Hiroataka Kisaragi

The Attractive Empire Michael Baskett, 2008-03-19 Because imperialism has had such an appalling ideological reputation, we've lost sight of its excitement, the breathless anticipation of adventures in far-off lands. *The Attractive Empire* is a tour de force of enthralling historical scholarship that puts the appeal, and seductions, of imperialism on display, without underestimating its ugly consequences. Like its chosen subject, the book covers an astonishing array of texts, events, people, and issues. The clarity and vividness of the writing make it work effortlessly. Baskett's organizational skills, narrative, and rhetoric deftly orchestrate a complex subject. —Darrell William Davis, University of New South Wales

Michael Baskett removes imperial Japanese film from its solitary confinement and commandingly analyzes how it functioned internationally. He commits a depth of research rarely found in English-language studies of Japanese cinema, and his mastery of the primary and secondary sources from beyond Japan's borders distinctly set his book apart from previous scholarship on the subject. Not only is this a work that historians and film scholars will appreciate but also one that I look forward to assigning to undergraduates. —Barak Kushner, Cambridge University

Japanese film crews were shooting feature-length movies in China nearly three decades before Akira Kurosawa's *Rashomon* (1950) reputedly put Japan on the international film map. Although few would readily associate Japan's film industry with either imperialism or the domination of world markets, the country's film culture developed in lock step with its empire, which, at its peak in 1943, included territories from the Aleutians to Australia and from Midway Island to India. With each military victory, Japanese film culture's sphere of influence expanded deeper into Asia, first clashing with and ultimately replacing Hollywood as the main source of news, education, and entertainment for millions. *The Attractive Empire* is the first comprehensive examination of the attitudes, ideals, and myths of Japanese imperialism as represented in its film culture. In this stimulating new study, Michael Baskett traces the development of Japanese film culture from its unapologetically colonial roots in Taiwan and Korea to less obvious manifestations of empire such as the semicolonial markets of Manchuria and Shanghai and occupied territories in Southeast Asia. Drawing on a wide range of previously untapped primary sources from public and private archives across Asia, Europe, and the United States, Baskett provides close readings of individual films and trenchant analyses of Japanese assumptions about Asian ethnic and cultural differences. Finally, he highlights the place of empire in the struggle at legislative, distribution, and exhibition levels to wrest the hearts and minds of Asian film audiences from Hollywood in the 1930s as well as in Japan's attempts to maintain that hegemony during its

alliance with Nazi Germany and Fascist Italy.

*Hanger, Volume 3* Hirotaka Kisaragi, 2020-05-18 In a futuristic Neo-Tokyo, crime is rising rapidly in the wake of a new generation of super-drugs capable of enhancing the user's physical and mental abilities. Hajime Tsukomo is a new recruit on a federal task force trained to go after these powered-up criminals. Now he must team up with Zeroichi, a so-called Hanger looking to reduce his own jail sentence in exchange for helping to take down these chemically-boosted bad guys. With Neo-Tokyo's most wanted criminal organization – Nine-Tails – on the loose and active once again, everyone in the Security Service is on high alert. The Hanger program has always been met with some distrust from other law enforcement teams, but as tensions rise in the wake of Nine-Tails' destructive terrorism, Squad 4's Hangers and Keepers will have to work harder than ever to maintain the trust between them... and each other.

*A Companion to Japanese Cinema* David Desser, 2022-04-22 Go beyond Kurosawa and discover an up-to-date and rigorous examination of historical and modern Japanese cinema In *A Companion to Japanese Cinema*, distinguished cinematic researcher David Desser delivers insightful new material on a fascinating subject, ranging from the introduction and exploration of under-appreciated directors, like Uchida Tomu and Yoshimura Kozaburo, to an appreciation of the Golden Age of Japanese cinema from the point of view of little-known stars and genres of the 1950s. This Companion includes new resources that deal in-depth with the issue of gender in Japanese cinema, including a sustained analysis of Kawase Naomi, arguably the most important female director in Japanese film history. Readers will appreciate the astute material on the connections and relationships that tie together Japanese television and cinema, with implications for understanding the modern state of Japanese film. The Companion concludes with a discussion of the Japanese media's response to the 3/11 earthquake and tsunami that devastated the nation. The book also includes: A thorough introduction to the History, Ideology, and Aesthetics of Japanese cinema, including discussions of Kyoto as the cinematic center of Japan and the Pure Film Movement and modern Japanese film style An exploration of the background to the famous story of Taki no Shiraito and the significant and underappreciated contributions of directors Uchida Tomu, as well as Yoshimura Kozaburo A rigorous comparison of old and new Japanese cinema, including treatments of Ainu in documentary films and modernity in film exhibition Practical discussions of intermediality, including treatments of scriptwriting in the 1930s and the influence of film on Japanese television Perfect for upper-level undergraduate and graduate students studying Japanese and Asian cinema, *A Companion to Japanese Cinema* is a

