Channel Kindness: Stories of Kindness and Community Born This Way Foundation Reporters, Lady Gaga, 2020-09-22 A New York Times Bestseller For Lady Gaga, kindness is the driving force behind everything she says and does. The quiet power of kindness can change the way we view one another, our communities, and even ourselves. She embodies this mission, and through her work, brings more kindness into our world every single day. Lady Gaga has always believed in the importance of being yourself, being kind to yourself, and being kind to others, no matter who they are or where they come from. With that sentiment in mind, she and her mother, Cynthia Germanotta, founded Born This Way Foundation, a nonprofit organization dedicated to making the world a kinder and braver place. Through the years, they've collected stories of kindness, bravery and resilience from young people all over the world, proving that kindness truly is the universal language. And now, we invite you to read these stories and follow along as each and every young author finds their voice just as Lady Gaga has found hers. Within these pages, you'll meet young changemakers who found their inner strength, who prevailed in the face of bullies, who started their own social movements, who decided to break through the mental health stigma and share how they felt, who created safe spaces for LGBTQ+ youth, and who have embraced kindness with every fiber of their being by helping others without the expectation of anything in return. In one story, you'll read about a young person with an autoimmune disease, who after being bullied at school, learned how to practice self-love and started an organization with the mission of educating others about the importance of self-love, too; and in another story, you'll meet a young person who decided to start a movement to help eliminate the stigma surrounding mental health and encouraged others to talk about their feelings openly and honestly, a reminder that kindness and mental wellness go hand in hand. Not only were we moved by these individual acts of kindness, but we were also touched by the many stories of organizations, neighborhoods, and entire communities that fully dedicated themselves to helping those in need and found new, innovative ways to make our world a kinder and braver place. Individually and collectively, these stories prove that kindness not only saves lives but builds community. Kindness is inclusion, it is pride, it is empathy, it is compassion, it is self-respect and it is the guiding light to love. Kindness is always transformational, and its never-ending ripples result in even more kind acts that can change our lives, our communities, and our world.

**I Was Born This Way** Carl Bean, 2010-06-01 In *I Was Born This Way*, Carl Bean, former Motown recording artist, noted AIDS activist, and founder of the Unity Fellowship of Christ Church in Los Angeles, shares his extraordinary personal journey from Baltimore foster homes to the stage of the Apollo Theater and beyond. CARL BEAN has been crossing boundaries all his life and helping others do the same. He's never been stopped by his race or orientation, never fit or stayed in the boxes people have wanted to put him in. He left his foster home in Baltimore at seventeen and took the bus to New York City, where he quickly found the rich culture of the Harlem churches. As a singer, first with the gospel Alex Bradford Singers and later as a Motown recording artist, Bean was a sensation. When Berry Gordy signed him to record *I Was Born This Way*, it was a first: the biggest black-owned record company broadcasting a statement on gender identity. The #1 song, recorded with the Sweet Inspirations, was the first gay liberation dance club hit. Whether making records, educating the black community about HIV and AIDS, or preaching to his growing congregation, Archbishop Bean has never wanted to minister to just one group. He's worked on AIDS issues with C. Everett Koop and Elizabeth Taylor and on civil rights issues with Maxine Waters, Julian Bond, and Reverend Joseph Lowery. At the height of his recording career, he worked with Dionne Warwick, Burt Bacharach, Miles Davis, and Sammy Davis Jr. He's brought South Central Los Angeles gang members into his church, which now has 25,000 members in twelve cities nationwide; those same Crips and Bloods have shown up at the Gay Pride parades Bean has organized with U.S. Congresswoman Maxine Waters. And he has courageously devoted his time and energy to spurring black civil rights leaders to address the AIDS health crisis within the African American community—an issue on which they had been silent. Preaching an all-embracing progressive theology, he is an outspoken practitioner of brotherly

love, a dynamic preacher, and a social activist. The Unity Fellowship message is grace: God is love, and God is for everyone; God is gay, God is straight, God is black, God is white. *I Was Born This Way* is the rare personal history of one of black gospel's biggest stars and a frank, powerful, and warmhearted testament to how one man found his calling.

