Andrew van de Burgt

Brabham Alan Henry,1985

The Jack Brabham Story Jack Brabham,Doug Nye,2004-02-26 This title covers the career of Jack Brabham, which saw him win three Formula 1 Driver's World Championship titles, multiple F2 Championships, become the world's first dominant manufacturer of single-seater racing cars and the first driver to win a World Title in a car bearing his own name.

Brabham Tony Davis,Tony Davis And Akos Armont,2019-09-26 The story of Australia's greatest motoring hero. Sir Jack Brabham was unique in the world of motor racing. He was the boy from Sydney who took on the elite of motor racing and won three F1 world championships, the last one in a car not only built by his own Brabham company, but with an Australian engine he'd helped develop. To those who saw him on the podium, Jack Brabham might have seemed glorious and triumphant. But he was also a man of secrets. He shunned the media, rarely using 'two words when none would do'. He kept vital information from his competitors, his team mates - and his family. It led to unrivalled success. It led to wealth too, much of it hidden around the world. But it also left a trail of hurt and bewilderment ... In this first ever book-length biography of Jack Brabham, his extraordinary accomplishments are laid out with new commentary from his rivals, colleagues, employees and long-time engineering partner Ron Tauranac. And, with the help of his sons Geoffrey and David, it represents the first major attempt to unravel the enigma who became known as 'Black Jack'.

Brabham Phil Drackett, 1985

To Finish First Phil Kerr, 2008-05-01 This book fills an important gap in the history of top-level motor racing during the historic era of the 1960s and 70s. The author was at the center of it all, first as Sir Jack Brabham's right-hand man during his leadership of the Cooper team, and later when he formed his own Brabham Racing Organization. Subsequently, when Phil Kerr joined his great friend Bruce McLaren, to become joint

managing director of an ever expanding company, which was to achieve unrivalled success in Can-Am racing as well as being at the forefront of Formula One, he and his colleagues had to cope with the tragedy of the founder's untimely death while testing a Can-Am car at Goodwood. The author's description of how the shattered team was saved and ultimately restored by the bravery of Bruce's co-driver Denny Hulme, already sidelined by agonizing burns to his hands, is a poignant highlight of his story. Includes a balanced mix of racing and off-duty pictures, many being seen for the first time and 15 reproductions of paintings by the renowned artist Michael Turner.

Brabham Tony Davis, Ákos Armont, 2019 The story of Australia's greatest motoring hero, and the dynasty he founded. Sir Jack Brabham was unique in the world of motor racing. He was the boy from Sydney who took on the elite of motor racing and won - not only three major F1 championships but the last one in a car he had built in his home country to his own specifications. To those who saw him on the podium, Jack Brabham might have seemed glorious and triumphant, but his story is full of pain, risk, snubs, endurance, wins, and losses. And only now is he gaining the recognition he deserves as someone who revolutionised Formula One. In 2017 he was inducted into the F1 Hall of Fame. Racing with greats including Stirling Moss, Jackie Stewart and Bernie Ecclestone, he revolutionised Formula One. He also encouraged others, such as Bruce McLaren. But he remained an outsider - a colonial. Now his sons want to revive the Brabham name and the Brabham brand. With interviews from those who raced with and against 'Black Jack', those who built cars with him, those who loved with him, those who crossed him, this is a brilliant and vivid portrait of a motor genius and the racing dynasty he founded.

Brabham BT52 Owners' Workshop Manual 1983 (all models) Andrew van de Burgt, 2016-02-01 Designed to suit new regulations, after ground-effect cars were banned at the end of 1982, the BT52 was very distinctive, with short, angular sidepods and a dart-shaped profile. During the 1983 season, the innovative Brabham team, with now F1 supremo Bernie Ecclestone at the helm, introduced the first high-pressure fuel rig seen in F1, to speed up refuelling stops, and used 'ovens' to pre-heat tyres prior to pitstops. This manual provides a fascinating insight into the design, evolution, operation and maintenance of the Brabham BT52.

Brabham Ralt Honda Mike Lawrence, 1999 The fascinating story of the British-born aircraft designer who in 1960 joined F1 World Champion Jack Brabham to design and build race cars. Former colleagues and customers speak candidly.

Hrdinové Formule 1 Roman Klemm, 2017-01-01 Graham Hill, Jody Scheckter, Nelson Piquet. To je 6 mistrovských titulů. A především vašeň pro závody, ochota jít až na dřeň a obětovat vše svému snu. Bez nadsázky si proto zaslouží označení hrdinové formule 1. Kniha z pera předního motoristického novináře Romana Klemma však není jen jedinečným životopisem těchto tří velikanů, ale také dokonalým popisem vývoje automobilového sportu a formule 1 od poloviny padesátých let až po moderní éru.