must-read reference for anyone seeking an insightful and contemporary discussion of modern scholarship in Japanese cinema in the 20th and 21st centuries.

**Hanger, Volume 4** Hirotaka Kisaragi,2024-03-12 In a futuristic Neo-Tokyo, crime is rising rapidly in the wake of a new generation of super-drugs capable of enhancing the user's physical and mental abilities. Hajime Tsukumo is a new recruit on a federal task force trained to go after these powered-up criminals. Now he must team up with Zeroichi, a so-called Hanger looking to reduce his own jail sentence in exchange for helping to take down these chemically-boosted bad guys.

**High School Prodigies Have It Easy Even in Another World!, Vol. 13 (manga)** Riku Misora,2023-07-25 The curtain falls on the story of the high school prodigies' revolution in another world! Having ended the civil war in Yamato, Tsukasa and the others can head to the elf village and put what they've learned from Adel's memoir to use. Just who or what exactly is the "wicked dragon" Yggdra, and why did she summon them to this world? As their long journey comes to a close, it's finally time for them to learn the truth...

**Reborn!** Akira Amano,2012

**High School Prodigies Have It Easy Even in Another World!, Vol. 7 (light novel)** Riku Misora,2022-12-13 FREEDOM AND SECRETS Under Tsukasa's brilliant leadership, the Yamato Resistance enacts its plan to wrest control of their nation from the Freyjagard Empire and the traitorous Princess Mayoi. The key to their plan is the artifact that is the source of Mayoi's mind-control magic, but will it really be as simple as destroying the object? And is returning to the old government truly the best thing for Yamato? Mayoi wasn't born hating her own people, after all. Something must have spurred the girl to turn against her homeland...

Girlfriend for Hire Part 1 YAM-YAM28,2019-09-02 Si Nami Shanaia San Jose na yata ang pinakamaswerteng babae sa buong school. Siya kasi ang girlfriend ni Bryce Caleb Stanford, ang dream guy ng student body—pero 'yan lang naman ang pinapaniwala nila sa lahat. Kapag wala nang taong nakatingin, walang katapusan ang bangayan nilang dalawa. The only thing keeping them together is a contract that requires Nami to pretend to be Bryce's girlfriend so he won't be forced to marry for business. Pero paano kung sa pagkukunwari ay mapaniwala nila ang puso nila na umibig sa isa't isa? Mapaninindigan pa ba nilang dalawa ang kontrata nila, o mauwi ba ang kanilang pagkukunwari sa totooan?

High School Prodigies Have It Easy Even in Another World!, Vol. 8 (light novel) Riku Misora,2023-05-23 THE ORIGIN OF THE SEVEN LUMINARIES Now that Yamato is free, the

Prodigies head for an ancient elf village to learn why they were summoned to this world. The surprising truth they uncover confirms what Tsukasa has suspected all along: Time is running out. The evil dragon's forces are working to revive their master, and stopping them is the only way the high schoolers can return home. However, one in their group is missing. Can Masato be persuaded to rejoin the others before it's too late?

**High School Prodigies Have It Easy Even in Another World!, Vol. 6 (light novel) Riku**

Misora, 2022-05-24 A Climactic Election! The Republic of Elm's first-ever election is fast approaching, and Tetra of the Principles Party and Juno of the Reform Party are campaigning across the nation to earn the support of the populace. While the two women disagree on Elm's future, both are passionate about leading their country to a brighter tomorrow. Unfortunately, the same cannot be said of other politicians. A group of vultures plots to exploit the election to gain power for themselves and leech off the system. With Tsukasa still away in Yamato, it falls to Akatsuki to keep things going. Will the prodigy magician be able to maintain the peace long enough for the conspiracy to come to light?

