North Branford and Northford, 1950-1981 Janet S. Gregan,Grace Rapone Marx,2001-10 Between 1950 and 1981, North Branford was considered one of the fastest-growing communities in the Northeast. The population jumped from two thousand seventeen in 1950 to eleven thousand seven hundred in 1981. The town changed from a small, rural community to a residential suburb as farms gave way to subdivisions. New schools were built, new town services were instituted, and in 1971, a charter established a council-manager form of government. Existing churches expanded, a church was erected, and a new parish was established. Many organizations for adults and youth were founded. Several national, state, and local anniversaries were commemorated, and in 1981, the town celebrated the one hundred fiftieth anniversary of the establishment of North Branford, including Northford, as a separate town from Branford.

North Branford and Northford, 1850-1950 Janet S. Gregan,Grace Rapone Marx,1998
The Origin and Naming of Branford's Streets Jane P Bouley,2018-06 English colonists settled Branford, Connecticut in 1644 expanding upon Native American pathways for their roads. The new settlers built their homes along Main and Montowese Streets which still form the nucleus of Branford's town center today. Gradually, the early settlers expanded their road system going north to North Branford, east to the Guilford border and west through Canoe Brook and Branford Hills. With extensive research using maps, town meeting records, city directories, and land records the author examines the origin and history of Branford's roads and the relevance of the street names. The scope of Branford's history as an 18th century farming community, during the industrial revolution bringing an influx of European immigrants in the 19th and 20th centuries, and finally as a suburban community after World War II can be viewed through the development of its streets. The book includes an alphabetical listing of Branford's streets, detail about resources, an appendix and includes more than 100 vintage photographs.

The Civil War Soldiers of Branford, Connecticut Jane Peterson Bouley,2014-10-01 CIVIL WAR SOLDIERS OF BRANFORD AND NORTH BRANFORD ARE BROUGHT TO LIFE THROUGH PERSONAL ACCOUNTS, LETTERS, ILLUSTRATIONS, AND PHOTOGRAPHS. In this book, Branford, Connecticut's Town Historian Jane Bouley has compiled the military service records and biographical histories of nearly 450 soldiers, using pension records, original letters, diaries, regimental histories, cemetery records, family genealogies, newspapers, and other resources. This is the first comprehensive history of Civil War soldiers from Branford, North Branford, and the village of Northford. Inside, you will learn about Branford during the war, enlistments, bounties, prisons, and hospitals, as well as how to find Civil War pension records yourself; read a detailed chronology of the Twenty-seventh, Fifteenth, and Tenth Connecticut Volunteer Regiments, with summaries of most other Connecticut regiments; meet the soldiers themselves through military and biographical data including pensions and other original documents that detail military service, physical description, residence, occupation, family information, and first-person accounts during and after the war; discover more than 400 photographs and illustrations of the soldiers, gravestones, battles, military scenes, maps, and monuments; and explore the extensive Appendix which includes a Civil War timeline, list of soldiers by Regiment, glossary, draft list, bibliography, and a name and place Index.

Branford Falls Dr. Alexander Winchester,2011 Small New Hampshire towns each have their own personality. Branford Falls is no exception. Our Main Street is that of an idyllic, magnificent village. Scraping the surface a bit exposes the variety of personalities and problems found in every small town. However, during one particular Christmas season fifteen years ago something horrible and impossible scraped back. Hard to believe then, harder to believe now. --Back cover.
