Limmy

Surprisingly Down to Earth, and Very Funny Limmy, 2019-02-21 The hysterical, shocking and incredibly intimate memoir from one of the most original and unique comedians alive today. From growing up in a run-down Glaswegian council estate to finding a certain renown as the writer, director, editor and star of his own multi-award-winning sketch show, nothing about Limmy's life has been conventional. From an early age, he always felt like the odd one out, as if he'd missed a crucial lesson in life that everyone else had attended. And that feeling of oddness has never left him. He's always stumbled down his own, peculiar path. From early run-ins with the police as a teenager, running away from a helicopter, to a drink addiction that saw him nearly piss away his life and career, Limmy has struggled with demons, good and bad, for as long as he can remember. As much as he'd love to kill them off, they are also the fuel for his own, very particular sense of humour which has made him one of the most respected and mercurial comic talents alive today. This is no run-of-the-mill comedian's memoir. There is real introspection here, a real quest to try and understand what it is that makes him tick, and why he does the self-destructive things he does. What emerges is a startling and captivating, and unsurprisingly very funny, story of a down-to-earth weirdo with an extraordinary talent, and who has the scars, mental and physical, to show for it.

Daft Wee Stories Limmy, 2015-07-30 DAFT WEE STORIES is Limmy's first book. It is a collection of stories. There are short stories. There are longer stories. There are stupid stories. There are thoughtful stories. There are upside-down stories. There are normal-way-up stories. There are weird stories. There are less weird stories. There are really weird stories. There is nothing else like it. Have a read.

Surprisingly Down to Earth, and Very Funny: My Autobiography Limmy, 2020-03-19 The hysterical, shocking and incredibly intimate memoir from one of the most original and unique comedians alive today. Hello! I'm Brian Limond, aka Limmy. You might know me from Limmy's Show. Or you might not know me at all. Don't worry if you don't. They asked me to write a book about mental health, because I sometimes talk about my mental health in tweets and interviews, like suicidal thoughts and anxiety, and what I've done to try and deal with it. I said to them, oh, I don't know if I could fill a whole book with just that. But how's about I write a general autobiography type of thing, and all the mental health stuff will naturally appear along the way? I could talk about growing up and slashing my wrist and taking acid all the time and getting done for car theft and feeling like a mad freak that would never amount to anything. And then how I made my own sketch show. I directed it and everything. Plus I'm a dad. I'm an adult. But I still feel like that mad freak from years ago. I still feel like chucking it all away, for a laugh. I asked them if they wanted me to write about all that, plus some other stuff. Like being an alky. And my sexual problems. Stuff like that. They said aye. So here it is. 'm a dad. I'm an adult. But I still feel like that mad freak from years ago. I still feel like chucking it all away, for a laugh. I asked them if they wanted me to write about all that, plus some other stuff. Like being an alky. And my sexual problems. Stuff like that. They said aye. So here it is.

That's Your Lot Limmy, 2017-05-04 This is Limmy's second book. It's a whole load of new, odd, and hilariously grim short stories.

That's Your Lot Brian Limond aka Limmy, 2017-05-01 This is Limmy's second book. It's a whole load of new, odd, and hilariously grim short stories. Tom is in a soft play with his daughters. He's bored. He's so bored he can move things with his mind. A man fills up a mate's biscuit tin without ever telling him, to see what happens. Maggie's boyfriend Iain bought a curtain. It keeps attacking them. She wants it out the house. A man is sitting in his wheelie bin at two in the morning, and he wants to tell you why. Kenny's mate Scott is suicidal and ridden with guilt. Kenny takes him on holiday to Benidorm. It'll be some laugh. Praise for Daft Wee Stories: 'The comedy book of the year.' - Time Out 'Funny, peculiar and original.' - Guardian 'Didn't realise pieces of paper with no pictures on could be so funny. I mean I was cryin' all day yesterday into this book. Hilarious' - Someone on Amazon

New Masters of Flash Hoss Gifford, Mary Ann Tan, Yugo Nakamura, Amit Pitaru, Jessica Spiegel, Marc Stricklin, Samuel Wan, Erik Natzke, Ross Mawdsley, Mickey Stretton, Brian Limmond, Jonathon Gay, Pete Barr-Watson, Chris Andrade, Gabriel Mulzer, Neil Levine, 2013-12-14 Flash has upped the standard for web motion graphics and has been welcomed with open arms on account of its powerful new ActionScripting capabilities. Following the phenomenal success of New Masters of Flash, the Flash Annual will bring together a new collection of the hottest Flash design talents on the planet, all of whom have grabbed attention in the preceding year. New Masters of Flash: The 2002 Annual gives competent web artists inspiration for cutting-edge Flash design techniques, as well as hard tutorial information on how to build top class effects. The format builds on the best of the original best-selling title while improving in areas where the first volume was weaker, (e.g. generic customizable code examples), while the talents, the inspirations and effects are all of the moment and represent the mature and expert deployment of the staggering new capabilities of Flash 5 ActionScript. The Flash Annual format: The Intro is a series of 3 field-report essays written by key New Masters from the previous year covering new talents, new techniques and new trends. The main body of the book is then an evolution from the original format. This time, as well as the inspiration and tutorial sections, we add a third section to each chapter, headnotes. Part summary, part chapter commentary, part code overview, the Headnotes section teases out the reusable and generic elements of the previous tutorial and suggests ways forward for the reader.