*Manchukuo Perspectives* Annika A. Culver, Norman Smith, 2019-12-09 This groundbreaking volume critically examines how writers in Japanese-occupied northeast China negotiated political and artistic freedom while engaging their craft amidst an increasing atmosphere of violent conflict and foreign control. The allegedly multiethnic utopian new state of Manchukuo (1932–1945) created by supporters of imperial Japan was intended to corral the creative energies of Chinese, Japanese, Koreans, Russians, and Mongols. Yet, the twin poles of utopian promise and resistance to a contested state pulled these intellectuals into competing loyalties, selective engagement, or even exile and death—surpassing neat paradigms of collaboration or resistance. In a semicolony wrapped in the utopian vision of racial inclusion, their literary works articulating national ideals and even the norms of everyday life subtly reflected the complexities and contradictions of the era. Scholars from China, Korea, Japan, and North America investigate cultural production under imperial Japan's occupation of Manchukuo. They reveal how literature and literary production more generally can serve as a penetrating lens into forgotten histories and the lives of ordinary people confronted with difficult political exigencies. Highlights of the text include transnational perspectives by leading researchers in the field and a memoir by one of Manchukuo's last living writers. "This first-rate collection offers the most comprehensive overview of Manchukuo literature in any language. Containing an abundance of very original research and analysis, with relevant references to diverse sources in Chinese, English, Japanese, Korean, and Russian, the essays will be welcomed by scholars dealing with literary,

historical, political, and colonization issues in Manchukuo and its neighbors.” —Ronald Suleski, Suffolk University, Boston “Manchukuo Perspectives is an excellent contribution to the field. Manchukuo was a fascinating and fraught experiment. Colonialism, imperialism, modernism, and nationalism were just some of the many different forces at play there. With an impressive set of contributors bringing both breadth and depth to the study of these issues, this collection fills a void in our understanding of the cultural and literary production of Manchukuo wonderfully.” —James Carter, Saint Joseph’s University

**Hanger, Volume 2** Hirotaka Kisaragi, 2020-05-18 In a futuristic Neo-Tokyo, crime is rising rapidly in the wake of a new generation of super-drugs capable of enhancing the user’s physical and mental abilities. Hajime Tsukomo is a new recruit on a federal task force trained to go after these powered-up criminals. Now he must team up with Zeroichi, a so-called Hanger looking to reduce his own jail sentence in exchange for helping to take down these chemically-boosted bad guys. Afraid that Hajime could suffer the same tragic fate as his previous Keeper, Zeroichi intentionally widens the emotional distance between them for Hajime’s own safety, leaving a frustrated and hurt Hajime doubting the kind of relationship they really have. Unfortunately, finding the time to sort out their feelings isn’t a luxury either of them can afford— not with the mysterious group responsible for the death of Zeroichi’s former Keeper suddenly terrorizing Neo-Tokyo once more. In the face of even greater danger and higher than ever stakes, Zeroichi must learn to move past the fear that has been driving them apart and rely on Hajime as a true partner.

The Culture of Japanese Fascism Alan Tansman, 2009-04-13 This bold collection of essays demonstrates the necessity of understanding fascism in cultural terms rather than only or even primarily in terms of political structures and events. Contributors from history, literature, film, art history, and anthropology describe a culture of fascism in Japan in the decades preceding the end of the Asia-Pacific War. In so doing, they challenge past scholarship, which has generally rejected descriptions of pre-1945 Japan as fascist. The contributors explain how a fascist ideology was diffused throughout Japanese culture via literature, popular culture, film, design, and everyday discourse. Alan Tansman’s introduction places the essays in historical context and situates them in relation to previous scholarly inquiries into the existence of fascism in Japan. Several contributors examine how fascism was understood in the 1930s by, for example, influential theorists, an antifascist literary group, and leading intellectuals responding to capitalist modernization. Others explore the idea that fascism’s solution to alienation and exploitation lay in efforts to beautify work, the workplace, and everyday life. Still others analyze the realization of and limits to fascist aesthetics in film, memorial design, architecture, animal

