

Buffalo

Chelsea Vowel

American Buffalo Steven Rinella, 2008-12-02 From the host of the Travel Channel's "The Wild Within." A hunt for the American buffalo—an adventurous, fascinating examination of an animal that has haunted the American imagination. In 2005, Steven Rinella won a lottery permit to hunt for a wild buffalo, or American bison, in the Alaskan wilderness. Despite the odds—there's only a 2 percent chance of drawing the permit, and fewer than 20 percent of those hunters are successful—Rinella managed to kill a buffalo on a snow-covered mountainside and then raft the meat back to civilization while being trailed by grizzly bears and suffering from hypothermia. Throughout these adventures, Rinella found himself contemplating his own place among the 14,000 years' worth of buffalo hunters in North America, as well as the buffalo's place in the American experience. At the time of the Revolutionary War, North America was home to approximately 40 million buffalo, the largest herd of big mammals on the planet, but by the mid-1890s only a few hundred remained. Now that the buffalo is on the verge of a dramatic ecological recovery across the West, Americans are faced with the challenge of how, and if, we can dare to share our land with a beast that is the embodiment of the American wilderness. *American Buffalo* is a narrative tale of Rinella's hunt. But beyond that, it is the story of the many ways in which the buffalo has shaped our national identity. Rinella takes us across the continent in search of the buffalo's past, present, and future: to the Bering Land Bridge, where scientists search for buffalo bones amid artifacts of the New World's earliest human inhabitants; to buffalo jumps where Native Americans once ran buffalo over cliffs by the thousands; to the Detroit Carbon works, a "bone charcoal" plant that made fortunes in the late 1800s by turning millions of tons of buffalo bones into bone meal, black dye, and fine china; and even to an abattoir turned fashion mecca in Manhattan's Meatpacking District, where a depressed buffalo named Black Diamond met his fate after serving as the model for the American nickel. Rinella's erudition and exuberance, combined with his gift for storytelling, make him the perfect guide for a book that combines outdoor adventure with a quirky blend of facts and observations about history, biology, and the natural world. Both a captivating narrative and a book of environmental and historical significance, *American Buffalo* tells us as much about ourselves as Americans as it does about the creature who perhaps best of all embodies the American ethos.

The Buffalo Book David Dary, 1989 The journals and memoirs of 19th century explorers and travelers in the American West often told of viewing buffalo massed together as far as the eye could see. This book appropriately covers the subject of the buffalo as extensively as that animal covered the plains. Other recent accounts of the buffalo have focused on two or three aspects, emphasizing its natural history, the hunters and the hunted in prehistoric time, the relationship between the buffalo and the American Indian. David Dary's treatment stretches from horizon to horizon. Of course he discusses the origin of the buffalo in North America, its locations and migrations, its habits, its significance and role in both Indian and white cultures, its near demise, its salvation. But more. Dary weaves throughout his fact-filled book fascinating threads of lore and legend of this animal that literally helped mold who and what America is. Further, in addition to detailing the extinction which almost befell this mythic beast and the attempts to give life again to the herds, Dary concentrates significant attention on the buffalo as part of 20th century America in terms of captivity, husbandry, and symbol. *The Buffalo Book* rounds up all the contemporary buffalo. Dary has located just about every single buffalo alive today in the United States. He has visited or corresponded with everyone who raises a private or government herd, small or large. He maps their location, size, purpose, future. There are even some instructions about how to raise buffalo if one is so inclined. For the gourmet *The Buffalo Book* provides a number of recipes, such as Sweetgrass Buffalo and Beer Pie or Buffalo Tips a la

Bourgogne. From the buffalo nickel to Wyoming's state flag, from The University of Colorado's mascot to Indiana's state seal, we picture and use the buffalo in hundreds of ways; Dary surveys the 19th and 20th century symbol adaptation of the animal.

