*Anthem Speed* Christopher Bolin, 2023-11-15 *Anthem Speed* affirms Christopher Bolin's emergence as a singular stylist in twenty-first century American poetry. By turns austere, gritty, futuristic, and visionary, Bolin's poems trace the romance between beauty and destruction like vapor trails, seeming to emerge from nowhere and yielding a lucid, unearthly glow, an evocation of absent presences and scattered signs: "among / the disinformation of the distress feeds," Bolin writes, "a pilot hears his coordinates / being called by other planes." This collection evokes the vividly mysterious remnants of a lost civilization. Its preoccupations are unnervingly familiar: war, injustice, brutalization of land, air, water, and species, technologies of terror and dehumanization. Simultaneously antique and space-age, inhabiting a world of elemental rites and of artificial imaginations, Bolin tests the acoustics of operating rooms, battlefields, courtrooms, and mountainsides, and envisions—with animal acuity—a world imperiled and empowered by its leaders and myths.

*Josh Bolin* Josh Bolin, 2016-04-24 Josh Bolin is an art book made for the Graduate Thesis at Cranbrook Academy of Art Painting, 2016. It is full of paintings and drawings from Josh Bolin's time at Cranbrook.

*Form from Form* Christopher Bolin, 2018-09-10 "Was it a crater or a sinkhole?" asks a voice in one of the mysterious, wonderstruck poems in Christopher Bolin's *Form from Form*, whose cadences modulate with the energies of form-making, deformation, and elusive reformation. Natural forms and forms of human manufacture, forms of absence and those of urgent desire construct and deconstruct each other in Bolin's singular music, which blends unnerving plainness and obliqueness, the childlike and the alien. As their sites drift from workers' camps to city squares, isolated coasts to windswept plains, the poems in *Form from Form* trace a map of a fragmented ecology, dense with physical detail of altered landscapes and displaced populations. In tones of austere beauty and harsh discordance, these poems provide a "field guide to luminescent things," a visionary fretwork of the possibilities and impossibilities of faith in the present moment.

**The Two Doors of Heaven** John Bolin, 2010-05-19 In this evangelistic book, John Bolin follows a fiction-meets-nonfiction approach to lead readers to a surprising encounter with Jesus—as they ponder the reality of heaven and how to get there. *The Two Doors of Heaven* begins with an extended story of Jack, a guynext-door kind of person who is killed in a freak accident while sitting at a coffee shop. He awakes in the afterlife and is taken on a journey toward his moment of judgment before God. Along the way he meets several people who help him unravel life's meaning. The second part of the book is like a personal conversation with the author. Bolin anticipates the questions and reflections readers have and helps them explore the real issues faced in regard to the two doors of heaven. "Every one of us has a reason—for what we do, for where we end up..." Journey with a man named Jack to the other side of eternity. After dying in a freak accident, he enters the afterlife with four others. In this new, hyper-real existence, they each see a vivid replay of their lives, complete with answers to haunting questions. Then comes the startling truth about what happens next. Two doors appear. One leads up. The other...down. Which will it be? Jack's inevitable destiny echoes the choices he made on earth. What if you could control where you're headed? Maybe you can. Find out what the two doors of heaven reveal for you... *Story Behind the Book* "In *The Two Doors of Heaven*, I want to lead non-Christians down the pathway toward a genuine encounter with Jesus. I want to catch their attention, then capture their hearts. My sense is that people today are increasingly haunted by questions about the life after this one. Vast numbers of them are not suppressing the issue of what eternity will mean for them personally, but are actively exploring it (as evidenced by the sales of books like *The Five People You Meet in Heaven* ).

They sense that what they do and think and believe today has a definite connection with getting into heaven—but they're by no means clear about it."

***Growing Up in a Culture of Respect*** Inge Bolin, 2010-01-01 Far from the mainstream of society, the pastoral community of Chillihuani in the high Peruvian Andes rears children who are well-adjusted, creative, and curious. They exhibit superior social and cognitive skills and maintain an attitude of respect for all life as they progress smoothly from childhood to adulthood without a troubled adolescence. What makes such child-rearing success even more remarkable is that childhood is not recognized as a distinct phase of life. Instead, children assume adult rights and responsibilities at an early age in order to help the community survive in a rugged natural environment and utter material poverty. This beautifully written ethnography provides the first full account of child-rearing practices in the high Peruvian Andes. Inge Bolin traces children's lives from birth to adulthood and finds truly amazing strategies of child rearing, as well as impressive ways of living that allow teenagers to enjoy the adolescent stage of their lives while contributing significantly to the welfare of their families and the community. Throughout her discussion, Bolin demonstrates that traditional practices of respect, whose roots reach back to pre-Columbian times, are what enable the children of the high Andes to mature into dignified, resilient, and caring adults.

