**The Blue Rose** Gerda Weissmann Klein, 1974 Brief text and black and white photographs explain how Jenny is different from other girls and why she needs more love and understanding.

The Blue Roses Linda Boyden, 2002 A Native American girl gardens with her grandfather, who helps to raise her, and learns about life and loss when he dies, and then speaks to her from a dream where he is surrounded by blue roses.

Blue Rose Carol Muske-Dukes, 2018-04-03 A new collection of emotionally rich, issue-oriented poems from an award-winning poet whose work “has long been essential reading” (Jorie Graham) Carol Muske-Dukes has won acclaim for poetry that marries sophisticated intelligence, emotional resonance, and lyrical intensity. The poems in her new collection, *Blue Rose*, navigate around the idea of the unattainable – the elusive nature of poetry, of knowledge, of the fact that we know so little of the lives of others, of the

world in which we live. Some poems respond to matters of women, birth, and the struggle for reproductive rights, or to issues like gun control and climate change, while others draw inspiration from the lives of women who persisted outside of convention, in poetry, art, science: the painter Paula Modersohn-Becker, the scientist and X-ray crystallographer Rosalind Franklin, and the Californian poet and writer Ina Coolbrith, the first poet laureate ever appointed in America.

*The Blue Rose* Anthony Eglin, 2010-04-01 Alex and Kate Sheppard have found the perfect house; the home they had always dreamed of owning. Nestled deep in the Wiltshire countryside and surrounded by a two-acre walled garden, The Parsonage was to be their own little paradise . . . but nothing stays perfect forever. Soon after moving in they make an impossibly exciting discovery--- one that defies every known law of nature and science. They find a blue rose bush flourishing in their walled garden. But as word of their discovery leaks out, the Sheppard's peaceful existence is shattered and they find themselves plunged into a world of coded journals, genetic experiments, cold-blooded greed, and, ultimately, murder. Threatened from every direction, with no one to trust but themselves and Lawrence Kingston, a gardening expert to whom they have revealed their exciting secret---the only way they can save their lives is to unravel the dark, seductive secret of the Blue Rose.

**"The Blue Rose That Lives Within"** Stacy Cook-Cooper, 2011-08-04 *The Blue Rose That Lives Within* is an emotional journey of my life and all the

struggles and hardships I have endured, being a single parent, to two of the most wonderful children, but also still searching for the one-true man to make my life whole is and obstacle I face everyday. People never realize that just by looking in someone's eyes what that says about them, and the walls around their heart they build to keep from being hurt by the scars that they carry daily of the reminders of love gone bad. Like me, there are other people in the world, who have had their lives torn apart, but they too, took a stand in life to raise their children, salvage their lives, and come out of it still believing in hope and God. Life isn't easy, and it never meets any of us half-way, but do we fear the unknown and just let it consume us...or do we realize life is all about chance and circumstance, I cannot answer for you, but for me, it is my time, not to sit it out, but dance.
