**Sword of the Demon Hunter: Kijin Gentosho (Light Novel) Vol. 1** Motoo Nakanishi,2022-11-24 For generations, a shrine has stood in the mountain village of Kadono, and for each generation the shrine has had an Itsukihime--its shrine maiden--and the maiden has had her guardian. During the Edo period, a young man named Junta protects the town and the Itsukihime. When he confronts a strange demon in the nearby forest, it tells him that in the distant future a Demon God will threaten all people, everywhere, and it claims that the Demon God's rise to power springs from this very time and place, in the village of Kadono. So begins the centuries-spanning journey of a man tainted by demons, hunting through time to seek justice for what he's lost, and to find a reason to keep on fighting.

The Bee and the Cat Adrian Barrientez,2014-01-07 In reality, the late summer day was supposed to get warmer later on, but all Soi Fong knew was that she would be cold until about noon. It didn't help that she was such a petite girl, she thought with a bit of a sigh as she glanced in the small mirror on her wall. She was only at about average height for her age, and just about every other aspect of her anatomy was compact and slender, giving her a rather cute but unremarkable appearance. Not that she cared too much about things like that, but it was times like this she wished she had a little more meat on her bones. After changing quickly, she felt a little warmer than she had in her long sleepshirt, but the draft through her jammed window still chilled her to the core. Ignoring her discomfort, she walked through the open doorway to the worn and neglected stairwell, remembering to skip the termite-infested fifth step on her way down.
