The Adventures of Lucky and Boppa Denise A. Moog, 2016-07-20 This book is about the love between a grandfather and his grandson, along with the fun-filled adventures and learning experiences they shared. Lucky got his nickname from his grandfather Boppa because his grandson was born premature and very lucky to be here. Boppa wanted to show Lucky the world and how wonderful it is to be alive! I hope you enjoy this magical journey, and hopefully, you can share in this adventure. So, while these stories are being read, you can imagine you are right there with Lucky and Boppa and have a fun time too!

Boppla Paints Her Micro-Joys Mattyna L Stephens, 2023-06-16 In the author's second book, Boppla Paints Her Micro-Joys, Ms. Sugarbridge, Boppla's teacher, calls the students to the carpet to ask for suggestions for the Art activity. Boppla suggests to Ms. Sugarbridge that the class paint their micro-joys. Micro-joys are the small things that make you happy. Ms. Sugarbridge agreed, and Boppla and the other students ran to their easels to paint their micro-joys. Afterward, Ms. Sugarbridge asks the children to share their paintings with the class. When Boppla shares her painting, it incorporates many smiling faces, rich colors, a landmark, and great outdoor adventure activities that represent her micro-joys. This book is designed to encourage early literacy through color recognition, group interaction, and recognizing the significance of the small things surrounding us that bring us joy. Remarkably, bold illustrations by Travis A. Thompson help bring to life Boppla's experiences as she paints her micro-joys.

Dancing with God Roger Button,2014-03 This book is dedicated to helping people see God in the everydayness of life.

Time Before Time A. James Reichley,2011-10-11 Nick Durand grows from childhood to adolescence in St. Ives, a small mining town in the hard coal region of upstate Pennsylvania during the Depression years of the 1930s. As the adult world around him struggles with economic hard times and reacts to explosive national and international crises, he witnesses outbursts of social violence in the street outside his home, hard fought political campaigns, acts of personal kindness and treachery, and games of adult passion and ambition that he only dimly understands. At the same time he experiences with a loosely knit gang of same-age friends adventures, torments, and startling joys of early youth. In the course of the book one of Nick's mother's closest friends, the vivacious Thelma Lark, becomes entangled in a dangerous affair with a charismatic local politician, Nick and his father try to solve a mysterious apparent murder, Nick fears that a hex has invaded his home, holidays and weddings are celebrated, mysteries of life and death are pondered, prayers are raised, and Nick feels budding drives of desire and romantic love while discovering moral complexity in his family and friends as America moves toward entrance into the Second World War.

When Boppa Was a Boy Kurt D. Thelen,2013-07 Even the most ordinary everyday experiences from a preceding time or place can take on the extraordinary when recalled in a modern context. This story is told from the author's perspective as a grade school-aged boy growing up on a typical Midwestern dairy farm during the transitional time period of the mid-1900's. Many of the chapters involve the day to day experiences associated with typical farm work including milking cows, feeding calves, and growing crops, but mostly they involve the many fun adventures facilitated by the people, farms, creeks and woodlots of the rural Michigan landscape.