imagery, a military museum, and a national exposition. Contributors also assess both manifestations of and resistance to fascist ideology in the work of renowned authors including the Nobel-prize-winning novelist and short-story writer Kawabata Yasunari and the mystery writers Edogawa Ranpo and Hamao Shirō. In the work of these final two, the tropes of sexual perversity and paranoia open a new perspective on fascist culture. This volume makes Japanese fascism available as a critical point of comparison for scholars of fascism worldwide. The concluding essay models such work by comparing Spanish and Japanese fascisms. Contributors. Noriko Aso, Michael Baskett, Kim Brandt, Nina Cornyetz, Kevin M. Doak, James Dorsey, Aaron Gerow, Harry Harootunian, Marilyn Ivy, Angus Lockyer, Jim Reichert, Jonathan Reynolds, Ellen Schattschneider, Aaron Skabelund, Akiko Takenaka, Alan Tansman, Richard Torrance, Keith Vincent, Alejandro Yarza

**Reborn – Tome 29** Akira Amano, 2016-07-27 Kikyo, le plus puissant des Real 6, ayant procédé à l'ouverture carnage, le combat gagne de plus en plus en violence. Hibari se lance dans la bataille, mais victime d'une attaque-surprise souterraine, il échoue devant la puissance incroyable de Kikyo. Et la Varia, qui affrontait Bluebell et Zakuro, voit ses membres tomber comme des mouches...

Fragrant Orchid Yoshiko Yamaguchi, Sakuya Fujiwara, 2015-02-28 The acclaimed actress and legendary singer, Yamaguchi Yoshiko (aka Li Xianglan, 1920-2014), emerged from Japan-occupied Manchuria to become a transnational star during the Second Sino-Japanese war. Born to Japanese parents, raised in Manchuria, and educated in Beijing, the young Yamaguchi learned to speak impeccable Mandarin Chinese and received professional training in operatic singing. When recruited by the Manchurian Film Association in 1939 to act in national policy films in the service of Japanese imperialism in China, she allowed herself to be presented as a Chinese, effectively masking her Japanese identity in both her professional and private lives. Yamaguchi soon became an unprecedented transnational phenomenon in Manchuria, Shanghai, and Japan itself as the glamorous female lead in such well-known films as *Song of the White Orchid* (1939), *China Nights* (1940), *Pledge in the Desert* (1940), and *Glory to Eternity* (1943). Her signature songs, including *When Will You Return?* and *The Evening Primrose*, swept East Asia in the waning years of the war and remained popular well into the postwar decades. Ironically, although her celebrated international stardom was without parallel in wartime East Asia, she remained a puppet within a puppet state, choreographed at every turn by Japanese film studios in accordance with the expediencies of Japan's continental policy. In a dramatic turn of events after Japan's defeat, she was placed under house arrest in Shanghai by

the Chinese Nationalist forces and barely escaped execution as a traitor to China. Her complex and intriguing life story as a convenient pawn, willing instrument, and tormented victim of Japan's imperialist ideology is told in her bestselling autobiography, translated here in full for the first time in English. An addendum reveals her postwar career in Hollywood and Broadway in the 1950s, her friendship with Charlie Chaplin, her first marriage to Isamu Noguchi, and her postwar life as singer, actress, political figure, television celebrity, and private citizen. A substantial introduction by Chia-ning Chang contextualizes Yamaguchi's life and career within the historical and cultural zeitgeist of wartime Manchuria, Japan, and China and the postwar controversies surrounding her life in East Asia.

*The Imperial Screen* Peter B. High, 2003 From the late 1920s through World War II, film became a crucial tool in the state of Japan. Detailing the way Japanese directors, scriptwriters, company officials, and bureaucrats colluded to produce films that supported the war effort, *Imperial Screen* is a highly readable account of the realities of cultural life in wartime Japan. High's treatment of the Japanese film world as a microcosm of the entire sphere of Japanese wartime culture demonstrates what happens when conscientious artists and intellectuals become enmeshed in a totalitarian regime. This English language edition is revised and expanded from the original Japanese edition.
