Booma Booma Boom Gail Silver,2022-03-01 It's not the thunder that's so scary, just the way that it arrives. It comes without a warning, and takes us by surprise. In lively rhyming text, a courageous boy guides his stuffed animal companions and his parents through a thunderstorm using sensory-based mindfulness to navigate his fear and find quiet within the storm. Through this soothing story, kids will understand that thunderstorms can also bring good things, such as calming rain and water for plants. The atmospheric illustrations capture the darkness of a storm and the light that comes through as fear subsides. Includes a Reader's Note with more information about helping kids navigate their own fears around thunderstorms. A beautiful book to help young children with thunderstorm fears. It could also be used as a model to help with other fears. Gail Silver provides a concrete model of self-talk and soothing action, showing children how to calm themselves. Although the parents are recognized as a support, it is the child that takes control of his fears. The illustrations by Lisa Fields are exquisite and beautiful. As a pediatrician who is quite familiar with young children's fears, I recommend this excellent book for every young family's library. —M. Bidi McSorley, MD

Ants' Brigade Booma ESWARAMURTHY,2019-06-28 WHY THIS VOLUME?Latha RamakrishnanTamil is a language having a long, glorious history of Poetry, rich in style and content. Right from ancient poetry with rhyme and rhythm which has been evolving into free verse, modern poetry and neo-poetry with the passage of

Time, updating itself without losing its essential distinct traits and continuity. Booma Eswaramurthy is one of the significant Neo Tamil poets. His poems deal with human feelings and emotions, travails and traumas in an objective, calm and composed manner. His long poems comprising many segments as well as his short poems consciously avoid words and expressions redundant. Also, whether it is his short story or essay or poem they have an inherent enquiring tendency, probing into the mysteries and complexities of life. They seek and find the extraordinary from the mundane, ordinary aspects of life, highlighting the 'visions' that one can get from these, if only he or she cares to. This volume has some 50 small poems of Poet Booma Eswaramurthy and their English translations with the wish to enable the discerning readers of the wide world to have a peep into the realm of Booma Eswaramurthy's Poesy. I thank the poet for giving permission to translate his poems and for encouraging me in this initiative of publishing it through Amazon Kindle Direct Publishing.

Poet Booma Eswaramurthy – A Brief Introduction His original name is Eswaramurthy. Though he has been writing since the 70s he is identified as the poet of the 80s. After retiring from his Bank job he is now living in the city of Bengaluru in Karnataka State, India. His first poem-collection titled KAADHALAI KAADHAL ENDRUM SOLLALAAM (We can refer to Love as Love too) published in the 80s was well received and widely acclaimed. So far, one short story collection and nine poem-collection of Booma Eswaramurthy apart from several other works have been published. In simple word his poems convey poignant things in a picturesquely poetic manner. minute human feelings, stirs, misgivings and more are ably documented in his poems. He desires to present his poems in the backdrop of the different landscapes classified as Mullai, Marutham,

Neidal in ancient Tamil Literature. The poet wants to express his love for all living beings and spread his universal love through Poetry. NO LAURELS NEEDED FOR LOVE AND POETRY Booma

Eswaramurthy No laurels are required for Love and Poems. Yet, we admire and applaud. Heart can never be alone. The very nature of heart is to hold on to something; somebody. After internalizing Love, Art and Literature come closer. When Love flows without blockades, wholesomely in the body and mind poesy becomes consummate. Love that does not love just itself has the possibility of blooming. Expressions in writing of the melting that takes place in the heart of hearts, the ecstasy we experience, absolute despair and helplessness bear witness to Love and the associated agonies and anguishes. They strive to make the poems operate in a moment infinite and at times succeed splendidly in doing so. No laurels are required for Love and Poems. Yet, we admire and applaud. No leaves branches not seen the branches are brimming with blossoms beneath the shade of blossoms I am Unlike the sun the rain that soaks the body gives not the gift of shade However, in poems

Marblehead's First Harbor Hugh Peabody Bishop, Brenda Bishop Booma, 2011-11-18 The true beauty and fury of the Atlantic Ocean are known only by the rugged individuals who have made their living from the sea. In the seventy-five years from the American Revolution to the middle of the nineteenth century, Marblehead, Massachusetts, experienced a golden age of fishing. For the next fifty years, the industry struggled, but from 1900 until the end of the twentieth century, one small anchorage made itself proud. From boat building to sail design, First Harbor produced creative men whose innovations helped shape marine history. Join Hugh Peabody Bishop and Brenda Bishop Booma as they reveal this story through the eyes of a Marblehead fisherman, drawn uncontrollably by his love for the sea.

Our Inactive Medical and Judicial Systems Mary Sansiviero,2011-06-03 The true story you are about to read is an

attempt by the writer to balance the unplanned, deep challenges faced when thrown into the legal and medical arenas. The writer will give a blistering account of her struggle against injustice due to legal and medical incompetence. I hope that this true story will continue to remain a harsh reminder of just how vulnerable we, the public, are in the hands of our medical and judicial systems. Trusting this narrative will be timely for those who are presently involved in litigation or who may very well become involved in the future.
