The Golden Bull Marjorie Cowley,2012-02-01 A brother and sister's search for a new life and new home . . . 5,000 years ago in ancient Mesopotamia during a terrible drought, Jomar and Zefa's father must send his children away to the city of Ur because he can no longer feed them. At fourteen, Jomar is old enough to apprentice with Sidah, a master goldsmith for the temple of the moongod, but there is no place for Zefa in Sidah's household. Zefa, a talented but untrained musician, is forced to play her music and sing for alms on the streets of Ur. Marjorie Cowley vividly imagines the intrigues, and harsh struggle for survival in ancient Mesopotamia.

How to Castrate a Bull Dave Hitz,2009-01-20 Dave Hitz likes to solve fun problems. He didn't set out to be a Silicon Valley icon, a business visionary, or even a billionaire. But he became all three. It turns out that business is a mosaic of interesting puzzles like managing risk, developing and reversing strategies, and looking into the future by deconstructing the past. As a founder of NetApp, a data storage firm that began as an idea scribbled on a placemat and now takes in \$4 billion a year, Hitz has seen his company go through every major cycle in business—from the Jack-of-All-Trades mentality of a start-up, through the tumultuous period of the IPO and the dot-com bust, and finally to a mature enterprise company. NetApp is one of the fastest-growing computer companies ever, and for six years in a row it has been on Fortune magazine's list of Best Companies to Work For. Not bad for a high school dropout who began his business career selling his blood for money and typing the names of diseases onto index cards. With colorful examples and anecdotes, *How to Castrate a Bull* is a story for everyone interested in understanding business, the reasons why companies succeed and fail, and how powerful lessons often come from strange and unexpected places. Dave Hitz co-founded NetApp in 1992 with James Lau and Michael Malcolm. He served as a programmer, marketing evangelist, technical architect, and vice president of engineering. Presently, he is responsible for future strategy and direction for the company. Before his career in Silicon Valley, Dave worked as a cowboy, where he got valuable management experience by herding, branding, and castrating cattle.

The Golden Bull Marjorie Cowley,2008 It is circa 2600 B.C. in ancient Mesopotamia during a terrible drought, and Jomar and Zefa's father must send his children away to the city of Ur because he can no longer feed them. Alone in a strange city, the siblings must put aside old resentments to survive.

Bull David Elliott,2017-03-28 Much like Lin-Manuel Miranda did in *Hamilton*, the New York Times best-selling author David Elliott turns a classic on

its head in form and approach, updating the timeless story of Theseus and the Minotaur. A rough, rowdy, and darkly comedic young adult retelling in verse, which NPR called “beautifully clever,” Bull will have readers reevaluating one of mythology's most infamous monsters. SEE THE STORY OF THESEUS AND THE MINOTAUR IN A WHOLE NEW LIGHT Minos thought he could Pull a fast one On me, Poseidon! God of the Sea! But I’m the last one On whom you Should try such a thing. The nerve of that guy. The balls. The audacity. I AM THE OCEAN! I got capacity! Depths! Darkness! Delphic power! So his sweet little plan Went big-time sour And his wife had a son Born with horns and a muzzle Who ended up In an underground puzzle. What is it with you mortals? You just can’t seem to learn: If you play with fire, babies, You’re gonna get burned.