**Born This Way** Sacha Lanvin Baumann, 2015-10-31 In February 1978, when the flawless Gia Carangi arrived in New York at the age of barely eighteen, she had already landed a contract with one of the most prestigious modeling agencies in the world. The future that lay before her seemed dazzling. Blessed with a magnetic beauty and a unique personality, the young Philadelphia native reached the peak of success in only a few months, quickly joining the elite ranks of supermodels. One of the most requested models in her field, Gia appeared regularly in such magazines as *Vogue*, *Harper's Bazaar*, and *Cosmopolitan*. For all intents and purposes, Gia's life quickly became a fairy tale-or so it seemed. In only a few years, Gia's destiny was complicated by unscrupulous individuals and by her inability to manage her cataclysmic success. Once on that road, the legendary model began a decline that led to her tragic end. *Born This Way* brings to light never-before-heard stories and unusual memories of Gia, offering new perspectives on her life, career, and personality. Through these previously unpublished accounts by those who knew and worked with Gia, Lanvin shines a spotlight on the woman herself, peering beneath the fast-lane glamor and the fame to capture the true essence of a supermodel who continues to mesmerize the world even decades after her death.

**Born Again This Way** Rachel Gilson, 2020-03 Addresses some of the questions raised by Christians with same-sex attraction. As a Christian who experiences same-sex attraction, is it possible to live a life that's both faithful and fulfilling? Rachel Gilson wants to show you that it is and that it's not just a case of limping to the finish line, it's possible to run the race with joy. In this powerful and personal book, she describes her own unexpected journey of coming out and coming to faith... and what came next. As she does so, she addresses many of the questions that Christians living with same-sex attraction are wrestling with: Am I consigned to a life of loneliness? How do I navigate my friendships? Will my desires ever change? Is there some greater purpose to all this? What comes next, and next, and next? Drawing on insights from the Bible and the experiences of others, *Born Again This Way* provides assurance and encouragement for Christians with same-sex attraction, and paints a compelling picture of discipleship for every believer. Whatever your sexuality, this book is an inspiring testimony of how a life submitted to Jesus will be fulfilling and fruitful, but not always in the ways we might expect.

**Born This Way Sheet Music** Lady Gaga, 2011-03-01 (Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part, as well as in the vocal line.

**Born That Way** William Wright, 2013-06-17 Taking the nature vs. nurture debate to a new level, this fascinating, comprehensive journey into the world of genetic research and molecular biology offers a fresh assessment of the work that has been done in this relatively new field during the last half century-work that has demolished common assumptions and overturned existing theories about what determines our personality and behavior.

*Born to Sparkle* Megan Bomgaars,2021-09-07 Lions are the kings and queens of the jungle but how did they come to be as fabulous as they are? They SPARKLE! The best way to sparkle is to live your dreams and share them with the world. The inspiring message behind this adorable book comes from author Megan Bomgaars's viral video Don't Limit Me, and encourages readers to follow whatever dreams they may have in order to find the sparkle inside of them.

**Born This Way** Joanna Wuest,2023-09-15 Across protests and courtrooms, LGBTQ activists argue that true sex or sexuality is encoded deep down, that it circulates in blood and is an expression of brain shapes and genetic codes. Their opponents incite panic over luring child groomers and a contagious gender ideology which corrupts the brains-and then bodies-of susceptible teenagers. In *Born This Way: Science, Citizenship, and Inequality in the American LGBTQ Movement*, Joanna Wuest tells the history of the LGBTQ rights movement, the modern scientific study of gender and sexuality, and the identity politics that formed at the nexus. She too reveals how conservative leaders have undermined science's ability to assist equal rights campaigns, reproductive rights, and climate change policies alike. *Born This Way* is at once a celebratory and cautionary tale, one which delineates a minority rights movement's impressive victories, its powerful and persuasive allies, and the ongoing assault on equality and science alike--

*Born This Way* Eve Morton,2023-10-14 Jacob Matthews has gotten really sick of confessing his autobiography every time he meets someone new. Ever since coming out as a gay transgender man, Jacob feels as if no one really cares about who he is right now. Instead, they would much rather have access to his past and create another Lifetime movie out of it. The typical transgender narrative, Jacob notes, always ends in surgery or tragedy. It's been two years since Jacob's crossed the final marker to become who he is, and he's running out of options of what to do next. The only way that Jacob can overcome his own backstory is by blending in. Every Tuesday Night, he heads out to the local gay club called Boy Division and watches gay men from the sidelines. But when Jacob hooks up with a stranger who understands him with just a simple look, Jacob soon realizes that blending into the walls no longer satisfies him. Jacob soon runs into his old friends at the LGBT community center, where he is forced to reconsider his life beyond rainbow colors and poppy disco beats. In group therapy, Jacob is confronted by the harsh realities of being transgender, hate crime violence, and the dwindling offers for his future. Just before Jacob leaves, his favorite doctor makes him a bet: if Jacob can find someone to connect to, then she will renew his testosterone prescription without question or qualm. She urges him to find some type of community, even if it's not in the community center's brightly painted walls. Jacob takes the bet, figuring he has nothing to lose but his happy ending that may -- or may not -- really exist. He becomes determined to find the mystery man from the club again, even if it means blowing his cover.