Buffalo Is the New Buffalo Chelsea Vowel, 2022-06-07 "Education is the new buffalo" is a metaphor widely used among Indigenous peoples in Canada to signify the importance of education to their survival and ability to support themselves, as once Plains nations supported themselves as buffalo peoples. The assumption is that many of the pre-Contact ways of living are forever gone, so adaptation is necessary. But Chelsea Vowel asks, "Instead of accepting that the buffalo, and our ancestral ways, will never come back, what if we simply ensure that they do?" Inspired by classic and contemporary speculative fiction, *Buffalo Is the New Buffalo* explores science fiction tropes through a Métis lens: a Two-Spirit rougarou (shapeshifter) in the nineteenth century tries to solve a murder in her community and joins the nêhiyaw-pwat (Iron Confederacy) in order to successfully stop Canadian colonial expansion into the West. A Métis man is gored by a radioactive bison, gaining super strength, but losing the ability to be remembered by anyone not related to him by blood. Nanites babble to babies in Cree, virtual reality teaches transformation, foxes take human form and wreak havoc on hearts, buffalo roam free, and beings grapple with the thorny problem of healing from colonialism. Indigenous futurisms seek to discover the impact of colonization, remove its psychological baggage, and recover ancestral traditions. These eight short stories of "Métis futurism" explore Indigenous existence and resistance through the specific lens of being Métis. Expansive and eye-opening, *Buffalo Is the New Buffalo* rewrites our shared history in provocative and exciting ways.

The history of Buffalo, by J.N. Larned Charles Arthur Conant, 1913

Buffalo for the Broken Heart Dan O'Brien, 2002-10-08 For twenty years Dan O'Brien struggled to make ends meet on his cattle ranch in South Dakota. But when a neighbor invited him to lend a hand at the annual buffalo roundup, O'Brien was inspired to convert his own ranch, the Broken Heart, to buffalo. Starting with thirteen calves, "short-necked, golden balls of wool," O'Brien embarked on a journey that returned buffalo to his land for the first time in more than a century and a half. *Buffalo for the Broken Heart* is at once a tender account of the buffaloes' first seasons on the ranch and an engaging lesson in wildlife ecology. Whether he's describing the grazing pattern of the buffalo, the thrill of watching a falcon home in on its prey, or the comical spectacle of a buffalo bull wallowing in the mud, O'Brien combines a novelist's eye for detail with a naturalist's understanding to create an enriching, entertaining narrative.

The Lives and Legends of Buffalo Bill Don Russell, 1960 Attempts to discern the truths behind the legends built up around his career.

The Time of the Buffalo Tom McHugh, 1979-01-01 Discusses the natural history of the American buffalo and its crucial role in the life of the Great Plains Indian

Publications of the Buffalo Historical Society Buffalo Historical Society (Buffalo, N.Y.), 1870

Bring Back the Buffalo! Ernest Callenbach, 2012-07-11 In *Bring Back the Buffalo!*, Ernest Callenbach argues that the return of the bison is the key to a sustainable future for the Great Plains. Vast stretches of the region have seen a steady decline in population and are ill-suited for traditional agriculture or cattle ranching. Yet those same areas provide ideal habitat for bison. Callenbach explores the past history, present situation, and future potential of bison in North America as he examines what can and should be done to re-establish bison as a significant presence in the American landscape. He looks forward with high hopes to a time when vast herds of

buffalo provide permanent sustenance to the rural inhabitants of the Great Plains and again play a central role in the balance of nature.

A History of Buffalo Josephus Nelson Larned, 1911

A Buffalo in the House R. D. Rosen, 2008-06-10 A buffalo in the house? Yes, a buffalo. More than a hundred years after her pioneer ancestors hand-raised two baby buffalo to help rescue the species from the brink of extinction, Veryl Goodnight and her husband, Roger Brooks, commit themselves to saving just one. When they welcome an orphaned baby buffalo into their Santa Fe home, they expect him to stay just until he's old enough to rejoin a herd. But Charlie becomes a big part of their family life—about two pounds bigger every day. Surrounded by people and dogs, Charlie has no idea he's a buffalo—and Roger has no idea how strong the bond between a middle-aged man and a buffalo can be. When Charlie's eventual introduction to a herd results in a terrible accident, Charlie's courage and Roger and Veryl's devotion are pushed to their limits. Contrasting the nineteenth-century killing of tens of millions of buffalo against our own environmental consciousness, this book asks the question: How far are you willing to go for an animal you love? A love story, a comedy, and a history of the American West, *A Buffalo in the House* packs a major emotional wallop and will be hard to forget. "More than a touching man-beast buddy tale . . . Rosen lovingly chronicles the history of an embattled species and its importance in the American West." –Entertainment Weekly "Riveting . . . From the story of one stray baby bison named Charlie . . . and the family that took him in, Rosen has drawn a sweeping history of the American frontier. . . . I can't remember when I've been instructed so gracefully, or entertained to such deep purpose." –Jane Kramer, *The New Yorker* "Powerful . . . [Charlie is] one of the most memorable characters in recent nature writing." –Publishers Weekly (starred review) "Moving proof of the restorative powers of man's relationship with nature." –People "If you're mad for Marley, elated over Elsa the lion, [or] rowdy for Rascal . . . stampede out and get *A Buffalo in the House*." –Huron Daily Tribune