Bull James B. Golden, 2014-04-06 JUAN FELIPE HERRERA, Poet Laureate of California: Bull swaggers blues & rams through Klan days & lynch nights & he meditates & rumbles on Presley & Memphis, he stops visits, breathes family, chows catfish, gets hauled off to prison, alcohol afternoons & contraband inmate pruno drink. He is strong & lyrical, and most of all, Bull gores the veils & static stiffs of history. Bull is hungry most of all, to come back where he started, where he is, unafraid of pain, for he has suffered, he is suffering and because of that his virtue is courage, harmony, love, yes Bull is doused with the blues of love, where racism, segregation, slavery, are part of the double-dutch, hip hop scrim where Bull rises and transcends. A power-poetry here - a liberation heart-fire collection by our Salinas Poet Laureate, James P. Golden--no other like it. Golden is a young man who is surely going to add to the rich tradition of poets, writers and intellectuals who have come out of Black America. His is an exciting voice, filled with creativity but seasoned, as well, with a potpourri of experiences... JOHNIE SCOTT, cofounder, Watts Writers Workshop His vernacular and prose are a rare find, he speaks truth to power and that power into contemporary issues. Senses Lifestyle Magazine Golden creates phenomenal works of art. The National Steinbeck Center We are proud to have a writer that hails from our great city return with the gift of poetry. MAYOR JOE GUNTER, City of Salinas. Golden's poetry celebrates the contemporary experiences of young African Americans while delving into both the poet's professional and personal life. The Salinas Californian Golden's poems are frank, explicit, and poignant. ROBERT WALCH, literary critic From the Author's Note: I can imagine the blood dripping slowly onto the mud beneath the dead man's body... and the smell of sun-stained flesh rotting above the lynch mob...and my grandmother's heartbeat as she unfolds her arms to somehow protect her children from the reality of the Jim Crow American South. While my

grandmother, Henrietta, wasn't actually at the site of Emmett Till's murder on August 28, 1955, there were others like him, especially in South Carolina. The lynching, murder, and castration of Black men prompted the unexplainable disappearances, forgotten funeral services, and bitterness at God. The lynch ropes left unfathomable scars, especially on the young. I suppose my father, Bull, was one of them. Those scars resurfaced throughout his life in signature moments. Those recollections are the basis for *BULL: The Journey of a Freedom Icon*. My father, while flawed, is a representation of what I've always considered the great Black American Man, the old school cat, the Bull. He falls in line with the icons that were raised during one of the most horrific periods in America for people of color. In many ways, writing this book has been a cleansing of my own soul. I feel more connected to my father than ever, and he's someone I'd want to be connected to forever. As I experienced on the discovery of Rita Dove's *Thomas and Beulah*, the stories of our elders heal our souls. My soul is healing. Above all, I feel honored to spring from a man whose life has been an iconic guidepost for Black men—all men, really. My dad's tenacity and ability to overcome every hindrance of a pitiless world makes him Bull; an unrelenting beast stamping his hooves through many darkneses or, like Emmett Till, a father of many.

The Power of the Bull Michael Rice, 1998 *The Power of the Bull* examines the remarkable phenomenon of mankind's obsession with bulls, especially the now extinct *bos primigenius*.

Shadow of a Bull Maia Wojciechowska, 2012-06-19 Maia Wojciechowska's 1965 Newbery Medal winner about a young boy struggling with his father's legacy. Manolo was only three when his father, the great bullfighter Juan Olivar, died. But Juan is never far from Manolo's consciousness—how could he be, with the entire town of Arcangel waiting for the day Manolo will fulfill his father's legacy? But Manolo has a secret he dares to share with no one—he is a coward, without *afición*, the love of the sport that enables a bullfighter to rise above his fear and face a raging bull. As the day when he must enter the ring approaches, Manolo finds himself questioning which requires more courage: to follow in his father's legendary footsteps or to pursue his own destiny?

Gentling the Bull Venerable Myokyo-Ni, The Venerable, 2011-09-13 This Zen guide offers a readable, helpful interpretation of a classic pillar of Zen training. The Venerable Myokyo-ni is one of today's most distinguished teachers in the Rinzai Zen tradition. In *Gentling the Bull* she offers an insightful

explanation of the Ten Ox-Herding Pictures, showing how they are a metaphor of both one's Zen training and spiritual journey. The Ten Ox-Herding Pictures, also known as the Ten Bull Pictures, are believed to have been drawn by Kakuan, a twelfth century Chinese Zen master, but became widely used as a means of Zen study in fifteenth-century Japan. They are used in formal Zen training to this day to show the stages of one's realization of enlightenment. Each of the ten pictures is presented here with a preface and general foreword to the series by Chi-Yuan, a monk in the direct line of Kakuan. Myokyo-ni provides a lucid introduction that sets the pictures in their historical context and shows their relevance to modern Zen training. In her own comments on each picture, she discusses how they are representative of our own search for oneness – spiritual fulfillment.

