Bud, Not Buddy Christopher Paul Curtis, 2001-11-13 Hit the road with Bud in this Newbery Medal and Coretta Scott King Award-winning classic about a boy on a journey to find his father—from Christopher Paul Curtis, author of *The Watsons Go to Birmingham—1963*, a Newbery and Coretta Scott King Honoree. It's 1936, in Flint Michigan. Times may be hard, and ten-year-old Bud may be a motherless boy on the run, but Bud's got a few things going for him: 1. He has his own suitcase full of special things. 2. He's the author of *Bud Caldwell's Rules and Things for Having a Funner Life and Making a Better Liar Out of Yourself*. 3. His momma never told him who his father was, but she left a clue: flyers advertising Herman E. Calloway and his famous band, the Dusky Devastators of the Depression!!!!!! Bud's got an idea that those flyers will lead him to his father. Once he decides to hit the road to find this mystery man, nothing can stop him—not hunger, not fear, not vampires, not even Herman E. Calloway himself. "[A] powerfully felt novel." —The New York Times

Branding Bud David Paleschuck, 2021-05-25 Never before has a book been compiled on cannabis brands and the consumers they appeal to. Once an underground commodity, with legalization in more and more states and countries, cannabis is now marketed under a variety of national brands, each with its own unique approach to targeting consumers. The global legal cannabis market was valued at US\$17.7 billion in 2019 and is expected to reach US\$73.6 billion in 2027. Celebrities, athletes, politicians, and large corporations alike are investing and competing in this fast-paced industry. But what makes a cannabis brand successful? What techniques do companies use to brand and market their products? What segments have been established? In *Branding Bud: The Commercialization of Cannabis*, David Paleschuck answers these questions, digging deep into this evolving industry to uncover what both small companies and large corporations are doing to introduce their products to the hearts and minds of cannabis consumers. The results of his exploration may surprise you. *Branding Bud* showcases the exciting range of products that cannabis consumers will be able to buy in a local dispensary once legalization comes to their state. The book offers a comprehensive overview and contextualization of this new segment, examining the multitude of emerging brands, their creative assets, and the strategies behind them, and the political, legal, and cultural aspects of cannabis that inform the brand landscape of today. This book is a must-read for entrepreneurs, investors, marketers, designers, and anyone interested in the rapidly growing cannabis industry. -- David Paleschuck

Bud & Me Alta Abernathy, 1998 In 1909 5-year-old Temple and his 9-year-old, Bud, rode from Frederick, Oklahoma to Santa Fe, New Mexico...Alone. And that was only the beginning -- Book jacket.

Teenager Bud Smith, 2022-05-10 Two teenagers, in love and insane, journey across the United States in this Bonnie and Clyde-like adventure,

pursuing a warped American dream, where Elvis is still king and the corn dog is the “backbone of this great country.” “There is a typo on page 14. Other than that, this book is perfect.” —Bill Callahan “He told her he was a one-woman man and she was it for him. Teal said that was good because he was it for her. It and It. Both of them were It.” Kody Rawlee Green is stuck in juvie. Tella “Teal Cartwheels” Carticelli is packing her bags for Rome--on the orders of her parents, who want her as far from Kody as possible. But teenage love is too strong a force for the obstacles of reality. And the highway beckons. Leaving their abusive pasts behind them in Jersey, Kody and Teal set off on a cross-country road trip equal parts self-destruction and self-discovery, making their way, one stolen car at a time, toward bigger, wider, bluer skies. Along the road, of course, there’s time to stop at Graceland, classic diners, a fairgrounds that smells of “pony shit and kettle corn, and time for run-ins with outsize personalities like the reincarnated Grand Canyon tour guide Dead Bob and the spurious Montana rancher Bill Gold. On their heels, all the while, is Teal’s brother, Neil Carticelli, who’s abandoned his post in the navy to rescue the sister he left behind. But does she really need saving? These all too American tropes find new expression in Bud Smith’s own freewheeling prose—and in Rae Buleri’s original illustrations—filling Teenager with humor, poetry, and a joy that’s palpable in every unforgettable sentence. Bud's Journey Home Linda Sealy Knowles, 2017-03-01 After serving time in the Louisiana State Prison, Bud Downey spent many months winning a small fortune as a gambler. Feeling confident that he had won enough money, he packed up his stake to begin his journey to Limason, Texas home. After his last winning hand at the gambling table, a couple of disgruntled cowboys were angry that they had lost all their money to the smooth-talking young man. As Bud traveled near the border of Lafayette, Louisiana, he was ambushed, shot, and left for dead in the swampy waters of the bayou. Rosie Jourdan never dreamed that at the young age of eighteen, she would have the sole responsibility of caring for her two young siblings. Who would believe that life could play such an ugly, cruel trick on her life? She was abandoned by her mama and left to raise a six-week-old baby boy and an eleven-year-old brother. While fishing in the bayou to help feed her little family, she discovered a bloody cowboy in the swampy waters. With her friend Justices herbs and potions, they nursed him back to health. The men who were looking for him discovered his whereabouts and burned down Rosies shack, leaving her family homeless. Would this independent young girl go with Bud and leave the only home she has ever known?

