Butterball Guy de Maupassant,2003 Set during the Franco-Prussian war, Butterball is a sympathetic portrayal of a prostitute’s mistreatment at the hands of a cold-hearted bourgeoisie. It is published here with a selection of stories about prostitutes, making this a unique collection. When Butterball’s carriage is halted by Prussian soldiers, they demand her sexual services as ransom. Her fellow passengers—hitherto disdainful of her company—are suddenly more than happy to benefit from her “immoral” trade. But Butterball is a loyal French nationalist, and she refuses to sleep with the enemy. Through the warmth and generosity of his heroine, Maupassant exposes the hypocrisy of the French middle class. French writer Guy de Maupassant is most famous for his short stories, which depict the humdrum fate of the middle and working classes.

Playground 50 Cent,2011-11-01 Thirteen-year-old Butterball doesn't have much going for him. He's teased mercilessly about his weight. He hates the Long Island suburb his mom moved them to and wishes he still lived with his dad in the city. And now he's stuck talking to a totally out-of-touch therapist named Liz. Liz tries to uncover what happened that day on the playground - a day that landed one kid in the hospital and Butterball in detention. Butterball refuses to let her in on the truth, and while he evades her questions, he takes readers on a journey through the moments that made him into the playground bully he is today. This devastating yet ultimately redemptive story is told in voice-driven prose and accented with drawings and photographs, making it a natural successor to *The Absolutely True Diary of a Part-Time Indian*. Loosely inspired by 50 Cent's own adolescence, and written with his fourteen-year-old son in mind, *Playground* is sure to captivate wide attention - and spark intense discussion.

Where's Butterball Helen Lechner,2024-03-12 When a momma cat abandons her kittens under a family's house, only one baby survives: Butterball. Black, white, and beautiful, the cat grows up to be a stubborn but lovable scamp who struts to the beat of his own drum. When the narrator's mother spies a pregnant momma cat in their backyard, it's clear their family dynamic will change for the better. The momma cat has her kittens under the family home and then abandons them, leaving only one able to survive. The family then adopts the last remaining feral kitten, naming him Butterball. Butterball is a fiery, auspicious, finicky cat with a reputation for starting fights in the neighborhood and refusing to be held (besides by the family's aunt Mary Louise). When the narrator's mother decides to move, Butterball refuses to leave the home-going as far as running for the top of the house when someone tries to capture him! The narrator and her husband return to the old home for weeks, desperate to find and capture Butterball to bring him to his new home. A few months turned into four years, with the family continually thinking about saving Butterball from living on the street. One fateful day, the narrator returns to the neighborhood to find Butterball much worse for wear. What follows is a tearful and perseverant story of love. This is a wonderful gift book for spiritual readers, children, and animal lovers.
