**Brewster** Mark Slouka, 2013-08-05 Still reeling from the death of his older brother, a sixteen-year-old track star befriends a street-fighting rebel and together they search for redemption amidst the social changes of 1968.

*Brewster* Brewster Historical Society, 2002 In 1803, the North Parish of Harwich voted to become the town of Brewster in honor of Elder William Brewster, one of the most distinguished and revered Pilgrims of the Mayflower. As times changed, the people of Brewster turned from farming to fishing and from salt making to tall ships. They traveled the sea, wheeling and dealing with merchants in nearly every port on earth, fighting pirates, and surviving typhoons. Those who returned brought home to Brewster a measure of wealth and sophistication that is an integral part of this little town's lively history. When the age of sail faded, the town looked to a quieter life. Brewster, with its eleven miles of pristine beaches, became the perfect tourist destination. Brewster tells the unique story of a town that prospered through the good times and held on amazingly during the bad times. It presents captivating photographs of the residents' struggle for existence as farmers, fisherman, and sailors. The book shows what the barbershop looked like and where the early residents of Brewster lived, played, and went to church. Brewster captures the charming moments of a time gone by.

**The Guardians** Geoffrey Kabaservice, Geoffrey M. Kabaservice, 2005-01-07 Examines the role of Yale president Kingman Brewster in shaping modern liberalism and his position as a political mentor to such figures as Kennedy adviser McGeorge Bundy and Attorney General Elliot Richardson.

A Deaf Artist in Early America Harlan Lane, 2004-09-24 John Brewster Jr. (1766-1854) was one of the most prominent early American portrait painters. His hauntingly beautiful portraits have a directness and intensity of vision that were rarely equaled, as the images in this book attest. Brewster's portraits have sold astonishingly well at auction, and his work is featured in the collections of prestigious museums, yet curiously little has been written about the life of this deaf artist. Traveling the New England coast to paint the portraits of the merchant class that arose after the Revolution, he lived precisely when a Deaf-World- with its own language, social institutions, and culture- was forming. Harlan Lane, award-winning historian of the Deaf, argues that deaf people are often visually gifted, and that Brewster, as a deaf artist, is part of a long and continuing distinguished tradition. Lane's unprecedented biography both vividly and comprehensively explores Brewster's worlds: he was a seventh-generation descendant of William Brewster, who led the Pilgrims on the Mayflower voyage; he was a member of the Federalist elite; a Deaf man; and, finally, an artist. In 1817, at the age of fifty-one, Brewster attended the first school for the Deaf in America, the Connecticut Asylum for the Education and Instruction of Deaf & Dumb Persons. It's extraordinary to imagine that this was the first time he experienced fluent conversation and real social and

intellectual exchange. Yet, as Lane notes, Brewster's ambivalence about this minority reflects the difficult choices confronting many Deaf people, then and now. Including little-known information on the French roots of the American Deaf-World; the Deaf communities of Martha's Vineyard, Maine, and New Hampshire in the nineteenth century; and on contemporary Deaf art, *A Deaf Artist in Early America* provides a multifaceted glimpse of Brewster, New England history, and the distinctive culture, language, and social institutions of the Deaf in America.

**The Women of Brewster Place** Gloria Naylor, 2021-05-11 The National Book Award-winning novel—and contemporary classic—that launched the brilliant career of Gloria Naylor, now with a foreword by Tayari Jones “[A] shrewd and lyrical portrayal of many of the realities of black life . . . Naylor bravely risks sentimentality and melodrama to write her compassion and outrage large, and she pulls it off triumphantly.” —The New York Times Book Review “Brimms with inventiveness—and relevance.” —NPR's Fresh Air In her heralded first novel, Gloria Naylor weaves together the stories of seven women living in Brewster Place, a bleak-inner city sanctuary, creating a powerful, moving portrait of the strengths, struggles, and hopes of black women in America. Vulnerable and resilient, openhanded and openhearted, these women forge their lives in a place that in turn threatens and protects—a common prison and a shared home. Naylor renders both loving and painful human experiences with simple eloquence and

uncommon intuition in this touching and unforgettable read.

Brewster's Millions George Barr McCutcheon, 2010-06-01 Young Brewster inherits a million dollars from his grandfather. Soon afterwards, his rich uncle also dies, leaving him seven million dollars. His uncle, however, hated Brewster's grandfather and places a condition on his will: Brewster has to spend every penny of his grandfather's million in a year, without gaining any assets or goods. If he succeeds, he will inherit his uncle's seven million. If not, he will be as penniless as he was before.

An Inkling of Brewster Frank E. Wismer III, 2012-06-11 An Inkling of Brewster details a decade long

foray into custom built automobiles by Brewster and Company of Long Island City, New York beginning in 1915. Brewster and Company was the foremost custom coachbuilder of 19th Century America. Founded in 1810, Brewster and Company began building bodies for European chassis such as Rolls Royce, Delaunay-Belleville, Fiat, and Renault in 1905. The advent of World War I and the interdiction of shipping by German U-boats on the high seas made it impossible for Brewster and Company to secure chassis from the continent, so they produced the most expensive automobile of the day bearing their name. An Inkling of Brewster examines not only the Brewster automobile, but also the wealthy who purchased them. A Brewster owner's list reads like a "Who's Who" of New York Society. The Rev. Frank E. Wismer III is the owner of a 1921 Brewster Double Enclosed Drive automobile that originally belonged to Mrs. H. D. Auchincloss of Hammersmith Farm, Newport Rhode Island. He has been researching Brewster and Company for the past two years and has been fortunate enough to study the Brewster and Company journals along with the correspondence of Mr. William Brewster. CH (COL) Wismer is a retired United States Army Chaplain having served in the First Gulf War, Guantanamo Bay, Cuba, Haiti, Bosnia, Iraq and Kuwait. He is the author of War in the Garden of Eden: A Chaplain's Memoir from Baghdad. He is also the author of two meditation guides published by the Episcopal Cursillo Movement.

*Brewster the Rooster* Devin Scillian, 2013-09-01 What has gotten into Brewster the rooster? The Macintosh family can't understand why their barnyard pet is crowing at the darnedest things. I'm worried about Brewster, Magnolia said, mixing carrot cake batter with raisins. Something has changed. It seems so strange but he's crowing at the oddest occasions. Whether it's the children playing catch in the yard, Zeb painting the barn red, or Grandma Pearl flipping hotcakes, Brewster can't stop from letting out an earsplitting cock-a-doodle-doo that sends the Macintosh family head over heels. When the barnyard brouhaha gets too much, even Doc Sawyer is consulted. But can he figure out how to help Brewster? Readers young and old will be charmed by the perfect solution to Brewster's problem. Devin Scillian is an Emmy-award-winning broadcast journalist with the NBC affiliate station in Detroit. *Brewster the Rooster* is his ninth book with Sleeping Bear Press. He also wrote the bestselling *A is for America: An American Alphabet*. Devin lives with his family in Grosse Pointe Park, Michigan. Lee White graduated from the prestigious Art Center College of Design in Pasadena, California. In addition to illustrating children's books, he also exhibits his art in galleries. Lee currently lives in Portland, Oregon. *Brewster the Rooster* is his first project with Sleeping Bear Press.
