

Caesario

Pliny (the Elder.)

Tchin-Tchin Sidney Michaels,1962

Business, a Magazine for Office Store and Factory ,1906

Book-keeper ,1906

So Therefore... Al Ruscio,2012-06-25 ‘Every scene or action or speech has a so therefore. It is the goal, the ultimate statement of the character. You should know the so therefore as you begin your scene ... The climax and the payoff is the so therefore.’ – from Al Ruscio’s Preface When working through a scene with a student, renowned actor and acting teacher Al Ruscio will ask, ‘so therefore, what?’ to urge them to capture the specific actions and desires that define their character at that moment. So Therefore... interweaves tried-and-tested practical exercises with sound advice, and illustrative tales from Ruscio’s remarkable career, to form a training handbook as uniquely pragmatic as his favourite phrase. Breaking down his method into three broad focuses, Ruscio considers: Warming Up – including relaxation, going ‘beneath the words’ and emotional recall; Scene Work – ranging from character analysis to an exploration of action; The Play – discovering its spine, progressing through rehearsals and sustaining a performance. But So Therefore... also reflects wisely on such diverse subjects as Stage versus Film, and Stamina, Luck and Chutzpah. Enriching and generous, it is the culmination of a career that has taken in dozens of major motion pictures, and spans the entire history of television – as well as half a century spent training actors. Al Ruscio graduated from the famed Neighborhood Playhouse School of the Theatre and has been teaching acting for five decades. He has served on the Board of Directors of the Screen Actors Guild and is a current voting member of the Academy of Motion Picture Arts and Sciences.

Shakespearean Drama for Schools Louis Rozario Doss,2020-11-04 Many secondary school students find Shakespeare’s plays to be difficult and forbidding. This is often attributed to the somewhat dated language used in the original Shakespearean versions as well as the cultural context of the Elizabethan world. Louis Rozario Doss’s “Shakespearean Drama for Secondary Schools” is a timely remedy. This compendium contains renditions of Shakespeare in simplified,modern English which is more easily understood by learners of English. Louis Rozario Doss’s renditions retain the spice of Shakespeare’s original tales while giving them more pointed relevance to our modern times.They are not intend to replace Shakespeare.They are designed to whet the reader’s appetite for the original works of William Shakespeare.

Love between Men in English Literature Paul Hammond,1996-11-12 This is the first book to provide an account of the representation of emotional and sexual relationships between men across English literature from the Renaissance to the modern period. Based on new research but aimed at the student and the general reader, Paul Hammond discusses major writers such as Marlowe and Shakespeare, Tennyson and Wilde, Forster and Lawrence, but also introduces less familiar texts which cast light on the homosexual culture of their periods. There is an extensive bibliography.

The Cuban Insurrecto William Walker Hanna,1921

The Gothic Novel 1790-1830 Ann B. Tracy,2021-10-21 A research guide for specialists in the Gothic novel, the Romantic movement, the eighteenth- and nineteenth-century novel, and popular culture, this work contains summaries of more than two hundred novels, reputed to be Gothic, published in English between 1790 and 1830. Also included are indexes of titles and characters and an extensive index of characteristic objects, motifs, and themes that recur in the novels—such as corpses, bloody and otherwise, dungeons, secret passageways, filicide, fratricide, infanticide, matricide, patricide, and suicide. The novels described, including those by such writers as Charlotte Dacre, Louisa Sidney Stanhope, Regina Maria Roche, Charles Maturin, and Mary Shelley, are for the most part out of print and circulation and are unavailable except in rare book rooms. Thus this book provides the researcher with ready access to information that would otherwise be difficult to obtain.

Superstitiones Arelatenses e Caesario collectae Caesarius (Arelatensis),Richard Boese,1909

De Caesario, medico orthodoxo ... Johann Gottfried Zeiske,1745

Plutarchi opusculum de immoderata verecundia a J. Caesario Latine redditum ,1565

Opus, ab Johanne Caesario emendatum scholiisque illustratum. Item Donati de octo orationis partibus et Carbarismo libellus, ab eodem recognitus Diomedes,Diomedes Grammaticus,1536

Heroes and States J. Douglas Canfield,2021-12-14 To understand the cultural history of England during the Restoration, one need look no further than the theater, which was attended by the gentry as well as by members of the middle and lower classes. The theater of this period embodied the values, meanings, and power relations of Restoration England. In Heroes and States, Douglas Canfield argues that drama not only represents but actually helps constitute the value and belief systems of an entire culture. Heroes and States completes Canfield's two-volume cultural history of Restoration drama, begun in Tricksters and Estates: On the Ideology of Restoration Comedy. In this second volume Canfield shows how Restoration playwrights attempted to rein scribe late-feudal aristocratic ideology after the English Civil War. In the serious drama of the period, conflict is between noble heroes, upon whom states are built, and transgressors of the established order—tyrants, traitors, usurpers, rapists, and atheists. Canfield considers several sub genres of tragedy. He argues that most of these sub genres reaffirm the older ideology after testing it in the fires of conflict. Tragical satire, on the other hand, the most subversive of these sub genres, exposes the failure of the ruling class to live up to its own codes and, in some cases, the absurdity of the codes themselves. Canfield also finds playwrights struggling with issues of race and colonialism. He uses the work of modern theorists such as Bakhtin, Girard, Kristeva, Derrida, Althusser, Williams, and Eagleton to illuminate aspects of his inquiries. Restoration tragedy stands on the cusp of a cultural transition from a late feudal to an early bourgeois ideology, and the issues and themes addressed in the theater validate the culture and politics of seventeenth-century England.

Vitae Evangelistarum quatuor: nunc primum ex codice manuscripto arabico Caesario erutae Petrus Kirsten,1608

Naturalis historiae Opus ... a Johanne Caesario ... in septem quinariorum dispartitum et ab eodem illustratum Gaius Plinius Secundus,1524

C. Plinii Secundi Naturalis historiae opus, ab innumeris mendis a D. J. Caesario Juliacen. ... vindicatū ... adjectis ... argumentis, et breviusculis simul in margine scholiis ab eodē illustratū Pliny (the Elder.),1524

British Drama 1533-1642: A Catalogue Martin Wiggins,Catherine Richardson,2012 Volume 4 covers the years 1598-1602 during which dramatic satire emerged, as well as the opening of the original Globe theatre in London.