Bud Lewis "Bud" Dingle, 2008-11 This is an autobiography of a Midwest family man detailing his childhood, adolescent and young adult years.

The Cat Named Bud Gwen Beaudean Thoma EdD, 2017-04-13 Pets are loved by their owners and remembered for their unique personalities. The cat named Bud was truly unique and was known for his ability to always go high—the higher, the better. He also loved his owner, loved Christmas, and was known for his strong will to always be in charge. This book describes Bud's antics and how age made him remembered above all others. He was a big cat with a big heart and a zest for life. I hope that in reading this book, you will laugh at his personality and can relate some of Bud's antics to some of the pets you have had through the years.

To Fly and Fight Clarence E. "Bud" Anderson, 2017-05-12 Bud Anderson is a flyers flyer. The Californians enduring love of flying began in the

1920s with the planes that flew over his father's farm. In January 1942, he entered the Army Air Corps Aviation Cadet Program. Later after he received his wings and flew P-39s, he was chosen as one of the original flight leaders of the new 357th Fighter Group. Equipped with the new and deadly P-51 Mustang, the group shot down five enemy aircraft for each one it lost while escorting bombers to targets deep inside Germany. But the price was high. Half of its pilots were killed or imprisoned, including some of Bud's closest friends. In February 1944, Bud Anderson, entered the uncertain, exhilarating, and deadly world of aerial combat. He flew two tours of combat against the Luftwaffe in less than a year. In battles sometimes involving hundreds of airplanes, he ranked among the groups leading aces with 16 aerial victories. He flew 116 missions in his old crowd without ever being hit by enemy aircraft or turning back for any reason, despite one life or death confrontation after another. His friend Chuck Yeager, who flew with Anderson in the 357th, says, In an airplane, the guy was a mongooosethe best fighter pilot I ever saw. Bud's years as a test pilot were at least as risky. In one bizarre experiment, he repeatedly linked up in midair with a B-29 bomber, wingtip to wingtip. In other tests, he flew a jet fighter that was launched and retrieved from a giant B-36 bomber. As in combat, he lost many friends flying tests such as these. Bud commanded a squadron of F-86 jet fighters in postwar Korea, and a wing of F-105s on Okinawa during the mid-1960s. In 1970 at age 48, he flew combat strikes as a wing commander against communist supply lines. To Fly and Fight is about flying, plain and simple: the joys and dangers and the very special skills it demands. Touching, thoughtful, and dead honest, it is the story of a boy who grew up living his dream.

Bud Neil Munro, 2015-04-01 [...] was known as Cheery Dan. Your bath is ready, Dan, his sister had cried, and he rose and went with chattering teeth to it, looked at it a moment, and put a hand in the water. It was as cold as ice, because that water, drinking which men never age, comes from high mountain fens. That for ye to-day! said he to the bath, snapping his fingers. I'll see ye far enough first! And contented himself with a slighter wash than usual, and shaving. As he shaved he hummed all the time, as was his habit, an ancient air of his boyhood; to-day it was ' Star of Peace, to wanderers weary, ' with not much tone but a great conviction—a tall, lean, clean-shaven man of over fifty, with a fine, long nose, a ruddy cheek, keen, gray eyes, and plenty of[...].

Bud Fowler Jeffrey Michael Laing, 2013-04-18 This is the biography of Bud Fowler (né John Jackson), the first African American to play in organized baseball, and the longest tenured at the time that the color line was drawn. In addition to his professional playing career, which lasted more than 25 years, Fowler was a scout, organizer, owner, and promoter of touring black baseball clubs—including the legendary Page Fence Giants—in the late nineteenth and early twentieth centuries. Emphasizing the social and cultural contexts for Fowler's accomplishments on and off the baseball diamond, and his prominence within the history and development of the national pastime, the text builds a convincing case for Fowler as one of the great pioneering figures of the early game.

The Giant Raindrop Bud Wainscott, 2016-08-27 Citizens of Salem, we have a difficult challenge facing us. Just a few hours ago, we were all excited about the amount of rain we were going to receive. The Amazing Bud Powell Guthrie P. Ramsey, 2013-05-28 Bud Powell was not only one of the greatest bebop pianists of all time, he stands as one of the twentieth century's most dynamic and fiercely adventurous musical minds. His expansive musicianship, riveting performances, and inventive compositions expanded the bebop idiom and pushed jazz musicians of all stripes to higher standards of performance. Yet Powell remains one of American music's most misunderstood figures, and the story of his exceptional talent is often overshadowed by his history of alcohol abuse, mental instability, and brutalization at the hands of white authorities. In this first extended study of the social significance of Powell's place in the American musical landscape, Guthrie P. Ramsey, Jr. shows how the pianist expanded his own artistic horizons and moved his chosen idiom into new realms. Illuminating and multi-layered, *The Amazing Bud Powell* centralizes Powell's contributions as it details the collision of two vibrant political economies: the discourses of art and the practice of blackness.
