Forward Marcia Barrett,2018-06-21 Coming to London aged thirteen from desperate poverty in Jamaica; pregnant at fifteen; fifteen years later singing in Boney M, one of the biggest international groups of the late-1970s; a messy group split during the 1980s; a 1990s solo career interrupted by six bouts of cancer - ovarian, breast, lymph node (twice), spine and oesophagus - and having to learn to walk again. Yet throughout Marcia Barrett has remained totally cheerful, relentlessly optimistic and a shining inspiration, looking on every obstacle as a mere inconvenience rather than anything insurmountable. Now, she is ready to tell her fantastic story, which is much more than just a pop star autobiography. It is a charming, candid, laugh-out-loud story of survival, triumph, indomitable spirit and total upfullness, often driven by sheer force of will. It is a feelgood story which will resonate amongst all.

Ben thinks he's found a way to have his old life, his new life, and Travis too, but love isn't always easy. Will he learn to recognize that sometimes the worst thing imaginable can lead him to the place he was meant to be?

Boney Retribution John Wagner,2017-01-24 Dammit, Kyle! his father shouted. What have you done this time? Nothing, Dad. I This doesn't look like nothing to me! Does this look like nothing to you? Kyle Owens was the only one who believed the Buzz Killer was still alive. Then, the murders started again. Apparently, there aren't enough dead people in the world, Devon realized, and again, the evidence pointed to Kyle. Until the truth came out That would've been really important information a year ago. Devon is coerced to move from West Virginia, but for how long? He figured he would always be looking over his shoulder in case Kyle and his friends ever decided to return to Florida and finish their job. With a hurricane on the way, time was running out. He also knew that if he was going to get Kyle, he'd have to get his cop friend and FBI girlfriend too. Neither of them would stop.

A Race Against the Clock Brian Boney,2018-03-28 On June 21, 1964, civil rights workers Michael Scherner, Andrew Goodman, and James Chaney came to Mississippi to participate in what was known as Freedom Summer, a voter registration project dedicated to expanding the number of African-American voters in the South. The trio was arrested by a Neshoba County deputy sheriff near Philadelphia, Mississippi, but after being held in jail for

several hours, they were released. They were later shot to death and buried fifteen feet beneath an earthen dam, allegedly by members of the White Knights of the Ku Klux Klan. The state of Mississippi refused to pursue murder charges at the time; however, in 1967, several men were tried on federal civil rights violations for the murders, and among them was Edgar Ray Preacher Killen—who was not convicted. Decades later, in 2005, the state of Mississippi indicted Killen, who was then eighty years old, on three counts of second-degree murder, even though all parties involved, including the prosecution, agreed he was neither present at the murder scene, nor did he participate in the murders. While numerous stories and documentaries have covered this historical event, never before has it been seen through the eyes of one of the accused participants. Killen's account brings about a good number of questions: Was he a scapegoat? A political sacrifice? Was he convicted for public appeasement, a pawn in the political agenda of certain high-ranking officials? In *A Race Against the Clock: The Authorized Biography of Edgar Ray Preacher Killen*, author Brian Boney brings readers a compelling account of these events—from a different perspective. This is the other side of the story. As only Mr. Killen can tell it.

Against overwhelming odds, the little dog travels many miles, fighting nature and the wild dog pack to save his master. A story of courage, loyalty, and unconditional love that will be enjoyed by readers of all ages. Immerse into the shadowy and dangerous world of Michael in *Sugar of Lead*.
