*The City of Brass* S. A. Chakraborty, 2017-11-14 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Library Journal | Vulture | The Verge | SYFYWire Step into *The City of Brass*, the spellbinding debut from S. A. Chakraborty perfect for fans of *The Golem* and *the Jinni*, *The Grace of Kings*, and *Uprooted*, in which the future of a magical Middle Eastern kingdom rests in the hands of a clever and defiant young con artist with miraculous healing gifts. On the streets of eighteenth-century Cairo, Nahri is a con woman of unsurpassed skill. She makes her living swindling Ottoman nobles, hoping to one day earn enough to change her fortunes. But when Nahri accidentally summons Dara, an equally sly, darkly mysterious djinn warrior, during one of her cons, she learns that even the cleverest of schemes can have deadly consequences. Forced to flee Cairo, Dara and Nahri journey together across hot, windswept sands teeming with creatures of fire and rivers where the mythical marid sleep, past ruins of once-magnificent human metropolises and mountains where the circling birds of prey are more than what they seem, to Daevabad, the legendary city of brass. It's a city steeped in magic and fire, where blood can be as dangerous as any spell; a city where old resentments run deep and the royal court rules with a tenuous grip; a city to which Nahri is irrevocably bound—and where her very presence threatens to ignite a war that has been simmering for centuries. \*Finalist for the World Fantasy Award: Best Novel \*Nominated for the Locus Award: Best First Novel \*Finalist for the British Fantasy Award: Best Newcomer Featuring a stepback and extra content including a bonus scene and an excerpt from *The Kingdom of Copper*.

**Brass** Xhenet Aliu, 2018-01-23 “A fierce, big-hearted, unflinching debut” \* novel about mothers and daughters, haves and have-nots, and the stark realities behind the American Dream \*Celeste Ng, author of *Little Fires Everywhere* WINNER OF THE GEORGIA AUTHOR OF THE YEAR AWARD FOR FIRST NOVEL • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE AND REAL SIMPLE A waitress at the Betsy Ross Diner, Elsie hopes her nickel-and-dime tips will add up to a new life. Then she meets Bashkim, who is at once both worldly and naïve, a married man who left Albania to chase his dreams—and wound up working as a line cook in Waterbury, Connecticut. Back when the brass mills were still open, this bustling factory town drew one wave of immigrants after another. Now it's the place they can't seem to leave. Elsie, herself the granddaughter of Lithuanian immigrants, falls in love quickly, but when she learns that she's pregnant, Elsie can't help wondering where Bashkim's heart really lies, and what he'll do about the wife he left behind. Seventeen years later, headstrong and independent Luljeta receives a rejection letter from NYU and her first-ever suspension from school on the same day. Instead of striking out on her own in Manhattan, she's stuck in Connecticut with her mother, Elsie—a fate she refuses to accept. Wondering if the key to her future is unlocking the secrets of the past, Lulu decides to find out what exactly her mother has been hiding about the father she never knew. As she soon discovers, the truth is closer than she ever imagined. Told in equally gripping parallel narratives with biting wit and grace, Brass announces a fearless new voice with a timely, tender, and quintessentially American story. Praise for Brass “Lustrous . . . a tale alive with humor and gumption, of the knotty, needy bond between a mother and daughter . . . [Brass] marks the arrival of a writer whose work will stand the test of time.”—O: The Oprah Magazine “An exceptional debut novel, one that plumbs the notion of the American Dream while escaping the clichés that pursuit almost always brings with it . . . [Xhenet] Aliu delivers a living, breathing portrait of places left behind.”—The Boston Globe “The writing blazes on the page. . . . So much about the book is also extraordinarily timely, especially when it focuses on class and culture, and what they really mean.”—San Francisco Chronicle “Aliu is witty and unsparing in her depiction of the town and its inhabitants, illustrating the granular realities of the struggle for class mobility.”—The New Yorker

A Study in Practice and Habit Walter Jorgensen Young, 1911

*The Kingdom of Copper* S. A. Chakraborty, 2019-01-22 S. A. Chakraborty continues the sweeping adventure begun in *The City of Brass*—the best adult fantasy I’ve read since *The Name of the Wind* (#1 New York Times bestselling author Sabaa Tahir)—conjuring a world where djinn summon flames with the snap of a finger and waters run deep with old magic; where blood can be dangerous as any spell, and a clever con artist from Cairo will alter the fate of a kingdom. Nahri’s life changed forever the moment she accidentally summoned Dara, a formidable, mysterious djinn, during one of her schemes. Whisked from her home in Cairo, she was thrust into the dazzling royal court of Daevabad—and quickly discovered she would need all her grifter instincts to survive there. Now, with Daevabad entrenched in the dark aftermath of a devastating battle, Nahri must forge a new path for herself. But even as she embraces her heritage and the power it holds, she knows she’s been trapped in a gilded cage, watched by a king who rules from the throne that once belonged to her family—and one misstep will doom her tribe.. Meanwhile, Ali has been exiled for daring to defy his father. Hunted by assassins, adrift on the unforgiving copper sands of his ancestral land, he is forced to rely on the frightening abilities the marid—the unpredictable water spirits—have gifted him. But in doing so, he threatens to unearth a terrible secret his family has long kept buried. And as a new century approaches and the djinn gather within Daevabad's towering brass walls for celebrations, a threat brews unseen in the desolate north. It’s a force that would bring a storm of fire straight to the city’s gates . . . and one that seeks the aid of a warrior trapped between worlds, torn between a violent duty he can never escape and a peace he fears he will never deserve.

*The Empire of Gold* S. A. Chakraborty, 2020-06-30 “No series since George R.R. Martin’s *A Song of Ice and Fire* has quite captured both palace intrigue and the way that tribal infighting and war hurt the vulnerable the most.” —Paste Magazine The final chapter in the bestselling, critically acclaimed *Daevabad Trilogy*, in which a con-woman and an idealistic djinn prince join forces to save a magical kingdom from a devastating civil war. Daevabad has fallen. After a brutal conquest stripped the city of its magic, Nahid leader Banu Manizheh and her resurrected commander, Dara, must try to repair their fraying alliance and stabilize a fractious, warring people. But the bloodletting and loss of his beloved Nahri have unleashed the worst demons of Dara’s dark past. To vanquish them, he must face some ugly truths about his history and put himself at the mercy of those he once considered enemies. Having narrowly escaped their murderous families and Daevabad’s deadly politics, Nahri and Ali, now safe in Cairo, face difficult choices of their own. While Nahri finds peace in the old rhythms and familiar comforts of her human home, she is haunted by the knowledge that the loved ones she left behind and the people who considered her a savior are at the mercy of a new tyrant. Ali, too, cannot help but look back, and is determined to return to rescue his city and the family that remains. Seeking support in his mother’s homeland, he discovers that his connection to the marid goes far deeper than expected and threatens not only his relationship with Nahri, but his very faith. As peace grows more elusive and old players return, Nahri, Ali, and Dara come to understand that in order to remake the world, they may need to fight those they once loved . . . and take a stand for those they once hurt.