Bull Hunter's Romance Max Brand, 1996 Bull Hunter was a loyal comrade to his friends in their time of need, and outlaw Pete Reeve was certainly in need of a helping hand. His desperado past has finally caught up with him, and he was sure to swing for his crimes unless Bull saved his worthless hide.

Shadow of a Bull Maia Wojciechowska, 2004 Manolo Olivar has to make a decision: to follow in his famous father's shadow and become a bullfighter, or to follow his heart and become a doctor.

Papal Bull Margaret Meserve, 2021-08-03 How did Europe's oldest political institution come to grips with the disruptive new technology of print? Printing thrived after it came to Rome in the 1460s. Renaissance scholars, poets, and pilgrims in the Eternal City formed a ready market for mass-produced books. But Rome was also a capital city—seat of the Renaissance papacy, home to its bureaucracy, and a hub of international diplomacy—and print played a role in these circles, too. In *Papal Bull*, Margaret Meserve uncovers a critical new dimension of the history of early Italian printing by revealing how the Renaissance popes wielded print as a political tool. Over half a century of war and controversy—from approximately 1470 to 1520—the papacy and its agents deployed printed texts to potent effect, excommunicating enemies, pursuing diplomatic alliances, condemning heretics, publishing indulgences, promoting new traditions, and luring pilgrims and their money to the papal city. Early modern historians have long stressed the innovative press campaigns of the Protestant Reformers, but Meserve shows that the popes were even earlier adopters of the new technology, deploying mass

communication many decades before Luther. The papacy astutely exploited the new medium to broadcast ancient claims to authority and underscore the centrality of Rome to Catholic Christendom. Drawing on a vast archive, *Papal Bull* reveals how the Renaissance popes used print to project an authoritarian vision of their institution and their capital city, even as critics launched blistering attacks in print that foreshadowed the media wars of the coming Reformation. Papal publishing campaigns tested longstanding principles of canon law promulgation, developed new visual and graphic vocabularies, and prompted some of Europe's first printed pamphlet wars. An exciting interdisciplinary study based on new literary, historical, and bibliographical evidence, this book will appeal to students and scholars of the Italian Renaissance, the Reformation, and the history of the book.

The Story of Ferdinand Munro Leaf, 2011-03-31 Soon to be a major motion picture! Ferdinand is the world's most peaceful--and--beloved little bull. While all of the other bulls snort, leap, and butt their heads, Ferdinand is content to just sit and smell the flowers under his favorite cork tree. Leaf's simple storytelling paired with Lawson's pen-and-ink drawings make *The Story of Ferdinand* a true classic. Commemorate the 75th anniversary of the book's original publication with this beautiful and affordable 8x8 paperback edition.

Warpath Stanley Vestal, 1934 Nephew to Sitting Bull, chief of the Sioux, Pte San Hunka (White Bull) was a famous warrior in his own right. He had been on the warpath against whites and other Indians for more than a decade when he fought the greatest battle of his life. On the afternoon of June 25, 1876, five troops of the U. S. Seventh Cavalry under the command of George Armstrong Custer rode into the valley of the Little Big Horn River, confidently expecting to rout the Indian encampments there. Instead, the cavalry met the gathered strength of Sioux and Cheyenne warriors, who did not run as expected but turned the battle toward the soldiers. White Bull charged again and again, fighting until the last soldier was dead. The battle was Custer's Last Stand, and White Bull was later referred to as the warrior who killed Custer. In 1932 White Bull related his life story to Stanley Vestal, who corroborated the details, from other sources and prepared this biography. All that I told him is straight and true, said White Bull. His story is a matchless account of the life of an Indian warrior.
