BRAVE Rose McGowan, 2018-01-30 NEW YORK TIMES BESTSELLER - A revealing memoir and empowering manifesto - As featured in Ronan Farrow's *CATCH AND KILL* and Jodi Kantor and Megan Twohey's *SHE SAID* BRAVE works beautifully as a manifesto. It's a call to arms—not just against the specific men who mistreated McGowan and the men and women who enabled that mistreatment, but against an industry.—The Boston Globe Rose McGowan was born in one cult and came of age in another, more visible cult: Hollywood. In a strange world where she was continually on display, stardom soon became a personal nightmare of constant exposure and sexualization. Rose escaped into the world of her mind, something she had done as a child, and into high-profile relationships. Every detail of her personal life became public, and the realities of an inherently sexist industry emerged with every script, role, public appearance, and magazine cover. The Hollywood machine packaged her as a sexualized bombshell, hijacking her image and identity and marketing them for profit. Hollywood expected Rose to be silent and cooperative and to stay the path. Instead, she rebelled and asserted her true identity and voice. She reemerged unscripted, courageous, victorious, angry, smart, fierce, unapologetic, controversial, and real as f*ck. BRAVE is

her raw, honest, and poignant memoir/manifesto—a no-holds-barred, pull-no-punches account of the rise of a millennial icon, fearless activist, and unstoppable force for change who is determined to expose the truth about the entertainment industry, dismantle the concept of fame, shine a light on a multibillion-dollar business built on systemic misogyny, and empower people everywhere to wake up and be BRAVE. My life, as you will read, has taken me from one cult to another. BRAVE is the story of how I fought my way out of these cults and reclaimed my life. I want to help you do the same. -Rose McGowan

Brave Stacy McAnulty,2017-09-26 An empowering picture book for all kids that demonstrates to children that they can be real-life superheroes and that all kids have what it takes to be brave. Superheroes seek adventure, never give up, and stay calm when others are afraid. Superheroes are brave. But they aren't the only ones. Kids are brave every day. When they are told they are too little, but accomplish something big. When they check for monsters under the bed, just in case. When they face something uncertain, whether a thunderstorm or a hospital visit. When they stand up for what's right, even when it means facing consequences. Like superheroes, brave kids can save the world, just by being brave. Thoughtful text from Stacy McAnulty paired with vibrant illustrations from Joanne Lew-Vriethoff encourage kids to be brave in all the ways they can: trying new things, speaking their mind, confronting bullies, and more. This book will inspire kids to follow their hearts and to have courage, no matter the situation.