**Ascension Theory** Christopher Bolin, 2013-10-15 "This meditation," writes Christopher Bolin in *Ascension Theory*, "is about appearing without notes between us: / it is practice for presenting oneself to God." Bolin's stark and masterful debut collection records a deeply moving attempt to restore poetry to the possibilities of redemptive action. The physical and emotional landscapes of these poems, rendered with clear-eyed precision, are beyond the reaches of protection and consolation: tundra, frozen sea, barren woodlands, skies littered with satellite trash, fields marked by abandoned, makeshift shrines, sick rooms, vacant reaches that provide "nodes / in every direction // for sensing // the second coming." Bolin's eye and mind are acutely tuned to the edges of broken objects and vistas, to the mysterious remnants out of which meaningful speech might be reconstituted. These poems unfold in a world of beautiful, crystalline absence, one that is nearly depopulated, as though encountered in the aftermath of an unnamed violence to the land and to the soul. In poems of prodigious elegance and anxious control, Bolin evokes influences as various as Robert Frost, James Wright, Robert Hass, George Oppen, and Robert Creeley, while fashioning his own original and urgent idiom, one that both theorizes and tests the prospects of imaginative ascension, and finds "new locutions for referencing / sky."

**Dead Girls** Alice Bolin, 2018-06-26 A NEW YORK TIMES NOTABLE BOOK OF 2018 An Edgar Award nominee for best critical / biographical Best of 2018 according to Kirkus, The Boston Globe, The New York Times, The Portland Mercury, Bustle, Thrillist, and Electric Lit A New York Times Editor's Choice, a best of summer 2018 according to Bitch Magazine, Harpers Bazaar, The Millions, Esquire, Refinery29, Nylon, PopSugar, The Chicago Tribune, Book Riot, and CrimeReads In this poignant collection, Alice Bolin examines iconic American works from the essays of Joan Didion and James Baldwin to *Twin Peaks*, Britney Spears, and *Serial*, illuminating the widespread obsession with women who are abused, killed, and disenfranchised, and whose bodies (dead and alive) are used as props to bolster men's stories. Smart and accessible, thoughtful and heartfelt, Bolin investigates the implications of our cultural fixations, and her own role as a consumer and creator. Bolin chronicles her life in Los Angeles, dissects the Noir, revisits her own coming of age, and analyzes stories of witches and werewolves, both appreciating and challenging the narratives we construct and absorb every day. *Dead Girls* begins by exploring the trope of dead women in fiction, and ends by interrogating the more complex dilemma of living women – both the persistent injustices they suffer and the oppression that white women help perpetrate. Reminiscent of the piercing insight of Rebecca Solnit and the critical skill of Hilton Als, Bolin constructs a sharp, perceptive, and revelatory dialogue on the portrayal of women in media and their roles in our culture.

**Daughter of the Empire State** Jacqueline A. McLeod, 2011-11-01 This long overdue biography elevates Jane Matilda Bolin to her rightful place in American history as an activist, integrationist, jurist, and outspoken public figure in the political and professional milieu of New York City before the onset of the modern Civil Rights movement. When Bolin was appointed to New York City's domestic relations court in 1939 for the first of four ten-year

terms, she became the nation's first African American woman judge. Drawing on archival materials as well as a meeting with Bolin in 2002, historian Jacqueline A. McLeod reveals how Bolin parlayed her judicial position to impact significant reforms of the legal and social service system in New York. Beginning with Bolin's childhood and educational experiences at Wellesley and Yale, *Daughter of the Empire State* chronicles Bolin's relatively quick rise through the ranks of a profession that routinely excluded both women and African Americans. McLeod links Bolin's activist leanings and integrationist zeal to her involvement in the NAACP and details her work as a critic and reformer of domestic relations courts and juvenile placement facilities.

Life Unlimited John Bolin, 2011-03-23 What's the secret to living a truly extraordinary life? John Bolin goes straight to the source for a Christ-inspired approach to personal growth and leadership development. Based on Luke 2:52, *The Call to Greatness* helps readers develop in the same ways that Jesus did: mentally, physically, spiritually and socially. Bolin has included a step-by-step program that allows readers to begin putting the principles into practice and achieve greater influence for God. A balanced and meaningful life is within reach!

