## **Robert Ludlum's (TM) The Bourne Ascendancy Eric Van**

Lustbader,2014-06-10 Jason Bourne is one of the most popular and compelling characters in contemporary fiction. Originally created by bestselling author Robert Ludlum, the Jason Bourne series was later adapted into films that have become modern classics. Now, New York Times bestselling writer Eric Van Lustbader carries on Jason Bourne's story with a new novel about the rogue secret agent who has lost his memory . . . THE BOURNE ASCENDANCY In this thrilling and absorbing new novel Jason Bourne is faced with an impossible mission. He has been hired to impersonate a high-level government minister at a political summit meeting in Qatar, shielding the minister from any assassination attempts. Suddenly, armed gunmen storm the room, killing everyone but Bourne. Their target, however, isn't the minister Bourne impersonates....it is Bourne himself. Kidnapped and transported to an underground bunker, Bourne finds himself face-to-face with an infamous terrorist named El Ghdan (Tomorrow). El Ghdan holds as his captive Soraya Moore, former co-director of Treadstone, and a close friend to Bourne, along with her two year old daughter. Meanwhile, the President of the United States is in

the midst of brokering a historic peace treaty between the Israelis and the Palestinians-an event that El Ghdan is desperate to prevent. He demands that Bourne carry out a special mission: kill the President. If Bourne refuses, Soraya and her daughter will die. Bourne must make a monstrous choice: save Soraya and her daughter, or save the President.

Efraim's Eye William Peace,2013-01-04 The London Eye and  
its 800 riders are the target for Efraim, an Iraqi terrorist. Funded by  
his half-brother, Yusuf, the corrupt chief executive of a Moroccan  
charity, Efraim travels to Pakistan, Afghanistan, Georgia,  
Azerbaijan, and Chechnya to build the necessary shaped  
charges.Paul, a British financial consultant, is sent to investigate  
the Moroccan charity by its British parent organization. He is joined  
in Marrakech by Naomi, the operations director of the British

charity. Naomi is a beautiful Israeli, who speaks seven languages and is an accomplished musician. Will Paul and Naomi discover Yusuf's corruption and his link to Efraim? Can they prevent the destruction of the Eye? And, do they have a future together?

*The Rise and Fall of the German Combinatorial Analysis*

Eduardo Noble, 2022-05-30 This text presents the ideas of a particular group of mathematicians of the late 18th century known as "the German combinatorial school" and its influence. The book tackles several questions concerning the emergence and historical development of the German combinatorial analysis, which was the unfinished scientific research project of that group of mathematicians. The historical survey covers the three main episodes in the evolution of that research project: its theoretical antecedents (which go back to the innovative ideas on mathematical analysis of the late 17th century) and first formulation, its consolidation as a foundationalist project of mathematical analysis, and its dissolution at the beginning of the 19th century. In addition, the book analyzes the influence of the ideas of the combinatorial school on German mathematics throughout the 19th century.

*Mithraic Societies: From Brotherhood to Religion's Adversary - (b&w)* Abolala Soudavar,2018-02-21 Although by its title, this book seems to be about a specialized topic, the spread of Mithraic societies and its avatars, in time and geographical expanse, much enhances its relevancy. From Roman legionaries to chivalry orders, from dervish circles to guild organizations, and from Freemasons to French revolutionaries, the hierarchy of Mithraic societies, their initiation rites, and their oaths of secrecy, provided a model for brotherhood organization that was efficient, but also flexible; they could adapt their philosophy to the prevailing politico-religion conditions of the day, because they did not worship any particular god, but could also be comrades in arms with nascent religious movements, such as with Christianity. Mithra was the initial guarantor of their oath, and if need be it could be replaced by Jesus, Allah or any other divinity. Their ÒreligionÓ was their brotherhood, and as such they usually provided a counter-balance to the power elite, and had the potential to become politically active.

**Robert Ludlum's (TM) The Bourne Enigma Eric Van**

Lustbader,2016-06-21 A NEW JASON BOURNE NOVEL! On the eve of Russian general Boris Karpov's wedding, Jason Bourne receives an enigmatic message from his old friend and fellow spymaster. In Moscow, what should be a joyous occasion turns bloody and lethal. Now Bourne is the only one who can decipher Karpov's cryptogram. He discovers that Karpov has betrayed his sovereign to warn Bourne of a crippling disaster about to be visited on the world. Bourne has only four days to discover the nature of the disaster and stop it. The trail Karpov has been following leads Bourne to Cairo and the doorstep of Ivan Borz, the elusive international arms dealer infamous for hiding behind a never-ending series of false identities, a man Bourne has been hunting ever since he abducted former Treadstone director Soraya Moore and her two-year-old daughter and brutally murdered Soraya's husband. Bourne must travel to war-torn Syria and then Cyprus as he chases the astonishing truth. The clock is ticking, and Bourne has less than four days to solve Karpov's riddle--and hunt down Borz--if he hopes to prevent a cataclysmic international war . . .

*Cultured Grugs* John Borzoi Chapman,2022-07-27 The

problem with intellectuals is they try to impress people who don't matter. Cultured Grugs: Dispatches from America in Collapse is a selection of essays by John Borzoi Chapman written since 2018, including pieces publishing in The American Sun and on his blog, Race Borz, as well as several new essays. A prolific writer and podcaster, Chapman meticulously critiques the ills of the modern world in a fashion that is at once black-pilling and hopeful, sober and witty. As he humbly bears witness to the fire around us, while looking to the future, Chapman concludes with a letter addressed to his unborn child. Antelope Hill Publishing is proud to preserve John Borzoi Chapman's previous writings in physical form and publish his additional essays for his print debut: Cultured Grugs: Dispatches From America in Collapse.
