*Performance at the Limit* Mark Jenkins, Ken Pasternak, Richard West, 2009-04-23 Can you imagine your organisation as a Ferrari or a McLaren, a Toyota or a Force India? Your management team as a pit crew? Your sales force as the race team and your marketing and research department as the design studio creating a Formula 1 car? Formula 1 has an estimated turnover of \$4bn, employs 50,000 people in more than 30 countries and has a foothold in every major and developing economy. With performance as the central focus of every organization, *Performance at the Limit* uses the case of Formula 1 motorsport as an example of how business can achieve optimal performance in highly competitive environments where dealing with change effectively is paramount. This second edition builds on the success of the first and contains a wealth of new material, including many more interviews with Formula 1 drivers and other key executives active in the sport.

### **Road & Track , 2006**

Kelly Moran Brian Burford, 2014-06-02 This is the book that speedway fans the world over have been waiting for: the inside story of the Californian hell-raiser, Kelly Moran. The charismatic American was one of the most spectacular and naturally talented riders to race speedway and very few share that incredible ability which ensured that he performed at the highest level for most of his career. A three-times World Finalist, double World Team Champio and US National Champion, Kelly's

talent as a racer took him around the world, while his exploits off the track have become legendary - making him one of the most popular riders ever. From leading the USA to world glory, via a near-death hotel accident, to joy-riding in a president's bus, Brian Burford's new book mixes the legendary tales of excess of the track with the success and popularity on the race circuit. With contributions from his family, friends and rivals, and written by one of his closest friends, this book finally brings you the real story of Kelly Moran.

Racing with Heroes Reg May, 2013-11-15 Retells the stories, revisits the settings and reveals the characters involved in what have been some of the most thrilling and iconic motor races between 1935 and 2011. Featuring such greats as Tazio Nuvolari, Stirling Moss, Juan Fangio, and James Hunt, to name just a few, the book also includes fan photos and memorabilia collected during the era, and personal experiences of many of these great events.

**Rush to Glory** Tom Rubython, 2013-08-01 The greatest duel in FORMULA 1 history: the 1976 season between Austrian Niki Lauda and Britain's James Hunt. As the '75 season ended, Hunt was out of FORMULA 1 racing while Lauda was world champion and the odds-on favorite for '76 with a year's contract ahead of him and Enzo Ferrari begging him to sign a multi-year deal. James Hunt, without a drive until Emerson Fittipaldi broke his McLaren contract, grabbed the McLaren drive with both

hands and the help of friend John Hogan and Marlboro cigarettes. The result? Two drivers in an epic sixteen-race battle across the globe for the '76 title, ultimately decided by a single point. Fame, wealth, drugs, sex, and the rest of globetrotting 1970s FORMULA 1 racing are encompassed in the Lauda vs. Hunt duel. At the '76 German Grand Prix, Lauda nearly died in a fiery crash, only to emerge six weeks later, severe burns on his face and head, to pursue his rivalry with Hunt. It all came down to the last race, a rain-soaked affair in Japan, where Hunt won the championship by the slimmest possible margin. The book is a study in contrasts during an era of Brut aftershave and disco sex parties. James Hunt, legendary philanderer and FORMULA 1 rock star, versus supernatural racer Niki Lauda, who in '75 set the first sub-seven minute lap around the Ring.

**The Jack Brabham Story** Jack Brabham,Doug Nye,2004-02-26 This title covers the career of Jack Brabham, which saw him win three Formula 1 Driver's World Championship titles, multiple F2 Championships, become the world's first dominant manufacturer of single-seater racing cars and the first driver to win a World Title in a car bearing his own name.

*Brabham* Tony Davis,Tony Davis And Akos Armont,2019-09-26 The story of Australia's greatest motoring hero. Sir Jack Brabham was unique in the world of motor racing. He was the boy from Sydney who took on the elite of motor racing and won three F1 world championships, the last one in a car not only built by his own Brabham company, but with an Australian engine he'd helped develop. To those who saw him on the podium, Jack Brabham might have seemed glorious and triumphant. But he was also a man of secrets. He shunned the media, rarely using 'two words when none would do'. He kept vital information from his competitors, his team mates - and his family. It led to unrivalled success. It led to wealth too, much of it hidden around the world. But it also left a trail of hurt and bewilderment ... In this first ever book-length biography of Jack Brabham, his extraordinary accomplishments are laid out with new commentary from his rivals, colleagues, employees and long-time engineering partner Ron Tauranac. And, with the help of his sons Geoffrey and David, it represents the first major attempt to unravel the enigma who became known as 'Black Jack'.

*Williams* Américo Teixeira Junior,2023-06-20 Antes de criar uma das mais vitoriosas e consagradas equipes da Fórmula 1, Frank Williams viveu o pão que o diabo amassou. Foram anos de sacrifícios que impunham fugir da falência como o maior desafio. Se a Williams Grand Prix Engineering, dos títulos de construtores e

pilotos, foi inaugurada em 1977, a trajetória do chefe de equipe inglês havia começado bem antes, em 1969. Com a fundação da Frank Williams Racing Cars em 1966, e a entrada na Fórmula 1 três anos depois, o nome Williams não esteve vinculado a conquistas e glórias, mas às incontáveis agruras de um fase técnica e financeiramente paupérrima. Esse livro é uma homenagem ao jovem e persistente Frank Williams. A história das vacas gordas é muito conhecida, mas o que o leitor encontrará aqui é justamente aquela em que os verbos falir, resistir, sobreviver eram os que ecoavam no entorno deste verdadeiro herói do automobilismo.
