Velázquez and The Surrender of Breda Anthony Bailey,2011-11-08 Behind the famous painting by Diego Velázquez lies a rich story of the artist's life in art What began as propaganda art to celebrate a rare Spanish victory in the Eighty Years' War with Holland, The Surrender at Breda is today recognized as Velázquez's narrative masterpiece. Breda is packed with vivid military detail—whole armies are suggested on the huge canvas, twelve feet high and eleven feet wide. Unlike typical surrender scenes, there is neither a heroic victor on horseback nor a vanquished commander on his knees. Instead the rivals appear on foot almost as equals. The loser bends forward to offer the key and receives a chivalrous pat on his shoulder, as if to say: Fortune has favored me, but our roles might have been reversed. Anthony Bailey examines the paintings from which the artist arose, coaxing stories from them that flesh out a complete portrait of one of the world's major artists whose personal life has remained largely unknown.

The Other Breda Gulley Bailie Lawson, A diary written in 1919 is found in an old tenement building in Hell's Kitchen. The writer's name is the same as that of the young Irish woman who just moved into a newly renovated apartment on the same block. Who was this other Breda Gulley? Could they be related? Bree becomes fascinated with her namesake's story, leading her to dig up details of Breda's life in 1919. In the process she confronts troubling questions about her own life and is drawn into an unlikely romance with the wealthy descendent of Breda's former employer. Together they uncover Breda's amazing secret and its unexpected impact on their families' lives a hundred years later.

The Strange Curse of Breda Steven Arnett,2018-08-21 It's 1971 and a horrible murder has occurred near the town of Breda in west Michigan. A young woman, Jane Lucas, has been dragged into the woods and stabbed. The letters ZOSO from the Led Zeppelin album have been written in blood on her waist, which leads the police to think it might be a cult murder. Suspicion falls on the commune located on a farm near the town. The shock and horror townspeople feel after that murder, though, are nothing compared to the shock and horror people feel when another murder and then another murder of the same type occur. The Strange Curse of Breda is about those murders and how they are finally solved. As each murder occurs, the level of fear in Breda intensifies, to the point that the townsfolk either flee the town, arm themselves to the teeth, or fall into an almost catatonic state of fear. The county sheriff, the state police, and even the FBI are baffled. However, Jim Leiden, a young man who runs a small grocery in Breda, finds a clue that may link all the murders together: The hanging of a man named Obadiah Kurtz that occurred in 1889. Jim researches the story and finds that the victims are descendants of the people who were responsible for hanging Obadiah. After Jim's discovery, he's in a race against time to try to get the police to believe him and find the murderer before he can kill the only person in the whole world who really matters to him: His beautiful fiancée Julie Veere, who happens to be one of those direct descendants!

While Breda doesn't want to be in this strange land, she finally gets to meet Granda, her mom's father. He's a grumpy farmer who is also a seanchaí, a traditional Gaelic storyteller. But the most important story is the one nobody will talk about: what happened to her absent father. If nothing else this summer, Breda is determined to figure out the truth about her family's history—and herself. This powerfully poignant middle grade novel, the first from award-winning author Jessie Ann Foley, asks questions about estranged relationships, immigration, and family secrets.

Hidden Kerry Breda Joy, 2014-10-03 The magnetism of Kerry lies as much in its people as its landscape. 'Hidden Kerry' takes you on the less-travelled paths of the kingdom and is peopled with a varied cast of characters with colourful stories. Open the covers and

lose yourself in the story of Lord Kenmare's forgotten mansion, which hosted royal visits until it was consumed by fire in 1913. An amazing edifice of towers, marble and art, it was reduced to a pile of ashes in hours. You will also meet vibrant characters, such as Lily of the Valley: Lily van Oost, the Flemish artist who made her home in the Black Valley where she embarked on wildly creative textile projects, including knitting a jumper for Dublin's Halfpenny Bridge. As well as this 'Hidden Kerry' will tell you where to find the county's unknown natural beauty spots concealed just minutes off the beaten track.
