**The New Winter Soldiers** Richard R. Moser, 1996  
Richard Moser uses interviews and personal stories of Vietnam veterans to offer a fundamentally new interpretation of the Vietnam War and the antiwar movement. Although the Vietnam War was the most important conflict of recent American history, its decisive battle was not fought in the jungles of

Vietnam, or even in the streets of the United States, but rather in the hearts and minds of American soldiers. To a degree unprecedented in American history, soldiers and veterans acted to oppose the very war they waged. Tens of thousands of soldiers and veterans engaged in desperate conflicts with their superiors and opposed the war through peaceful protest, creating a mass movement of dissident organizations and underground newspapers. Moser shows how the antiwar soldiers lived out the long tradition of the citizen soldier first created in the American Revolution and Civil War. Unlike those great upheavals of the past, the Vietnam War offered no way to fulfill the citizen-soldier's struggle for freedom and justice. Rather than abandoning such ideals, however, tens of thousands abandoned the war effort and instead fulfilled their heroic expectations in the movements for peace and justice. According to Moser, this transformation of warriors into peacemakers is the most important recent development of our military culture. The struggle for peace took these new winter soldiers into America rather than away from it. Collectively these men and women discovered the continuing potential of American culture to advance the values of freedom, equality, and justice on which the nation was founded.

*The Fighter* Craig Davidson, 2007 Paul Harris leads a sheltered life. The son of a wealthy southern Ontario winery owner, his suits and cars are paid for, his career in the family business assured. But after a vicious beating shakes his world, he descends into the realm of hardcore

bodybuilders and boxing gyms, reveling in suffering and seeking to become a real man. Rob Tully, a working class teenager from upstate New York, is a born boxer. He trains with his father and uncle but struggles with the weight of their expectations. Their disparate paths lead to The Barn, an underground bare-knuckle fight venue where vicious and hopeless men brawl for cold hard cash.

*The Bluebonnet Battlefield* Doug Shryock,Allen Martin,2011-08 Captain Tom Duncan is on the way up as an expert targeteer for the United States

military. Unlike many of his peers, Duncan has an almost preternatural feel for the world at war. He's able to plan strategic campaigns, identify the enemy's critical weaknesses, and exploit vulnerabilities faster than the competition-which makes him a shoe-in for a promotion. Soon, he could become a major or maybe even colonel. As Duncan's military dreams come true, his eyes are opened to the monstrous ways of his own government at war, and he's sickened by the unnecessary violence. When the enemy escalates with the introduction of chemical munitions against civilians, Duncan's boss wants to make an example- by which he means the use of weapons of mass destruction, otherwise known as nukes. Duncan knows there's no coming back from WMDs. In order to make a point without bloody consequence, Duncan arranges for a clean, efficient attack-an attack that goes horribly wrong. To his utmost regret, it's not the enemy but friendly civilians and American military personnel who suffer. So begins a battle between the state of Texas and the United States government ... but whose side will Duncan choose?

Cellini-Freedom Fighter Mick J. Prodder, Vito Cellini, 2019-10-01 For years, Italian-American Vito Cellini kept his mouth shut to protect himself and his family. Now in his 90s, he wants to tell his story. Born in New York, raised in Italy, Vito "Tutuc" Cellini was forced to join the fascist Italian army in WW2, then deserted to fight with communist Partisans in Yugoslavia. Later he became an undercover agent for Allied

Intelligence. Trusted friend to a Mafia consigliere and respected by the New York mob... he was hired to negotiate with deadly organized crime bosses in Naples... was embroiled in an assassination that led to the Sandanista uprising in Nicaragua... acted as bodyguard to a merciless Mexican drug lord. A self-taught mechanic and gunsmith with 19 patents, one of his inventions was financed by a high-profile Texas billionaire and adopted by US Special Forces. "Cellini Freedom Fighter" earned a Starred Review and was named a "Best Indie Book of 2018" by Kirkus Reviews.

The Fighter of Auschwitz Erik Brouwer, 2023-08-17  
\*\*A SUNDAY TIMES BESTSELLER\*\* 'He had the dream again last night... He taps the gloves of his unbeaten Polish opponent. There are rumours that

the loser will be sent to the gas chamber.' In 1943, the Dutch champion boxer, Leen Sanders, was sent to Auschwitz. His wife and children were put to death while he was sent 'to the left' with the others who were fit enough for labour. Recognised by an SS officer, he was earmarked for a 'privileged' post in the kitchens in exchange for weekly boxing matches for the entertainment of the Nazi guards. From there, he enacted his resistance to their limitless cruelty. With great risk and danger to his own life, Leen stole, concealed and smuggled food and clothing from SS nursing units for years to alleviate the unbearable suffering of the prisoners in need. He also regularly supplied extra food to the Dutch women in Dr. Mengele's experiment, Block 10. To his fellow Jews in the camp, he acted as a rescuer, leader and role model, defending them even on their bitter death march to Dachau towards the end of the war. A story of astonishing resilience and compassion, *The Fighter of Auschwitz* is a testament to the endurance of humanity in the face of extraordinary evil.
