligator wrestler Jaeger Stitch wants to turn Sugar Man swamp into an Alligator World Wrestling Arena and Theme Park, and the troubles don’t end there. There is also a gang of wild feral hogs on the march, headed straight toward them all. The Scouts are ready. All they have to do is wake up the Sugar Man. Problem is, no one’s been able to wake that fellow up in a decade or four... Newbery Honoree and Kathi Appelt’s story of care and conservation has received five starred reviews, was selected as a National Book Award finalist, and is funny as all get out and ripe for reading aloud.

Blue Man Falling Frank Barnard,2010-03-04 For fans of *Band of Brothers* and *Masters of the Air*, *Blue Man Falling* brings to life the exhilaration and fear of aerial warfare with astonishing power and narrative skill. Above all, Frank Barnard lays bare the meaning of war, and the selflessness of those prepared to fight until the end. In September 1939, war is declared and Europe holds its breath. For RAF fighter pilots patrolling the Franco-German border, it is a bizarre time: one moment they are chasing an elusive Luftwaffe, the next ordering champagne in Paris. Then, in May 1940, Hitler launches Blitzkrieg, and the Hurricane squadrons find themselves engulfed in battle. *Blue Man Falling* follows the fortunes of two RAF pilots: Englishman Kit Curtis, and American Ossie Wolf, who clash not only with Germans, but also with each other, fighting for different reasons and employing different methods as France collapses and the Allies face humiliation and defeat. They also encounter the insidious Fifth Column, the enemy within, and those intent on profiting from chaos... What readers are saying about *Blue Man Falling*: 'Brilliantly conceived and superbly written. There is humour and a fascination throughout. Without doubt this is a must-read book - one that grips you from start to finish' 'Captures the harrowing, insidious shadow of despair that swept across France and the civilised world in the wake of Blitzkrieg. Each character is drawn with touching, intimate detail and it is the many finely portrayed action scenes that gives this novel a life of its own' 'Takes you to another world effortlessly. Pacy, gripping and full of unexpected twists and turns'

LITTLE BLUE MAN George Newberry,2016-10-17 In the time of diversity, the little blue man appeared to everyone to bring peace, joy, unity, and love. But will the people listen to him, or would they continuously lead a life that is far from what unity really is?

The Five People You Meet in Heaven Mitch Albom,2007-04-01 Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his meaningless life, and revealing the haunting secret behind the eternal question: Why was I here?

Blue Man John L. Moore,2021-05-17 Ezra Riley is a hardened Montana cowboy who prefers the hills, cattle, and horses to cities, but his unique gift for dream interpretation has him secretly taken to the White House where the President is suffering from recurring nightmares. Riley's encounter with the President launches a series of attacks by the man behind the nightmares, William Anderson Hall, an elderly master spy and a pioneer in the CIA's experiments with psychic powers and hallucinogens. In his remote Virginia compound, Hall has invested 30 years and millions of dollars in creating Blue Man, the ultimate psychic warrior. Riley's life is soon complicated by Davis Browne, a former agent with the Department of Homeland Security, and Hall's two nieces, Isabel Elizabeth Hall and Mary Margaret Hall. Riley's rough ride is balanced by his cowboy friend, the cartoonist Barney Wallace, whose loyalty follows Riley to the climactic end and the revelation of the content of the President's dream.

Man with a Blue Scarf: On Sitting for a Portrait by Lucian Freud Martin Gayford,2013-09-09 “An extraordinary record of a great artist in his studio, it also describes what it feels like to be transformed into a work of art.” —ARTnews Lucian Freud (1922-2011), widely regarded as the greatest figurative painter of our time, spent seven months painting a portrait of the art critic Martin Gayford. The daily narrative of their encounters takes the reader into that most private place, the artist’s studio, and to the heart of the working methods of this modern master—both technical and subtly psychological. From this emerges an understanding of what a portrait is, but something else is also created: a portrait, in words, of Freud himself. This is not a biography, but a series of close-ups: the artist at work and in conversation at restaurants, in taxis, and in his studio. It takes one into the company of the painter for whom Picasso, Giacometti, and Francis Bacon were friends and contemporaries, as were writers such as George Orwell and W. H. Auden. The book is illustrated with many of Lucian Freud’s other works, telling photographs taken by David Dawson of Freud in his studio, and images by such great artists of the past as van Gogh and Titian who are discussed by Freud and Gayford. Full of wry observations, the book reveals the inside story of how it feels to pose for a remarkable artist and become a work of art.

The Blue Man alastair macleod,2013-01-03 This night the sea was calm and still, just right for a visit of the finn men. So close to the sea the house invited such a happening. In the past when the cottage lay empty, they often came, stayed the night and left. You see, the house was on the

edge of the in-between, the magic zone, the shore. Here, between land and sea, creatures would come and go – elver, sea people , blue men of the sea, finn men, dark hair, dark skin, with blue tattoos all over the body

LITTLE BLUE MAN George Newberry,2016-10-17 In the time of diversity, the little blue man appeared to everyone to bring peace, joy, unity, and love. But will the people listen to him, or would they continuously lead a life that is far from what unity really is?

The Best Man Kristan Higgins,2013-02-26 Sometimes the best man is the one you least expect... Faith Holland left her hometown after being jilted at the altar. Now a little older and wiser, she's ready to return to the Blue Heron Winery, her family's vineyard, to confront the ghosts of her past, and maybe enjoy a glass of red. After all, there's some great scenery there.... Like Levi Cooper, the local police chief—and best friend of her former fiancé. There's a lot about Levi that Faith never noticed, and it's not just those deep green eyes. The only catch is she's having a hard time forgetting that he helped ruin her wedding all those years ago. If she can find a minute amidst all her family drama to stop and smell the rosé, she just might find a reason to stay at Blue Heron, and finish that walk down the aisle.

Fantasia for the Man in Blue Tommye Blount,2020 An examination of a brutal America through the voices of its most vulnerable sons. In his debut collection, Fantasia for the Man in Blue, Tommye Blount orchestrates a chorus of distinct, unforgettable voices that speak to the experience of the black, queer body as a site of desire and violence. A black man's late-night encounter with a police officer - the titular man in blue - becomes an extended meditation on a dangerous, erotic fantasy. The late Luther Vandross, resurrected here in a suite of poems, addresses the contradiction between his public persona and a life spent largely in the closet: It's a calling, this hunger / to sing for a love I'm too ashamed to want for myself. In Aaron McKinney Cleans His Magnum, the convicted killer imagines the barrel of the gun he used to bludgeon Matthew Shepherd as an infant's small mouth as well as the sad calculator that was built to subtract from and divide a town. In these and other poems, Blount viscerally captures the experience of the other and locates us squarely within these personae--

Blue Man in a Red State Greg Lemon,2008 A biography of Montana's phenomenally popular (and ambitious) governor, couched in the context of western, grass-roots populism and the revival of the national Democratic party.
