Bruce Dethlefsen

Shh Take A Breather Janine Fletcher , This little book really could change your life. It takes less than 30 minutes to read, but what you learn will impact the rest of your life; showing you how you can have so much more personal power.

Life Breather Krystal Pederson, 2023-08-29 What if the earth stopped breathing? And the fate of all life was in the hands of a child? This magical story will teach children, youth, and adults how to meditate by using breath to heal. Surrounded by the darkness, Leena survived alone in the meadow. Her family is gone. Her home—destroyed. The Destroyers have come, covering the world in blackness, laying claim to all living, breathing things. Haunted by the thundering echo of the Destroyers, Leena is frozen in grief. She must call upon her gift of breath to restore life to the earth, but she cannot do it alone. Leena is a Life Breather and now she must find the other Life Breathers. If there is any hope of defeating the Destroyers, healing the earth, and bringing her family back, leaving her meadow is the only way. This is a story about death and life. About sadness and hope. About destruction and healing. This is Leena's story. About her meadow, her purpose, and how her breath saved her. When the darkness settles in, sometimes there's nothing else to do but keep breathing. And that is exactly what Leena decided to do. Leena's journey will capture your heart and bring hope to your soul. Come with Leena and learn to truly breathe for the first time.

The Last Spell Breather Julie Pike, 2019-07-04 A stunning fantasy debut, enter the unique world of the Spell Breathers. Spell Breathing does not come naturally to Rayne - she loathes the hours of practice, the stacks of scrolls, and the snapping mud devils that

cover her mother's precious spell book. But it is spell breathing that keeps her village safe from the dreaded monster curse that plagues their world. It is ancient powerful magic, but as Rayne learns to her horror . . . it is also fragile. In one clumsy move, the magic that keeps them safe is broken, her village is plunged into danger, and an incredible adventure begins . . .

Breather Graeme Base, Sean O'Reilly, Casey Jones, 2013-05 From the mind of Graeme Base, the award-winning creator of *Animalia*, *The Eleventh Hour*, and *The Waterhouse*, Arcana Comics is proud to present *Breather!* On the distant planet of Otarius, invaders from the Birshh Dynasty have captured and enslaved the native Otarians. Pushed on by the ruthless Governor, timid Dr. Bjork conducts horrific experiments to create a superior breed of slave. Years later, Birshh-Otarian hybrids are raised in captivity, dependent on 'breathers' - life-saving gasmasks that filter the Otarian air they, as hybrids, cannot tolerate. Two siblings, Dhrmmn and Lilli, strive to prove themselves worthy of the Dynasty and earn privileges for their half-breed kind.

The Water-breather Ben Faccini, 2002 In this debut novel, Ben Faccini captures the agonies of a painfully sensitive young boy as he tries to minimise the terror he sees all around him. In the heat of the Umbrian and French countryside, we see a family unable to restore their happiness.

Breathers S.G. Browne, 2009-03-03 For fans of Max Brooks's *The Zombie Survival Guide* and zombie aficionados everywhere, a hilarious debut novel about life (and love) after death. Meet Andy Warner, a recently deceased everyman and newly minted zombie. Resented by his parents, abandoned by his friends, and reviled by a society that no longer

considers him human, Andy is having a bit of trouble adjusting to his new existence. But all that changes when he goes to an Undead Anonymous meeting and finds kindred souls in Rita, an impossibly sexy recent suicide with a taste for the formaldehyde in cosmetic products, and Jerry, a twenty-one-year-old car-crash victim with an exposed brain and a penchant for Renaissance pornography. When the group meets a rogue zombie who teaches them the joys of human flesh, things start to get messy, and Andy embarks on a journey of self-discovery that will take him from his casket to the SPCA to a media-driven class-action lawsuit on behalf of the rights of zombies everywhere. Darkly funny, surprisingly touching, and gory enough to satisfy even the most discerning reader, *Breathers* is a romantic zombie comedy (rom-zom-com, for short) that will leave you laughing, squirming, and clamoring for more.