A Chorus of Buffalo, 2003-12-08 For many years Rudner's dispatches from the American West have enlightened readers of the Wall Street Journal's Leisure & Arts page. Buffalo are an integral part of Native American cultures, which have relied on them for food, shelter, clothing, tools, and spiritual inspiration for centuries.

The Buffalo Reader Michael Buffalo Smith, 2020-03-05 The Buffalo Reader collects the best of over 25 years of blogs, liner notes and Southern

The Border and the Buffalo John R. Cook, 1907

Buffalo Stampede Zane Grey, 2013-09-01 On his first trip out West, Zane Grey became friends with Buffalo Jones, the "last of the plainsmen" as he called him. Jones had been witness to the great herds of buffalo that had once ranged on the Great Plains, and he had been a participant in the hunts that led to their destruction. In early 1923, Grey decided that he would write the epic story of the thundering herds of buffalo, the great hunt that decimated them, and the battle between the Plains Indians and the buffalo hunters. When he completed his manuscript he sent it to the editors of *Ladies' Home Journal*, who had agreed to buy it. Grey was asked to make extensive changes in the structure and tone of the story, and once these changes were made, the story was as decimated as the great buffalo herds. Fortunately, the original manuscript survived and is presented here in *Buffalo Stampede* as Grey intended it to be. At last, Zane Grey's magnificent panorama of the war for and against the buffalo has been restored, with its violent and furious action and tone of elegiac sadness for the passing of those mighty, noble herds.

Gotta Go, Buffalo Haily Meyers, Kevin Meyers, 2017-03-07 Make goodbyes fun with animal rhymes and colorful lift-the-flap illustrations! "So long!" "See you later!" There are so many ways to say goodbye! Lift the flaps in this colorful book to discover favorite animals (and maybe a few new ones, too) and fun goodbyes. Children and grown-ups alike will be giggling before you can say, "Toodle-Lo, Kangaroo!"

Annual Statement of the Trade and Commerce of Buffalo Buffalo Board of Trade, 1873

Buffalo Land William Edward Webb, 1874 A description principally of western Kansas and eastern Colorado, including notes on the paleontology of Kansas. Much on hunting in the West, especially buffalo hunts, but also elk, antelope, turkeys, prairie chickens, quail, etc. Information on Indian tribes, their leaders and customs, military forts, exploring, characters met during his travels, etc. He talks at some length about his meeting with Wild Bill Hickok. He elaborates on the technique of creasing wild horses during chases to capture them. This is done by shooting at the horse with a rifle bullet that just creases the horse's skull, and renders the horse unconscious for a time sufficient to capture it.

Buffalo Bill's Own Story of His Life and Deeds Buffalo Bill, William Lightfoot Visscher, 1917 Black and white photograph of Buffalo Bill on a horse pasted on front cover.

Buffalo Introduction

In today's digital age, the availability of Buffalo books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through

pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Buffalo books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Buffalo books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Buffalo versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Buffalo books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Buffalo books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Buffalo

books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Buffalo books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Buffalo books and manuals for download and embark on your journey of knowledge?

FAQs About Buffalo Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences

and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Buffalo is one of the best book in our library for free trial. We provide copy of Buffalo in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Buffalo. Where to download Buffalo online for free? Are you looking for Buffalo PDF? This is definitely going to save you time and cash in something you should think about.
