Star Wars: Brotherhood Mike Chen,2022-05-10 NEW YORK TIMES BESTSELLER • Obi-Wan Kenobi and Anakin Skywalker must stem the tide of the raging Clone Wars and forge a new bond as Jedi Knights in a high-stakes adventure set just after the events of Star Wars: Attack of the Clones. ONE OF THE BEST BOOKS OF THE YEAR: USA Today The Clone Wars have begun. Battle lines are being drawn throughout the galaxy. With every world that joins the Separatists, the peace guarded by the Jedi Order is slipping through their fingers. After an explosion devastates Cato Neimoidia, the jewel of the Trade Federation, the Republic is blamed and the fragile neutrality of the planet is threatened. The Jedi dispatch Obi-Wan Kenobi, one of the Order's most gifted diplomatic minds, to investigate the crime and maintain the balance that has begun to dangerously shift. As Obi-Wan investigates with the help of a heroic Neimoidian guard, he finds himself working against the Separatists who hope to draw the planet into their conspiracy—and senses the sinister hand of Asajj Ventress in the mists that cloak the planet. Amid the brewing chaos, Anakin Skywalker rises to the rank of Jedi Knight. Despite the mandate that Obi-Wan travel alone—and his former master's insistence that he listen this time—Anakin's headstrong determination means nothing can stop him from crashing the party, and bringing along a promising but conflicted youngling. Once a Padawan to Obi-Wan, Anakin now finds himself on equal—but uncertain—footing with the man who raised him. The lingering friction between them increases the danger for everyone around them. The two knights must learn a new way to work together—and they must learn quickly, to save Cato Neimoidia and its people from the fires of war. To overcome the threat they face they must grow beyond master and apprentice. They must stand together as brothers.

The Brotherhood of the Rose David Morrell,2011-11-07 They were orphans, Chris and Saul -- raised in a Philadelphia school for boys, bonded by friendship, and devoted to a mysterious man called Eliot. He visited them and brought them candy. He treated them like sons. He trained them to be assassins. Now he is trying desperately to have them killed. From the master of high action comes a classic espionage thriller that changed the way spy novels were written, the first to combine the British tradition of authentic espionage tradecraft with the American tradition of non-stop action. He visited them in the orphanage. He brought them candy and taught them to love him as a father. He trained them to be assassins. Now he is trying desperately to have them killed. Spanning the globe and decades of CIA history, THE BROTHERHOOD OF THE ROSE is a thriller of fierce loyalty and violent betrayal, of murders planned and coolly executed, of revenge bitterly, urgently desired. "David Morrell is a master of suspense. He wields it like a stiletto—know just where to stick it and how to turn it. If you're reading Morrell, you're sitting on the edge of your seat." —Michael Connelly "Imagine a

suspense thriller as riveting as *The Thirty-Nine Steps* or *Rogue Male*, featuring heroes the equal of Adam Hall's Quiller, and crackling with more action than *The Road Warrior*, *Dirty Harry*, and *The Seven Samurai*. Sounds too good to be true? Then just read David Morrell's *THE BROTHERHOOD OF THE ROSE*."—Washington Post Book World "Fast-paced, intelligent, exciting and hard-hitting." —Nelson DeMille, New York Times bestselling author of *The Panther* "David Morrell is, to me, the finest thriller writer living today." —Steve Berry, New York Times bestselling author of *The Columbus Affair*

The Dunwich Horror H. P. Lovecraft,2023-08-31 The Dunwich Horror by H. P. Lovecraft Audiobook is a horror novella by American writer H. P. Lovecraft. Written in 1928, it was first published in the April 1929 issue of Weird Tales (pp. 481–508). It takes place in Dunwich, a fictional town in Massachusetts. It is considered one of the core stories of the Cthulhu Mythos. Plot: In the desolate, decrepit Massachusetts village of Dunwich, Wilbur Whateley is the hideous son of Lavinia Whateley, a deformed and unstable albino, and an unknown father. Strange events surround Wilbur's birth and precocious development; he matures at an abnormal rate, reaching manhood within a decade. Locals shun him and his family, and animals fear and despise him due to an unnatural, inhuman odor emanating from his body. All the while his grandfather, a sorcerer named Old Whateley, indoctrinates him into certain dark rituals and the study of witchcraft. Various locals grow suspicious after Old Whateley buys more and more cattle, yet the number of his herd never increases and the cattle in his field become mysteriously afflicted with severe open wounds. Wilbur and Old Whateley have sequestered an unseen entity at their farmhouse; this entity is connected somehow to a being known as Yog-Sothoth, which is Wilbur's father. Year by year, the entity grows to monstrous proportions, requiring the two men to make frequent modifications to the farmhouse. People begin to notice a trend of cattle mysteriously disappearing. Old Whateley eventually dies, and his mother disappears soon after. The colossal entity eventually occupies the entire interior of the farmhouse. Wilbur ventures to Miskatonic University in Arkham to procure the copy of the Necronomicon – Miskatonic's library is one of only a handful in the world to stock an original. The Necronomicon has spells that Wilbur can use to summon the Old Ones, but his family's copy is damaged and lacks the page he needs to open the door. When the librarian, Dr. Henry Armitage, refuses to release the university's copy to him (and by sending warnings to other libraries thwarts Wilbur's efforts to consult their copies), Wilbur breaks into the library under the cover of night to steal it.