Breath James Nestor, 2020-05-26 A New York Times Bestseller A Washington Post Notable Nonfiction Book of 2020 Named a Best Book of 2020 by NPR “A fascinating scientific, cultural, spiritual and evolutionary history of the way humans breathe—and how we’ve all been doing it wrong for a long, long time.” —Elizabeth Gilbert, author of *Big Magic* and *Eat Pray Love* No matter what you eat, how much you exercise, how skinny or young or wise you are, none of it matters if you’re not breathing properly. There is nothing more essential to our health and well-being than breathing: take air in, let it out, repeat twenty-five thousand times a day. Yet, as a species, humans have lost the ability to breathe correctly, with grave consequences. Journalist James Nestor travels the world to figure out

what went wrong and how to fix it. The answers aren't found in pulmonology labs, as we might expect, but in the muddy digs of ancient burial sites, secret Soviet facilities, New Jersey choir schools, and the smoggy streets of São Paulo. Nestor tracks down men and women exploring the hidden science behind ancient breathing practices like Pranayama, Sudarshan Kriya, and Tummo and teams up with pulmonary tinkerers to scientifically test long-held beliefs about how we breathe. Modern research is showing us that making even slight adjustments to the way we inhale and exhale can jump-start athletic performance; rejuvenate internal organs; halt snoring, asthma, and autoimmune disease; and even straighten scoliotic spines. None of this should be possible, and yet it is. Drawing on thousands of years of medical texts and recent cutting-edge studies in pulmonology, psychology, biochemistry, and human physiology, *Breath* turns the conventional wisdom of what we thought we knew about our most basic biological function on its head. You will never breathe the same again.

The Butcher and the Breather Allan Shapiro, 2009-12-12 *The Butcher & The Breather* is a collection of short stories revolving around the often hilarious and usually tragic Irving Schmockowitz; a grocery store clerk, neurotic hypochondriac, and sometime conspiracy theorist. With an array of bizarre characters and circumstances only Irving could ever find himself in, *The Butcher & The Breather* begs the question: Is that a gun in your pocket or are you just happy to see me?

Breathers S. G. Browne, 2011-03-03 Meet Andy Warner, a recently deceased everyman and newly minted zombie. Resented by his parents, abandoned by his friends, and reviled by a society that no longer considers him human, Andy is having a bit of trouble adjusting to his new existence. Breather Ioanna Carlsen, 2019 Poetry. In this astounding second collection, Ioanna Carlsen presents us with visions of breath, both ecstatic and mundane♦at once spoken, quoted, and listened for♦examining the air shared by all. It is breathing that connects us, the poet knows. And she crosses dimensional and existential bounds to prove this connection: We live only in one dimension // such is luck, human, / to look at a picture and hear sadness / cry like a duck flying over a lake // that has fallen asleep / in a twilight that visits forever.

Breather Barry C Staff,2023-09-21 A contained thriller about a female oceanographer who's hitched a dive in a tiny, now-malfunctioned commercial submersible. Suffering from claustrophobia, she wants back up to the surface before the oxygen expires, but needs to overcome moves by others to keep her down there.

No Breather Tyler Pierce,2021-06-28 Nine-year-old Emily sees her mother standing near the pool during a championship youth swimming final. Problem is, Emily's mother has been dead seven years. Then, Emily's team, the Mountain Vista Wahoos, is disqualified after Emily's uncle assaults a league official. Emily's father, who coaches the Wahoos, vows to redeem the team, while Emily and her cousin Bettina search for clues to Emily's lost mother, who died unexpectedly, leaving Emily, her father, and their extended family unable to move on. What will it take for the Wahoos to win Championships? What terrible choice must Emily make in order to see her mother again? And what the heck is a Wahoo, anyway? Award-winning author Gayle Brandeis writes: We often think of The Great American Novel being a dense and weighty tome. No Breather shows us a great American novel--and this truly is one--can be as bright and shimmering as sunlight on a swimming pool. This compassionate, vibrant, observant novel showcases what's best about America, honoring both the power and integrity of the individual, and the transcendent power of a big-hearted collective. I'll never forget No Breather; it took my breath away.

Mouth Breather Drew Wohlford,2023-08-31 Everyone around Nycolle was getting sick and dying. First her husband and then people slowly started dropping off from Carbon Dioxide poisoning. Nycolle didn't know what was happening but in the end, she knew who

was responsible for it all and she must do something to stop it.

Just a Breather Matthew T. Williamson, 2016-08-20 In this book contains 30 more pieces of my poetry. The majority of it is shorter than in my previous book. If you're into reading about pain and the struggles of trying to make it in a cold world then this book is for you. Along with pain comes happiness and love. Excerpt- Could you try to put yourself in my shoes? To be that person at the end of the day that's never good enough... To be the one that gets overlooked by the woman of his dreams.... Excerpt- The time stops all around us and the weather is warm in a way saying everything is going to be alright... To describe a perfect day it has to include you....