The British Television Pilot Episodes Research Guide 1936-2015 Christopher Perry, 2015-12 A new idea can become an expensive flop for TV executives. So from the earliest days of television, the concept of a pilot episode seemed like a good idea. Trying out new actors; new situations and new concepts before making a series was good economical sense. It was also tax deductible. Sometimes these pilots were shown on television; sometimes they were so awful they were hidden from sight in archives; and sometimes they were excellent one-offs, but a series seemed elusive and never materialised. Chris Perry has always been fascinated by the pilot episode. So many pilots are

made annually, but never seen by audiences. Only a handful appear on screen. It's a hidden world of comedy, variety, drama and factual programming. This volume attempts to lift the lid on the world of the TV pilot by revealing the many transmitted and untransmitted episodes made through the decades.

Cult British TV comedy Leon Hunt, 2015-11-01 This book is the first sustained critical analysis of Cult British TV comedy from 1990 to the present day. The book examines 'post-alternative' comedy as both 'cult' and 'quality' TV, aimed mostly at niche audiences and often possessing a subcultural aura (comedy was famously declared 'the new 'rock'n'roll' in the early '90s). It includes case studies of Vic Reeves and Bob Mortimer and the sitcom writer Graham Linehan. It examines developments in sketch shows and the emergence of 'dark' and 'cringe' comedy, and considers the politics of 'offence' during a period in which Brass Eye, 'Sachsgate' and Frankie Boyle provoked different kinds of media outrage. Programmes discussed include Vic Reeves Big Night Out, Peep Show, Father Ted, The Mighty Boosh, The Fast Show and Psychoville. Cult British TV Comedy will be of interest to both students and fans of modern TV comedy.

The Oxford Handbook of Scottish Politics Michael Keating, 2020-08-21 The Handbook of Scottish Politics provides a detailed overview of politics in Scotland, looking at areas such as elections and electoral behaviour, public policy, political parties, and Scotland's relationship with the EU and the wider world. The contributors to this volume are some of the leading experts on politics in Scotland.

Social Exclusion, Power, and Video Game Play David G. Embrick, J. Talmadge Wright, András Lukács, 2012 While many books and articles are emerging on the new area of game studies and the application of computer games to learning, therapeutic, military, and entertainment environments, few have attempted to contextualize the importance of virtual play within a broader social, cultural, and political environment that raises the question of the significance of work, play, power, and inequalities in the modern world. Studies tend to concentrate on the content of virtual games, but few have questioned how power is produced or reproduced by publishers, gamers, or even social media; how social exclusion (based on race, class, or gender) in the virtual environment is reproduced from the real world; and how actors are able to use new media to transcend their fears, anxieties, prejudices, and assumptions. The articles presented by the contributors in this volume represent cutting-edge research in the area of critical game play with the hope of drawing attention to the need for more studies that are both sociological and critical.

The Herald Diary 2017 Ken Smith, 2017-10-31 So what did Scots have to smile about this year? When they watched Britain voting for Brexit, when they heard the constant arguments about independence, and when they saw a strangely coiffed son of a Scotswoman become President of the United States, they turned to their usual survival technique – they laughed. When they saw Rangers stumble on their road back to the top, a Scot, Andy Murray, becoming a top world sportsman, and a Scottish horse winning the Grand National, they naturally made a joke or two. And in their quieter moments they recalled the patter of street traders, how they still cannot fathom the opposite sex, and why we all go mad at the first sign of sunshine. All these and more made up The Herald's

funniest stories of the year, published every day in the newspaper's 'Diary' column. And now the very best have been gathered here for you to enjoy all over again.

The Herald Diary Ken Smith, 2009-10-15 Wherever Scots gather they tell jokes and stories. And the very best of these much-loved tales find their way to the daily Diary column of The Herald. It's the home of humour from the chip shop queues of late-night Glasgow to the bon mots of High Court judges and the humour of the classroom. From Judge Lawless and Giro's Passage to dinner at the Po Kee Restaurant via The Tanning Shop on Fade Street, The Herald Diary has it all. And for cash-strapped times, there's even a new definition of liquidity – you look at the value of your investments and wet yourself. In this brand new collection, Ken Smith gathers the funniest tales from the Diary and proves once again that Scots are still the natural comedians of the world.

