Librarian's Guide to Passive Programming Emily T.

Wichman,2012-03-07 Learn the concept of passive programming and get started easily with plans for implementing a wide array of intergenerational programs in libraries with this professional primer. Libraries are an integral part of the community, a fact that can often be overlooked in today's world of home-based online research. Passive programs encourage patrons to linger—either in the library or on the library's website—and promote a connection to the library's collections, its services, and the community. Librarian's Guide to Passive Programming: Easy and Affordable Activities for All Ages presents plans for 32 passive programs designed to

capture the attention of library patrons. Each chapter—which contains programs grouped thematically—details the steps necessary to reproduce the programs, and includes supporting handouts, activities, and photographs. This helpful guide also examines what passive programming is, why passive programming is relevant, and offers strategies across all aspects of its implementation—from developing program ideas to evaluating program success.

Paper Christmas Emily Dawe, 2018-07-01 Create a perfect handmade holiday with sixteen papercraft projects: “Of note are the rolled Christmas tree card, the folded book angels, and the advent houses.” —Booklist Craft your own Christmas with the sixteen festive papercraft projects included in this collection, ranging from simple yet effective bunting to intricate snowflake tree decorations, bell jar Christmas trees, and an advent calendar village. Give your holiday season the homemade touch with projects from wrapping paper to tree decorations, using very few materials and innovative techniques such as printing with shaving foam and creating stunning greeting cards using gold embossing ink. “Considering variations—like luggage and bunting gift tags—as well as alternative uses (e.g., turn a paper feather tag into a

garland)...there are far more than sixteen potential projects and outcomes here . . . good, step-by-step color photographs, which are all captioned simply.” —Booklist

The Top Books of the Year Calendar Papercraft The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year.

The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail.

Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to

pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Calendar Papercraft : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and

reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
