**The Secrets of My Life** Caitlyn Jenner, 2017-04-25 In this remarkable memoir former Olympian and Kardashian family member Caitlyn Jenner reveals shocking and heartbreaking stories from her journey to become a transgender woman and fight for the LGBTQ+ community. Imagine denying your core and soul. Then add to it the most impossible expectations that people have for you because you are the personification of The American Male Athlete. Bruce Jenner, the celebrated Olympic icon and later the patriarch of one of the most famous families in the world, seemed to be living a dream life of success, fame, and prosperity. But the all-American image and million-dollar smile belied a lifelong struggle with gender dysphoria, and it wasn't until the sensational Diane Sawyer interview that the public mask of Bruce Jenner was finally retired, and through the memorable Vanity Fair piece by Buzz Bissinger, that Caitlyn Jenner was introduced to the world and set free to exist on her own terms. Since then, Caitlyn has undertaken an arduous emotional and physical odyssey to achieve the completeness she always felt was missing. In *THE SECRETS OF MY LIFE*, Caitlyn reflects on the inner conflict she experienced growing up in an era of rigidly defined gender identities, and the cruel irony of being hailed by an entire nation as the ultimate symbol of manhood. She recounts her Olympic triumph, her rise to fame, and relates how her sense of frustration and shame grew with the passing years and the lengths to which she had to go to conceal her true self. Caitlyn in turn uncovers the toll that these personal struggles had on her three marriages and, subsequently, the relationships with her children. She also talks candidly about her life in the public eye as a member of the Kardashian clan, what led to her decision to become Caitlyn, and how she, her family, the transgender community, and the rest of the world has since embraced her new life. Filled with incredibly personal and moving stories of struggle and victory, of anxiety and fear, and, finally, of surrender and

acceptance, THE SECRETS OF MY LIFE reveals the real Caitlyn Jenner by tracing her long and eventful journey to becoming herself.

Judd will never forgive Cait for walking out on him. Now that her late father's gambling debts have her backed into a corner, Judd's ready to take his sweet revenge. But first he has to forget the yearning in Cait's forget-me-not blue eyes. Just when Judd thinks he's over her, trust the fearless, stubborn woman to tempt him once again....

Chasing Caitlyn Marnie Cate, 2023-10-25 Trauma and loss from Caitlyn's teenage years have molded her into the woman she never wanted to be. But after a surprise element comes into play, Caitlyn is forced to make a choice she never expected to face. They say revenge is a dish best served cold. *Always Faithful* Caitlyn Willows, 2017-09-19 They hunt a killer who will stop at nothing to protect his identity, even if that means threatening the one link between them—their son. When Staff Sergeant Rowan McKinley is charged with murder, she wants the best defense counsel the Marine Corps has to offer—Captain Phillip Stuart. Seeking his help means opening old wounds. It's a risk she must take to save herself. Phillip swore he'd never have anything to do with the one woman who had

not only broken his heart but had crushed it. Helping her was personal suicide. But professionally, it could be the coup de grace of his career—that next rung on the ladder, the next challenge he was looking for. The love and passion each thought gone sparks to life—only now it is forbidden by military law. Knowing the rules and adhering to them are very different matters. But who should make the sacrifice when both are destined to soar to the top of their ranks? The choice might be taken from their hands. There is a killer with just as much to lose who will stop at nothing to protect his identity, even if that means threatening the one link between Phillip and Rowan—the son Phillip never knew he had.

With her help, Liam and his team start to close in on the dirty forces who are intent on covering up decades of crimes. **Beneath the Layers** Caitlyn Willows, 2019-03-05 For years she has hidden behind a façade. Then

she meets a man who loves to peel back layers to find the treasure beneath. A mask, a façade, whatever it takes to hide from the rest of the world... That's how Midge Ellis has lived for the past three years. When how one looks brings unwanted attention, hiding those looks is the best protection. Few know the woman behind the frumpy-looking Marine Corps court reporter. There are also rules to go with the mask, and one of those is &'no workplace relationships'. Then she meets NCIS Special Agent Kurt Davidson. Her birthday is the catalyst that launches her back into the world—in disguise, of course. Who knew she'd get lucky so quickly? Kurt Davidson loves to discover what's beneath a person's layers, and no one intrigues him more than Staff Sergeant Michelle Ellis. But when she ignores his flirting, he knows she's not interested. That doesn't stop him from fantasizing about her every night—and even when he's undercover searching for a blackmailing female. It doesn't take Midge and Kurt much time to realize each other's real identities or for a killer to up the game—a killer who is slowly tightening the noose around Midge's neck, implicating her in all the criminal activity Kurt is investigating. Is it someone from her past or someone closer? Whoever it is, they've messed with the wrong woman. Old Midge has returned, and she's determined to find who's trying to frame her, with or without Kurt's help. *Caitlyn* Elizabeth Davies, 2018-11-12 A young woman cursed by a witch, an old woman who uses magic and darkness to enslave her... This compelling and disturbing story of magic, betrayal, and the power of love, combines the best of historical fantasy and magical realism. "Since the dawn of time, witches have worked magic with the aid of a familiar, often taking the form of a toad, a raven, or a cat." Caitlyn has lost everything – her king, her throne, her country. With her husband lying brutally slaughtered at her feet and with his enemies at her door, she flees for her life. Desperate, terrified, and plagued by visions of an evil woman performing dark rituals, Caitlyn seeks sanctuary with an English lord. But when the only man she feels she can trust betrays her, she escapes – and runs straight into the clutches of the woman from her visions. Herleva is a woman filled with ambition and greed; a woman who gets what she wants by whatever means possible – even if she has to practice the dark arts to achieve her goal. A woman who is a witch. Using magic and evil to cast her spells, Herleva transforms Caitlyn into a witch's familiar. Having no choice but to do the witch's bidding,

Caitlyn's life is changed forever by the hideous enchantment. Only death can free her. The question is, whose? Set in medieval Britain and France, where being accused of witchcraft is death, and ancient magic lies hidden, this is an epic historical fantasy that sweeps through the centuries and makes you question history itself. Not for the faint-hearted – contains adult themes and scenes of desperation, bloodshed, and dark, dangerous sorcery. What readers are saying: "This is a really good mix of historical drama and supernatural. I read the whole book in one day." (Goodreads reviewer) "I had no real idea what to expect. Would it be historical drama or magical fantasy? Game of Thrones style political intrigue and violence, or Arthurian-style chivalry and witchcraft? The answer is, yes. All of the above" (Goodreads reviewer) "What an unusual story of queens, kings, princes, dukes, lords, ladies, murder, death, danger, magic and witches" (Goodreads reviewer) "This book is full of murder, mayhem, battles, treachery, witchcraft, and yes, even the occasional lighthearted moment just to keep the book from being too deep. I loved every word of it and cannot wait for the next book in the series. To sum this book up in one word...EPIC!" (Goodreads reviewer) "This book was 100% not what I thought it was going to be; instead the story was unlike any I've ever read before & I ended up totally enthralled" (Goodreads reviewer)