The Herald Diary 2015 Ken Smith, 2015-10-20 So what did the Scots have to laugh about this year? Well, there were politicians charging round the country looking for votes, the new Scottish MPs flooding into Westminster gave us a smile or two, the Open Championship at St Andrews cheered up the sports fans once the summer wind and weather had done its worst, and even Al Pacino made us smile telling us what he thought of Glasgow women. All these and more provided readers of The Herald with the funniest stories of the year, the very best of which are now collected here for your entertainment. And they're staggeringly good!

Down and Dirty Pictures Peter Biskind, 2013-01-08 In this "dishy...superbly reported" (Entertainment Weekly) New York Times bestseller, Peter Biskind chronicles the rise of independent filmmakers who reinvented Hollywood—most notably Sundance founder Robert Redford and Harvey Weinstein, who with his brother, Bob, made Miramax Films an indie powerhouse. As he did in his acclaimed Easy Riders, Raging Bulls, Peter Biskind "takes on the movie industry of the 1990s and again gets the story" (The New York Times). Biskind charts in fascinating detail the meteoric rise of the controversial Harvey Weinstein, often described as the last mogul, who created an Oscar factory that became the envy of the studios, while leaving a trail of carnage in his wake. He follows Sundance as it grew from a regional film festival to the premier showcase of independent film, succeeding almost despite the mercurial Redford, whose visionary plans were nearly thwarted by his own quixotic personality. Likewise, the directors who emerged from the independent movement, such as Quentin Tarantino, Steven Soderbergh, and David O. Russell, are now among the best-known directors in Hollywood. Not to mention the actors who emerged with them, like Matt Damon, Ben Affleck, Ethan Hawke, and Uma Thurman. Candid, controversial, and "sensationally entertaining" (Los Angeles Times) Down and Dirty Pictures is a must-read for anyone interested in the film world.

When Scotland Was Jewish Elizabeth Caldwell Hirschman, Donald N. Yates, 2015-05-07 The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

History of Kane County, Ill Rodolphus Waite Joslyn, Frank Wilber Joslyn, 1908 The first volume highlights communities and history of numerous villages, cities and townships of Kane County. The second volume contains biographies of many Kane County residents.

Sandworm Andy Greenberg, 2020-10-20 With the nuance of a reporter and the pace of a thriller writer, Andy Greenberg gives us a glimpse of the cyberwars of the future while at the same time placing his story in the long arc of Russian and Ukrainian history. —Anne Applebaum, bestselling author of *Twilight of Democracy* The true story of the most devastating act of cyberwarfare in history and the desperate hunt to identify and track the elite Russian agents behind it: [A] chilling account of a Kremlin-led cyberattack, a new front in global conflict (Financial Times). In 2014, the world witnessed the start of a mysterious series of cyberattacks. Targeting American utility companies, NATO, and electric grids in Eastern Europe, the strikes grew ever more brazen. They culminated in the summer of 2017, when the malware known as NotPetya was unleashed, penetrating, disrupting, and paralyzing some of the world's largest businesses—from drug manufacturers to software developers to shipping companies. At the attack's epicenter in Ukraine, ATMs froze. The railway and postal systems shut down. Hospitals went dark. NotPetya spread around the world, inflicting an unprecedented ten billion dollars in damage—the largest, most destructive cyberattack the world had ever seen. The hackers behind these attacks are quickly gaining a reputation as the most dangerous team of cyberwarriors in history: a group known as Sandworm. Working in the service of Russia's military intelligence agency, they represent a persistent, highly skilled force, one whose talents are matched by their willingness to launch broad, unrestrained attacks on the most critical infrastructure of their adversaries. They target government and private sector, military and civilians alike. A chilling, globe-spanning detective story, Sandworm considers the danger this force poses to our national security and stability. As the Kremlin's role in foreign government manipulation comes into greater focus, Sandworm exposes the realities not just of Russia's global digital offensive, but of an era where warfare ceases to be waged on the battlefield. It reveals how the lines between digital and physical conflict, between wartime and peacetime, have begun to

blur—with world-shaking implications.

James Acaster's Classic Scrapes - The Hilarious Sunday Times Bestseller James Acaster, 2017-08-24 ****THE SUNDAY TIMES BESTSELLER**** 'I don't think I've ever read a book that has made me cry with laughter as much as this one. It was very difficult reading it in public as I looked like a madman' - Richard Herring James Acaster has been nominated for the Edinburgh Comedy Award five times and has appeared on prime-time TV shows like TASKMASTER, MOCK THE WEEK, LIVE AT THE APOLLO and WOULD I LIE TO YOU? But behind the fame and critical acclaim is a man perpetually getting into trouble. Whether it's disappointing a skydiving instructor mid-flight, hiding from thugs in a bush wearing a bright red dress, or annoying the Kettering Board Games club, a didgeridoo-playing conspiracy theorist and some bemused Christians, James is always finding new ways to embarrass himself. Appearing on Josh Widdicombe's radio show to recount these stories, the feature was christened 'James Acaster's classic scrapes'. Here, in his first book, James recounts these tales (including never-before-heard stories) along with self-penned drawings, in all their glorious stupidity.