*Bossism and Reform in a Southern City* James Duane Bolin, 2021-12-14 William Frederick Billy Klair (1875-1937) was the undisputed czar of Lexington, Kentucky, for decades. As political boss in a mid-sized, southern city, he faced problems strikingly similar to those of large cities in the North. As he watched the city grow from a sleepy market town of 16,000 residents to a bustling, active urban center of over 50,000, Klair saw changes that altered not just Lexington but the nation and the world: urbanization, industrialization, and immigration. But Klair did not merely watch these changes; like other political bosses and social reformers, he actively participated in the transformation of his city. As a political boss and a practitioner of what George Washington Plunkitt of Tammany Hall referred to as honest graft, Klair applied lessons of organization, innovation, manipulation, power, and control from the machine age to bring together diverse groups of Lexingtonians and Kentuckians as supporters of a powerful political machine. James Duane Bolin also examines the underside of the city, once known as the Athens of the West. He balances the postcard view of Bluegrass mansions and horse farms with the city's well-known vice district, housing problems, racial tensions, and corrupt politics. With the reality of life in Lexington as a backdrop, the career of Billy Klair provides as a valuable and engaging case study of the inner workings of a southern political machine.

The Broken Parachute Man Robert B. Bolin, 2009-01-07 After middling pharmaceutical company executive Clyde Young boards an airplane to attend a national meeting to make a presentation concerning his employers premium drug, his schedule is thrown into a curve when terrorists hijack the plane. After refusing to keep his head down, he is hurled out with a parachute that barely functions. He is able to survive in the wilderness, but upon his arrival back to civilization, no one believes his story. They assume he is one of the terrorists that hijacked the airplane, so Young escapes to Las Vegas to determine why he was targeted and who was responsible for his ordeal. He lives as a street person and meets four people who believe his story: a sociopath, a prostitute, an alcoholic doctor and a pickpocket. These people become his allies. They travel with him to the east coast and then to Europe. As Young continues his investigation, he discovers abuses on the part of his employer that could result in mortal danger for innumerable innocent patients. He must act quickly to expose the danger by staying one step ahead of the unknown criminals who are closing in on him and his allies.

*Seven Threadly Sins* Janet Bolin, 2015-05-05 Fashion turns killer in the latest novel from the national bestselling author of the Threadville mysteries... Threadville, Pennsylvania, is famous for its fabric, needlecraft, and embroidery, so it's only natural that it would become the home of the Threadville Academy of Design and Modeling. While Willow Vanderling has certainly never wanted to be a model, here she is, voluntarily strutting her stuff in a charity runway show in outrageous clothing, all to support the Academy's scholarship fund. But the lascivious, mean-spirited director of the academy, Antonio, is making the fashion show a less-than-fabulous affair. After Antonio plays a shocking prank on Willow and her friends that doesn't

exactly leave the ladies in stitches, he mysteriously winds up dead—and someone is trying to pin the blame on Willow. Now, she must do whatever it takes in order to clear her name, even if it means needling around in other people's secrets...

*Rituals of Respect* Inge Bolin, 2010-06-28 In the remoteness of their mountain retreat, the herders of Chillihuani, Peru, recognize that respect for others is the central and most significant element of all thought and action, observes Inge Bolin. Without respect, no society, no civilization, can flourish for long. Without respect, humanity is doomed and so is the earth, sustainer of all life. In this beautifully written ethnography, Bolin describes the rituals of respect that maintain harmonious relations among people, the natural world, and the realm of the gods in an isolated Andean community of llama and alpaca herders that reaches up to 16,500 feet. Bolin was the first foreigner to visit Chillihuani, and she was permitted to participate in private family rituals, as well as public ceremonies. In turn, she allows the villagers to explain the meaning of their rituals in their own words. From these first-hand experiences, Bolin offers an intimate portrait of an annual ritual cycle that dates back to Inca and pre-Inca times, including the ancient Pukllay; weddings; the Fiesta de Santiago, with its horse races on the top of the world; and Peru's Independence Day, when the Rituals of Respect for elders and young people alike are carried out within male and female hierarchies reminiscent of Inca times.

**Cherished Family Stories for Our Cherished Children** Mary Jane Bolin, 2022-08-10 Inspired by her mother's numerous tales of growing up in Nebraska during the Depression, and as her life as a young bride and as a nurse, Mary Jane began compiling these anecdotes years ago when she began to realize their significance to her family's history. With the birth of nieces and nephews and the death of her beloved mother came the realization that life does not last forever and the imperative to preserve these family treasures became even greater. With generous and enthusiastic contributions of photos, facts, details and insights, family members enhanced these stories and provided depth and luster to this glimpse into an American family descended from immigrants. Although it is typical in many ways, this family is unique – as perhaps all families are unique – and the author's gratitude to her parents, her sister and each of her relatives is boundless.

**Beckett and the Modern Novel** John Bolin, 2013 John Bolin challenges the notion that Beckett's fiction is best understood through philosophical or Anglo-Irish literary contexts.