**Born This Way** Paul Vitagliano,2012-10-09 Based on the hugely popular blog of the same name, *Born This Way* shares 100 different memories of growing up LGBTQ. Childhood photographs are accompanied by sweet, funny, and at times heartbreaking personal stories. Collected from around the world and dating from the 1940s to today, these memories speak to the hardships of an unaccepting world and the triumph of pride, self-love, and self-acceptance. This intimate little book is a wonderful gift for all members of the LGBTQ community as well as their friends and families. Like Dan Savage's *It Gets Better Project*, *Born This Way* gives young people everywhere the courage to say, "Yes, I'm gay. And I was born this way. I've known it since I was very young, and this is my story."

**Born This Way** Jordan Huffman,2011-12-10 A biography about my life with Asperger's Syndrome, a form of autism, I share my life story and the good things and bad things I have faced. I touch on different aspects and traits of autism and explain them the best way they can be. . .from an autistic person.--Amazon.com.

**Born That Way After All** Dr David J Nixon,R G Hamm,2015-09-15 Why do some people lack a desire for the opposite sex? They feel weird, like an

outcast, often getting bullied or ridiculed for being different. Sometimes they feel trapped in their own bodies with nowhere to turn as they search for answers. It seems obvious that many people experience this. We see them on TV, in movies, and everywhere we turn. Are they gay? Is that the only sensible explanation? In *Born That Way After All*, you will see the Biblical fact of men and women who were created different and special-unique servants of the Lord. God has created every human being with a unique purpose: do you know yours? To Pastors and Church Leaders: How would it feel growing up and knowing there is something different about you? You might be surprised if you knew how many families and friends in your own congregation struggle. They don't want to. They despise it. They need your help. Are you willing to provide that help? Are you prepared to answer their questions? This book can help you learn how to help them-we guarantee it. Remember God's declaration in Hosea 4:6, My people are destroyed for lack of knowledge. Let's destroy the void and help the hurting.

*Daisy Moon Was Born This Way* Emily Sheehan, Joanna Murray-Smith, 2019-05-23 You don't wanna fit in. You wanna stand out. Way out. So far out they'd think you were from outer space. Bright eyed and eccentric 14-year-old Daisy Moon is President and Founder of the Bateman's Bay Little Monsters Fan Club. She holds her club meetings inside the dusty beachside bus stop on her front lawn. She's the club's only member. Her 18-year-old brother Noah couldn't be more different. An elite athlete on the cusp of cracking national competitions, his world falls apart when he's caught cheating on a time trial. The both dream big, but are stuck in a world too small. Set in a coastal town, this play draws on Australian iconography of the faded beachside surf club, but turns it on its head by drenching it with pop-culture and contemporary teen attitude.

*I Was Born This Way* Doug Green, 2010-10 In his memoir *I Was Born This Way*, Doug Green shares his seventy-year journey as a homosexual man and divulges the challenges and life lessons he faced along the way. As a boy growing up in the 1940s, Green endured endless teasing from his peers who mocked his lisp and mincing gait. Timid and fearful, he seemed to disappoint his parents at every turn. As a teenager, a psychiatrist suggested military prep school as a way to encourage Green to outgrow what he considered to be a phase. But Green knew what he was feeling was not just a stage-he was gay. As Green reveals his early attractions to men, he also discloses how he posed as a heterosexual for many years, a decision that not only hurt himself, but also others in his life. During a time when being homosexual was not widely accepted in society, Green details how a move to New York City finally provided the balm for his shattered self-esteem, eventually leading him into the arms of his life companion. *I Was Born This Way* offers an honest, self-disclosing glimpse into one man's life as he finds respect, understanding, and finally, self-acceptance.

*Heal This Way* Tracey B. Wilson, 2013-10 Lady Gaga's biggest fans share their raw emotions about coming out, bullying, thoughts of suicide, and the need for acceptance, in this inspirational new book. Quotes and letters are accompanied by stunning Little Monster portraits that invite you into the soul. This beautiful, thought provoking book is geared to LGBTQ youth, teens yearning to fit in, and fans of pop culture. Lady Gaga's Little Monsters will inspire you to change the world.
